

PUBLIC NOTICE NO. MT-20-06
March 23, 2020

PURPOSE OF PUBLIC NOTICE

The purpose of this notice is to state the Department's intention to issue a wastewater discharge permit to the facility listed in this notice. This permit is issued by the Department under the authority of 75-5-402, Montana Code Annotated (MCA) and the Administrative Rules of Montana 17.30.1001 et seq., Montana Ground Water Pollution Control System (MGWPCS). The Water Protection Bureau has prepared a draft permit for the facility listed below. Copies of the draft permit, fact sheet, and environmental assessment are available upon request from the Water Protection Bureau or on the Department's website www.deq.mt.gov

APPLICANT INFORMATION

APPLICANT: Bryant No. 3 Subdivision Homeowner's Association Inc.
FACILITY NAME: Bryant No. 3 Wastewater Treatment Facility
FACILITY LOCATION: 3 miles north of Helena off N. Montana Ave.
RECEIVING WATER: Outfall 001 – Class I Ground Water
PERMIT NUMBER: MTX000182

A determination has been made by DEQ to reissue a Montana Ground Water Pollution Control System (MGWPCS) permit, MTX000182, to Bryant No. 3 Subdivision Homeowner's Association Inc. for the Bryant No. 3 Wastewater Treatment Facility. This permitting action authorizes discharge of treated wastewater to ground water. The scope of this permitting action is for the operation, and maintenance of the existing wastewater treatment and disposal system.

This facility is in and serves the Bryant No.3 Subdivision. This renewal is for a 5-year period and is for the continued operation of a Level 2 recirculating sand filter wastewater treatment system that serves 56 residential units and two commercial office buildings. The design flow for this facility is 20,000 gallons per day. DEQ recognizes that in comparison to conventional septic treatment, the proposed treatment system may provide a higher level of treatment for nutrients.

The proposed facility will use subsurface structures (Outfall 001) to discharge treated wastewater to underlying groundwater. The discharge structure's proposed location is: Northwest 1/4, Section 7, T10N, R3W, Lewis and Clark County, Latitude: 46.642389° Longitude: -112.024227°.

Steve Bullock, Governor | Shaun McGrath, Director | P.O. Box 200901 | Helena, MT 59620-0901 | (406) 444-2544 | www.deq.mt.gov

PUBLIC COMMENT

Public comments are invited ANYTIME PRIOR TO CLOSE OF BUSINESS April 22, 2020.

Comments may be directed to the DEQ Water Quality Division, Water Protection Bureau, PO Box 200901, Helena, MT 59620. All comments received or postmarked PRIOR TO CLOSE OF BUSINESS April 22, 2020, will be considered in the formulation of final determinations to be imposed on the permit. If you wish to comment electronically, you may e-mail DEQWPBPublicComments@mt.gov.

During the public comment period provided by the notice, the Department will accept requests for a public hearing. A request for a public hearing must be in writing and must state the nature of the issue proposed to be raised in the hearing (ARM 17.30.1024).

The Department will respond to all substantive comments and issue a final decision within sixty days of this notice or as soon as possible thereafter. Additional information may be obtained upon request by calling (406) 444-5546 or by writing to the aforementioned address. The complete administrative record, including permit application and other pertinent information, is maintained at the Water Protection Bureau office in Helena and is available for review during business hours.
