

## **PUBLIC NOTICE**

WMRFY18-633

The Department of Environmental Quality's (DEQ) Waste Management and Remediation Division, Waste Management and Underground Tank Management Bureau, Septic Tank Pumper Program received an application for licensure of a septage land application site. DEQ has reviewed the application and has determined it is complete. The name and address of the applicant is:

Sam Langager, Carbon County Sewer, PO Box 96, Absarokee, MT 59001

The application is for approval of a new site for the land application of septage, portable toilet waste, grease trap waste, and graywater. The proposed 122-acre land application site is located on private property in the NW and NE  $\frac{1}{4}$  of the SE  $\frac{1}{4}$  of Section 28, and in the western  $\frac{1}{2}$  of Section 29, Township 5 North, Range 21 East, in Carbon County, Montana. The site will be used as needed exclusively by Carbon County Sewer's septic pumping business.

The purpose of this notice is to inform the public of the proposed action, and to seek public participation in the decision-making process. To comply with the Administrative Rules of Montana (ARM) 17.4.607(2), 608, 609, and 610, a Draft Environmental Assessment (EA) has been prepared. A copy of the Draft EA is available upon request from the Waste and Underground Tank Management Bureau, Solid Waste Program, P.O. Box 200901, Helena, MT 59620-0901, or on DEQ's website at <http://deq.mt.gov/Public/ea/septicpumpers>.

The deadline for submitting comments on the proposed licensure of the septage land application site is on July 27<sup>th</sup>, 2018. Comments may be mailed to: DEQ, Septic Tank Pumper Program, PO Box 200901, Helena, MT 59620, or e-mailed to: [DEQSTPprogram@mt.gov](mailto:DEQSTPprogram@mt.gov). Please call (406) 444-5300 for information or help.

**Dated this 27th day of June 2018**
