

PUBLIC NOTICE
WMR-FY17-250

The Montana Department of Environmental Quality (DEQ), Waste Management and Remediation Division, Waste and Underground Tank Management Bureau, Septic Tank Pumper Program, received an application for a land application site. DEQ reviewed the application and it was found complete. The name and address of the applicant is:

Conrad Eckert, Eckert's Patriot Pumpers, P.O. Box 324, Stevensville, MT 59870

The application is for the approval of a site for the land application of septage and grease trap waste. The proposed approximately 120-acre land application site is located on property in Sections 17 and 20, Township 8 North, Range 19 West, Montana Principal Meridian, Ravalli County, Montana. The site will be used only as-needed.

The purpose of this notice is to inform the public of the proposed action and to seek public participation in the decision-making process. To comply with Administrative Rules of Montana 17.4.607(2), 608, 609, and 610, a Draft Environmental Assessment (EA) has been prepared. A copy of the Draft EA is available upon request from the Waste and Underground Tank Management Bureau, Solid Waste Program, P.O. Box 200901, Helena, MT 59620-0901, or on the DEQ's website at <http://deq.mt.gov/public/ea/SepticPumpers>. The public has until close of business on December 19, 2016 to submit written comments concerning the proposal. Comments may be submitted via U.S. Mail to the above address or via E-mail to mailbox DEQSTPprogram@mt.gov.

Dated this 18th day of November 2016.
