

The Nature Conservancy Montana

Total conservation acres by year

2008	164,987
2009	119,673
2010	98,017
2011	14,112
2012	12,103

Total	408,892

These acres represent fee and conservation easement acquisitions as well as projects where we assisted an agency in their acquisition in an interest in land.
