Certification (to be completed by MS4 or municipality):

I hereby certify in accordance with ARM 17.36.310(5) that the above selected municipality or MS4 entity consents to an exemption from the Department of Environmental Quality requirements to submit a stormwater plan for the aforementioned subdivision. Further, the municipality of MS4 entity will either accept the stormwater into the municipal stormwater system or will require the applicant to comply with municipal or MS4 stormwater drainage design standards.

Name	Signature	Date
Title	Organization	

\*Note: All First-Class Municipalities in Montana have an MS4 General Permit.  
 \*\*Based on 2010 Census population data.
