Subject: Asbestos Roundtable Meetings
Date: Tuesday, December 06, 2011 9:15:54 AM

The asbestos control program will be conducting a series of round-table town meetings across the state focusing on the newly-adopted asbestos rules and related interpretations and misconceptions.

These asbestos rule meetings will be of value to asbestos contractors, landfill operators, general contractors, environmental consultants, city building departments, health departments and city and county commissions.

Please keep the date of a meeting near you open. Actual times and places will be announced once rooms are booked. If you have suggestions for good locations for one of these meetings please let us know.

This will be a good opportunity to participate in discussion regarding this important program and the rules that govern it. Bring your questions and let us know in advance if you have particular topics you would like to discuss. Your questions can be e-mailed to deqacponline@mt.gov, and use "Roundtable" as the subject, or mailed to the program, Asbestos Control Progam, PO Box 200901, Helena, MT 59620-0901. All the meetings will be on Thursday afternoons.
