

APPENDIX A – FIGURES AND TABLES

LIST OF FIGURES

Figure A-1. General Location of the Judith Mountains Project Area.....	A-2
Figure A-2. Level IV Ecoregions in the Judith Mountains Project Area.....	A-3
Figure A-3. Elevation data for the Judith Mountains Project Area.....	A-4
Figure A-4. Geology of the Judith Mountains Project Area.....	A-5
Figure A-5. Distribution of erosion susceptibility in the Judith Mountains Project Area.....	A-6
Figure A-6. Soil slope values for the Judith Mountains Project Area.....	A-7
Figure A-7. Surface hydrography of the Judith Mountains Project Area at 1:100,000 and USGS gages.....	A-8
.....	A-8
Figure A-8. Location of all wells, including those with water quality data based on the GWIC database.	A-9
.....	A-9
Figure A-9. Distribution of average annual precipitation within the Judith Mountains Project Area....	A-10
Figure A-10. NLCD Land cover distribution within the Judith Mountains Project Area	A-11
Figure A-11. Fish species distribution within the Judith Mountains Project Area.....	A-12
Figure A-12. Population density within the Judith Mountains Project Area.....	A-13
Figure A-13. Land ownership within the Judith Mountains Project Area.....	A-14

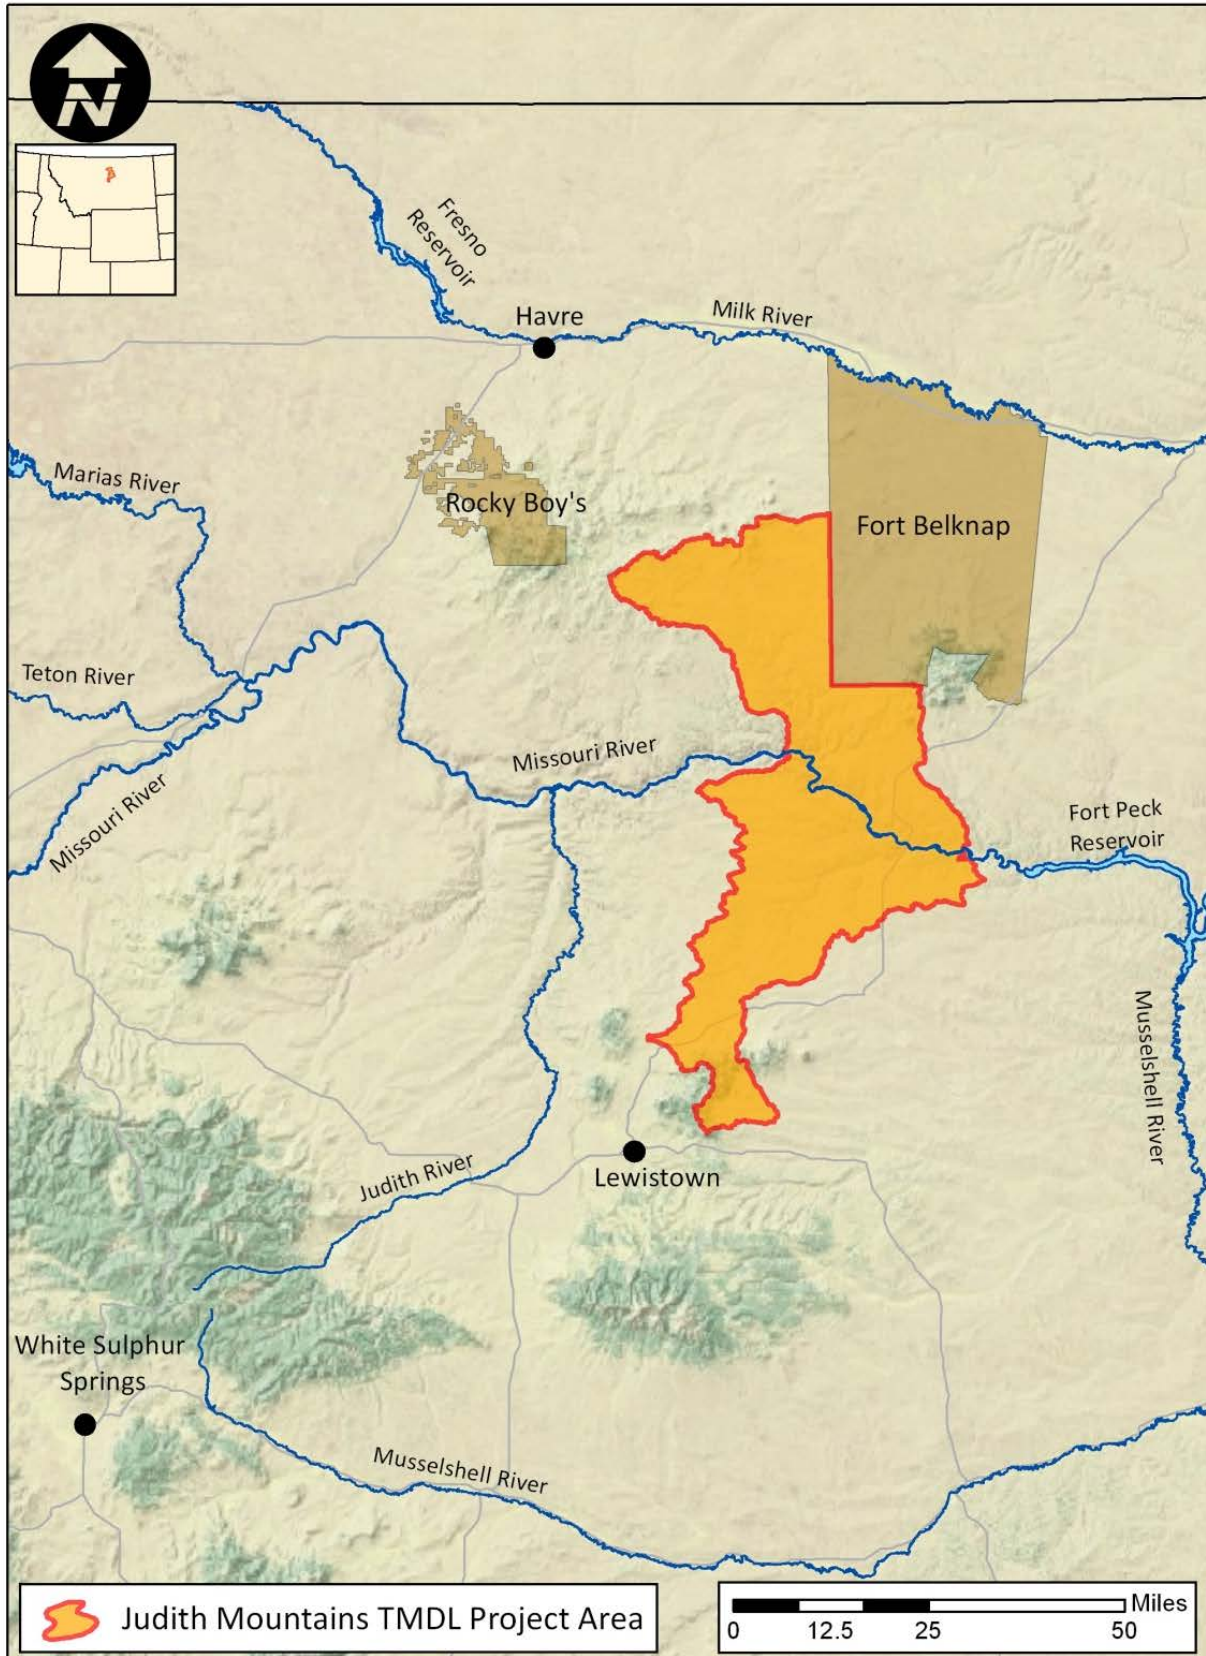

Figure A-1. General Location of the Judith Mountains Project Area.

