SUBJECT: Recommendations on Asbestos Regulation

The 2015 Legislature passed HB434 directed the Department of Environmental Quality (DEQ) with convening an Asbestos Advisory Group to advise the agency on matters relating to asbestos regulation. The advisory group has completed its (initial) work and hereby submits the following recommendations:

**Section 1(2)(a)-(d):** (a) Regulatory thresholds for permits and whether a tiered permitting system is appropriate; (b) The appropriate types of projects and the size of structures subject to permitting; (c) The appropriate timeframe for asbestos project notification and issuance of permits; (d) Whether a registration program is appropriate for small scale projects.

**Recommendation:** *< a statement recommending DEQ take a course(s) of action relating to asbestos permitting here >*
