

Fee Focus Area Asbestos Advisory Group

Last revised date:

Issue Statement #1
Review the draft DEQ fee administrative rule (MAR Notice). Examine the proposed strikeout / underline language within context to HB434 directives.
Current Condition
Draft MAR Notice is posted on Basecamp for review and examination.
Desired Condition (members to highlight comments in different colors and initial)
Proposed revisions to the draft MAR Notice may be summarized here.

Issue Statement #2

Review the current asbestos control program fee system. Examine who pays the fees and how the revenue is expended.

Current Condition

Graphics and summary text is posted on Basecamp for review and examination.

Desired Condition *(members to highlight comments in different colors and initial)*

Comments on fees may be summarized here.
