Color Codes:

- Blue = Data in DEQ's possession prior to CHIA data cut-off date (Feb 2015)
- Green = Data in DEQ's possession from data cut-off to CHIA issued (Dec 4 2015)

What this really means:

- Blue = Data which could practically be used
- Green = Data in DEQ's possession not used due to time needed for analysis

Bold values collected during DEQ-12A reference period (July 1 - Sept 30)
