Elevation: 3,166 ft
965 m

MSA: Billings/13740

This site monitors CO on a microscale basis in downtown Billings at the corner of 2nd Ave. North and North 32nd Street. The site was installed to demonstrate compliance with the CO NAAQS in the Billings nonattainment area. In 2008, continuous PM_{2.5} monitoring was added to provide data for the [Today's Air](#) website and to be used for public health protection plans during periods of poor air quality.
