Stimson Lumber Company, Bonner Cooling Pond Removal Project
Administrative Order on Consent, Docket No. SF-10-0001

Messrs. Large and Martin:

Pursuant to Section 81A of the referenced Administrative Order on Consent (AOC), this letter is submitted on behalf of Stimson Lumber Company as a monthly progress report for the preceding period of May through June of 2020.

Remediation: Remediation is presumed complete – there is nothing to report relative to further remediation.

Monitoring: Montana DEQ has approved abandonment of the remediation area monitoring wells based upon pollutants being absent or meeting state standards. Actual abandonment is awaiting scheduling and mobilization issues. The next repository monitoring round is scheduled for later this week.

There is nothing further to report for this period.

Respectfully Submitted,

STEVEN A. PETRIN
Environmental Manager
