subdivision review fees, and on-site)	
subsurface wastewater treatment)	
systems)	

TO: All Concerned Persons

1. On April 24, 2014, the Department of Environmental Quality published MAR Notice No. 17-358 regarding a notice of public hearing on the proposed amendment and adoption of the above-stated rules at page 706, 2014 Montana Administrative Register, Issue Number 8. On September 18, 2014, the department published the notice of amendment and adoption at page 2098, 2014 Montana Administrative Register, Issue Number 18. The rules were amended and adopted as proposed, but with numerous changes.

2. This corrected notice of amendment is being published to correct a typographical error that was made in the original notice in ARM 17.36.102(1). The original notice referenced 75-4-134, MCA, and it should have referenced 76-4-134, MCA. The rule should have been proposed in the original notice as follows:

17.36.102 APPLICATION--GENERAL (1) To initiate review of a subdivision under 76-4-125 or ~~75-4-134~~ 76-4-134, MCA, a person must submit a complete application to the department. The application must be signed by all owners of record of the property proposed to be subdivided. In the application, the owners may designate an authorized representative responsible for subsequent correspondence with the reviewing authority. If the department has certified a local department or board of health to review subdivisions pursuant to 76-4-104, MCA, the application must be submitted to the local reviewing authority.

(2) through (6) remain as adopted.

3. The replacement pages for this rule were submitted on September 30, 2014.
