

Whitefish – Dead End

End of 10<sup>th</sup> St.

ID# 30-029-0009

Lat: 48.39972

Long: -114.33361

Elevation: 3,019 ft  
920 m

MSA:

Both PM<sub>10</sub> and PM<sub>2.5</sub> are monitored at this site which is located at the end of 10<sup>th</sup> Street near the point where US 93 crosses the Whitefish River. The site is neighborhood scale and was installed to provide continuing PM<sub>10</sub> monitoring for the local nonattainment area. It also provides PM<sub>2.5</sub> data for the local wood burning control program and to assess population exposure.
