Solicitation Number:
788054

Notice Type:
Sources Sought

Synopsis:

Added: Mar 04, 2016 8:06 am

This Sources Sought notice is a request for information to be used for preliminary market research and planning purposes only. The Government is seeking responses from contractors interested and capable of performing the required services. No proposals are being requested or accepted. This is NOT a solicitation and no contract will be awarded from this notice. No reimbursement will be made for any costs associated with providing information in response to this notice. The purpose of this notice is to gain knowledge of interest, capabilities and qualifications of interested parties including Small Business (SB); 8A; Historically Underutilized Business (HUBZone); Service-Disable Veteran-Owned Small Business (SDVOB); and Women-Owned Small Business (WOSB).

The Lolo National Forest is made up of the Seeley Lake Ranger District. The Seeley Lake Ranger District expects to solicit for a furnace demolition and replacement service. The Seeley Lake Ranger District anticipates awarding a Firm-fixed Price Service type contract. The period of performance is anticipated to be for one week. Work will begin as soon as the weather warms up so that a furnace is not required. In Seeley Lake this may be May or June.

Free Building, 20' x 30'

This is a building to disassemble and re-construct with your labor and your hauling. The siding may contain asbestos, so all aspects of this the project is fully at your own risk and you will need to follow appropriate procedures for removal.

As you can see in the pictures (coming soon), the building includes:

- 8 Windows, single pane
- Two doors
- Florescent lighting
- Plastic interior sheeting
- No interior walls

Easy access off of IIS 89 at Corwin Springs
