Permitting Action: Request Extension of Due Date – Annual Bond Calculation East Permit

Reference #: Due Date Extension Request – East Decker

Dear Matt:

Decker Coal Company was approved for Annual Bond Calculations for the East Decker permit, C1983007, with the approval of the TR3 Major Revision. The annual bond calculation update is due each year on April 15th. Decker Coal Company is requesting an extension of the East Decker Annual Bond Calculation due date this year to May 15th, 2020. With the onset of the Covid-19 situation, the engineering staff at Decker has been working out of their homes, and the requested extension would allow the staff time to ensure a detailed bond calculation for the East Decker permit.

Please call or email if you have any questions or require any additional information.

Sincerely,

Bill Pruitt
