Moser, DEQ attorney. He'll be the one speaking on the stipulation today.

There's Jon Kenning, Melinda Horn,

MR. DAVIS: Madam Chair, members of the

Hannah New, Rainie DeVaney, Kayla Glossner,
Christine Weaver, and Sandy Scherer, as well as
Deb Sutliff, who is still sitting in as the acting
BER secretary. I would let the Board know that we
are in the process of hiring the permanent BER
secretary replacement at this time. So I think
that's everyone from DEQ.

CHAIR DEVENY: Who did I miss?

Anyway we have a quorum. So with that, could DEQ

go ahead and introduce the staff that are on, and

Board, again, Tim Davis. I'm the Water Quality

Division Administrator for DEQ. I have Kurt

then we'll ask for public introductions.

CHAIR DEVENY: Okay. Thank you. And we have Sarah Clerget, our Board attorney on with us. Sarah, is anybody else with you today?

MS. CLERGET: No.

CHAIR DEVENY: And how about members of the public?

MS. MARQUIS: Good morning, Madam Chair, members of the Board. This is Vicki Marquis. I'm

an attorney with Holland and Hart, here today representing CHS, and first of all, I want to thank you for having this special meeting and taking the time to deal with this today.

CHAIR DEVENY: Thank you, Vicki. Any other members of the public on today?

MS. SUTLIFF: Madam Chair, we have

Laurie Crutcher. She is Clerk and Recorder today.

Thank you, Laurie.

CHAIR DEVENY: Welcome, Laurie. Okay. With that, we'll go ahead. Sarah, I'll turn it over to give us a little background on the cases and why we're here today.

MS. CLERGET: So as you all may remember, and is outlined in the materials that was in your packet, you resolved most of the issues in this case before, and so there were only two, one and a half really, that were remaining. So this stipulation, both of the parties agree, and they put it in front of you for approval.

And I really want to commend the parties on the work that they've done on this case. I know it's a lot to have you guys here for a special meeting, but they really have worked hard on this, and it's really impressive, the

collaboration that Kurt and Vicki have done. I want to commend them for that, because they've worked really hard together with a lot of cooperating to make this happen.

So I think it's pretty straight forward.

It's just a matter of the Board approving these last few pieces, and we had to wait for them until the arsenic rules as well. I think that's all I've got, unless the parties have more as you wish.

CHAIR DEVENY: If either of the parties have anything to add to that, this would be a good time.

MR. MOSER: Madam Chair, members of the Board, DEQ, we really don't have anything specific to add. We just thank Sarah for those comments.

And we'd just ask that you move forward and approve this stip as presented.

CHAIR DEVENY: Thank you, Mr. Moser.

And it's great when the parties can work together.

And Vicki, did you have something to say?

(Board Member Tweeten present)

MS. MARQUIS: Madam Chair, members of the Board, I just echo what Kurt had said, and thank you, Sarah, for your kind words. And it's

been a good process in this case. We've been

working on it for a long, long time, and so we

appreciate everyone's work on it, and ask for the

Thank you.

CHAIR DEVENY: Thank you, Ms. Marquis.

And let the record show that Chris Tweeten has
joined the meeting. Welcome, Chris.

Board to approve the stipulation as presented.

BOARD MEMBER TWEETEN: Thank you, Madam Chair.

CHAIR DEVENY: So with that, I guess really the business before the Board today is whether or not to approve or deny the stipulations that have been presented on these two cases. Is there any discussion on that among Board members?

David?

BOARD MEMBER LEHNHERR: Madam Chair, I just have a question about what the action we're taking applies to. It looks like it applies to a permit that expires on October 31st of this year; is that correct, or am I misreading that?

CHAIR DEVENY: Mr. Moser, go ahead.

MR. MOSER: Madam Chair, members of the Board. That is true, although what happens after a permit is expired, if the permittee applies for

a renewal permit -- which in this case CHS has done -- and the Department issues a letter recognizing that, and then the permit is administratively extended. So the conditions of that permit continue in force until the agency approves the renewal.

BOARD MEMBER LYNCH: This is Board

Member Lynch. Madam Chair. Kurt, if you could,

please tell me what the length of the permit will

be, or is generally.

MR. MOSER: Generally speaking permits are for five years. They can be up to five years, but because it is a very extensive process to go through a permit review, and takes quite a bit of time, typically the agency will approve a permit for a five-year period.

After that, the permit will be administratively extended for sometimes a number of years until the next one is approved.

Generally the agency tries to shoot for no more than two years being administratively continued. Sometimes we're not successful at reaching that number either.

BOARD MEMBER LYNCH: So I take it there's a review process at the end of the five

years, a review process of some kind?

MR. MOSER: Yes. Every five years as a condition of a permit, a permittee has to submit a renewal if they plan to continue obviously, or would like the opportunity or potential, they will submit an application I believe six months prior to the permit's expiration, which it happened here.

BOARD MEMBER LYNCH: But the Department is not bound by this stipulation with regard to the new permit five years down the road, if circumstances change?

MR. MOSER: Yes. It's the Department's position that we re-evaluate a permit every time it's renewed. If a permit is modified during its term, then the review is bounded by the limitations of that modification; but if it's a renewal permit, then the Department looks at the entire, all of the circumstances and issues of a new permit.

BOARD MEMBER LYNCH: All right. Thank you.

CHAIR DEVENY: Any other questions from Board members? David, I'm seeing your hand.

BOARD MEMBER LEHNHERR: Madam Chair, I'm

_ .

just clarifying for myself. So if we approve this action, then CHS can have a permit for another five years. If we don't, what would happen?

MR. MOSER: Well, if you approve this action, then I guess the conditions that the parties have agreed to would be included in the permit, and this case, the two cases that are related on the Board's docket would be closed.

And then the agency would simply be beginning to evaluate the application that CHS had submitted for the next five years. This basically just closes a chapter.

I guess if the stipulation and order that have been submitted is not approved, then the parties would have to -- I guess it depends. It depends on what the Board would say. If there's a reason, we'd have to address that. So it's kind of hard to speculate, but potentially we would go back to a contested case proceeding.

BOARD MEMBER LEHNHERR: Thank you.

CHAIR DEVENY: Any other questions or comments from Board members, clarification that's needed?

(No response)

CHAIR DEVENY: Hearing none, I would

like to move that the Board approve the 1 2 stipulations that were set forth on these two contested cases, and ask that they be approved by 3 4 the Board. I'll second that BOARD MEMBER LEHNHERR: 5 motion. 6 7 CHAIR DEVENY: Where did that second come from? 8 BOARD MEMBER LEHNHERR: David. 9 10 CHAIR DEVENY: Thank you, David. It's 11 been moved and seconded. Is there any further 12 discussion? 13 (No response) 14 Hearing none, all those CHAIR DEVENY: 15 Board members in favor, please signify by saying 16 aye. 17 (Response) 18 CHAIR DEVENY: Are any Board members 19 opposed? 20 (No response) 21 CHAIR DEVENY: Hearing none, the motion 22 And with that, we are required to open 23 this meeting up for a quick public comment period.

If there's anybody in the public that wishes to

comment on any issues that were not discussed

24
