

## **PUBLIC NOTICE**

WMRFY19-025

The Department of Environmental Quality's (DEQ) Waste Management and Remediation Division, Waste Management and Underground Tank Management Bureau, Septic Tank Pumper Program received an application for licensure of a septage land application site. DEQ has reviewed the application and has determined it is complete. The name and address of the applicant is:

Jerry Ryan, Cowboy Septic Service, PO Box 1557, East Helena, MT 59635

The application is for approval of a new site for the land application of septage and graywater. The proposed 275-acre land application site is located on private property in Section 29 and the western half of Section 28 in Township 11 North, Range 2 West, in Lewis and Clark County, Montana. The site will be used as needed exclusively by Cowboy Septic Service's septic pumping business.

The purpose of this notice is to inform the public of the proposed action, and to seek public participation in the decision-making process. To comply with the Administrative Rules of Montana (ARM) 17.4.607(2), 608, 609, and 610, a Draft Environmental Assessment (EA) has been prepared. A copy of the Draft EA is available upon request from the Waste and Underground Tank Management Bureau, Solid Waste Program, P.O. Box 200901, Helena, MT 59620-0901, or on DEQ's website at <http://deq.mt.gov/Public/ea/septicpumpers>.

The deadline for submitting comments on the proposed licensure of the septage land application site is on September 6, 2018. Comments may be mailed to: DEQ, Septic Tank Pumper Program, PO Box 200901, Helena, MT 59620, or e-mailed to: [DEQSTPprogram@mt.gov](mailto:DEQSTPprogram@mt.gov). Please call (406) 444-5300 for information or help.

**Dated this 7th day of August 2018**
