**WRITTEN CONSENT OF PROPERTY OWNERS
FOR VOLUNTARY CLEANUP AND ACCESS
[insert facility name and location]**

Sections 75-10-730 through 738, Montana Code Annotated (MCA) authorizes any person to submit a voluntary cleanup plan to the Montana Department of Environmental Quality (DEQ) for remedial actions at a facility. [insert applicant name] is submitting this voluntary cleanup plan for the [insert facility name] located in [insert city], Montana.

Section 75-10-733(2)(c), MCA requires that voluntary cleanup plans must include, “The written consent of current owners of the facility or property to both the implementation of the voluntary cleanup plan and access to the facility by the applicant and its agents and the department.” The following agreement has been developed to satisfy this requirement.

As a property owner of [insert facility name (or a portion of the facility name)] as described below, I, [insert owner name], provide consent for the implementation of this voluntary cleanup plan proposed for the facility as approved by DEQ. I further grant access to the facility to [insert applicant name], its agents, and DEQ.
