

Kalispell – Flathead Electric

Center St. and Woodland Ave.

ID# 30-029-0047

Lat: 48.2025

Long: -114.30556

Elevation: 2,920 ft  
890 m

MSA:

This site was installed in 1999 to consolidate particulate monitoring in the Kalispell area. The site is neighborhood scale and collects PM<sub>10</sub> and PM<sub>2.5</sub> data for population exposure information. It also provides continuous PM<sub>2.5</sub> data for Flathead County's wood burning control program and demonstrates NAAQS compliance for the Kalispell PM<sub>10</sub> nonattainment area.
