

PUBLIC NOTICE

The Department of Environmental Quality's (DEQ) Waste Management and Remediation Division, Waste Management and Underground Tank Management Bureau, Septic Tank Pumper (STP) Program received an application for licensure of the land application of septage in Kalispell, Montana (Proposed Action). DEQ has reviewed the application and has determined it is complete. The name and address of the applicant is:

Mark Guffin
11 McMannamy Draw
Kalispell, MT 59901

The proposed 127-acre land application site is located approximately six miles northwest of Kalispell in Flathead County, Montana, south of Church Drive at 2410 Spring Creek Road. The site would be used by Superior Septic.

The purpose of this notice is to inform the public of the Proposed Action and to seek public participation in the decision-making process. To comply with the Administrative Rules of Montana (ARM) 17.4.607(2), 608, 609, and 610, a draft environmental assessment (EA) has been prepared. A copy of the draft EA may be obtained from the STP Program at the address and email address below, and is on DEQ's website at:
<http://deq.mt.gov/Public/ea/septicpumpers>

The deadline for submitting comments on the proposed licensure of the septage land application site is **February 19, 2021**. Comments may be mailed to:

Comments, STP Program
DEQ/WUTMB
P.O. Box 200901
Helena, MT 59620-0901

Comments may be emailed to: DEQSTPprogram@mt.gov. Call 406-444-5300 for information or help.

Dated this 20th day of January 2021
