RE: July – August 2019 Progress Report
Stimson Lumber Company, Bonner Cooling Pond Removal Project
Administrative Order on Consent, Docket No. SF-10-0001

Messrs. Large and Martin:

Pursuant to Section 81A of the referenced Administrative Order on Consent (AOC), this letter is submitted on behalf of Stimson Lumber Company as a monthly progress report for the preceding period of July through August of 2019.

Remediation: Remediation is presumed complete – there is nothing to report relative to further remediation.

Repository: The County has made inquiries to Stimson regarding potentially removing the low level waste repository. Stimson has previously approved exploratory surveying but has not provided approval to take any further actions on the repository. Removal would require approvals from Stimson, DEQ, and other agencies.

There is nothing further to report for this period.

Respectfully Submitted,

STEVEN A. PETRIN
Environmental Manager