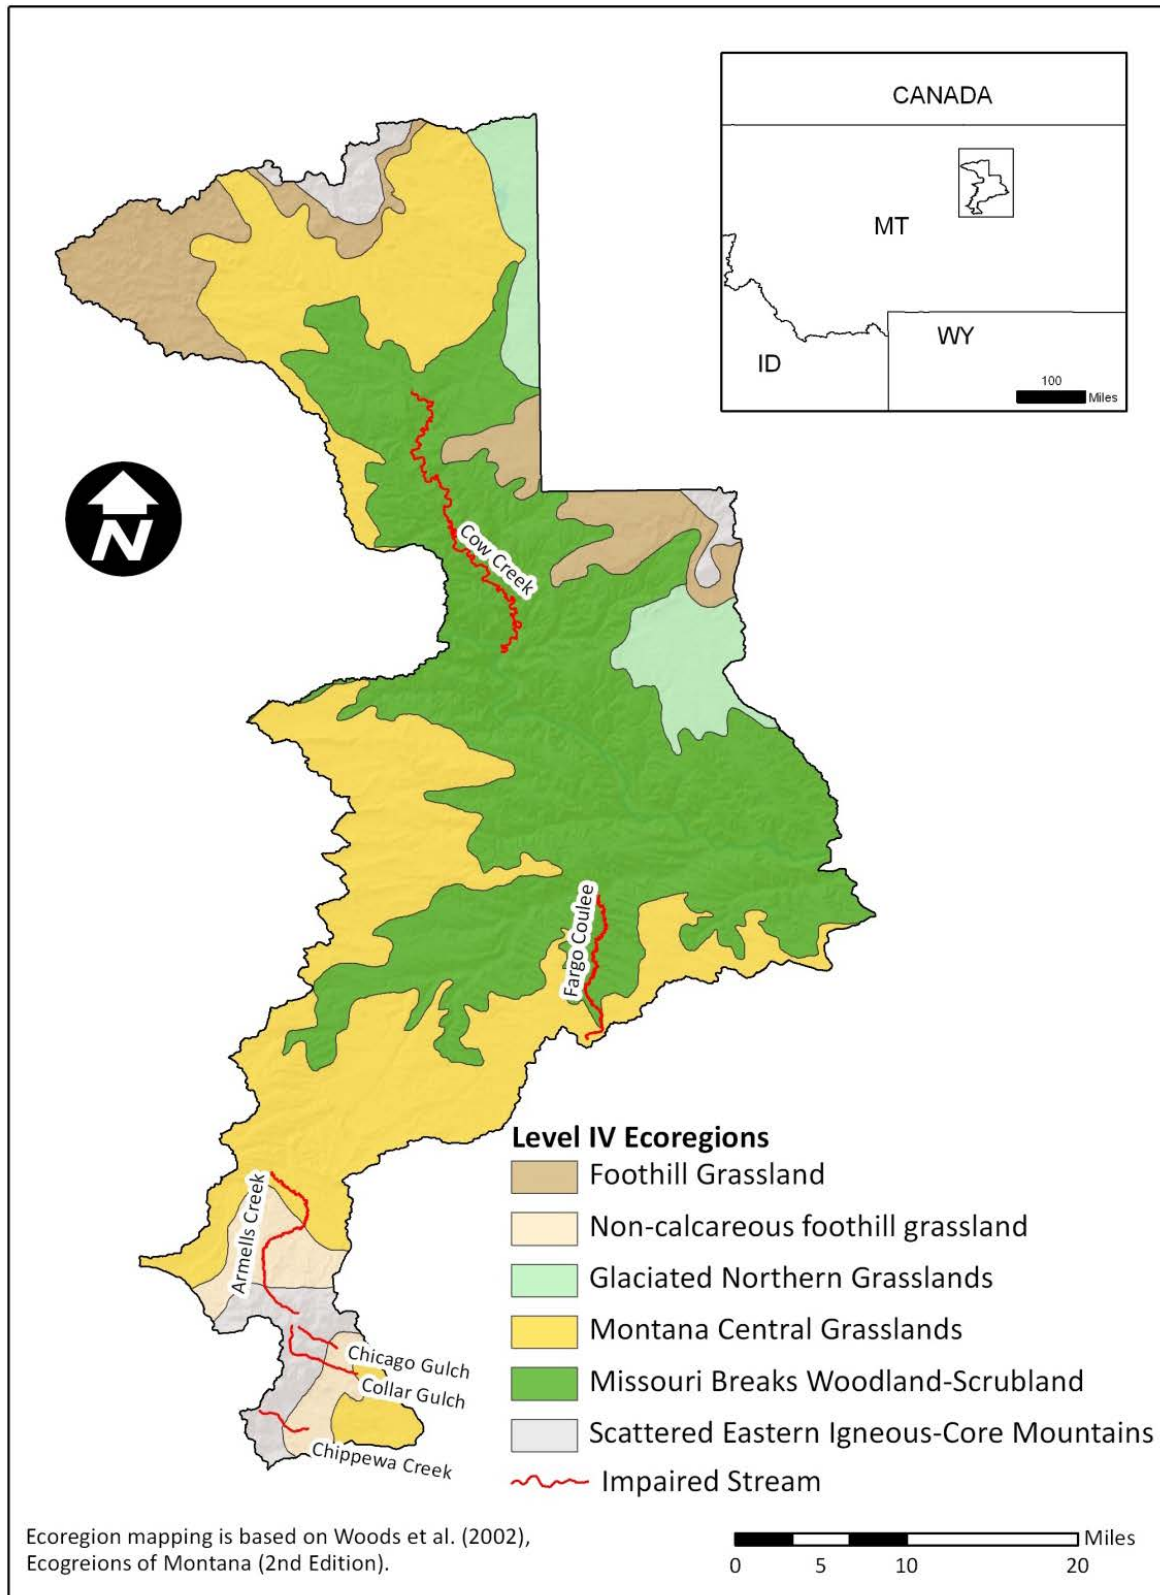

Figure A-2. Level IV Ecoregions in the Judith Mountains Project Area.

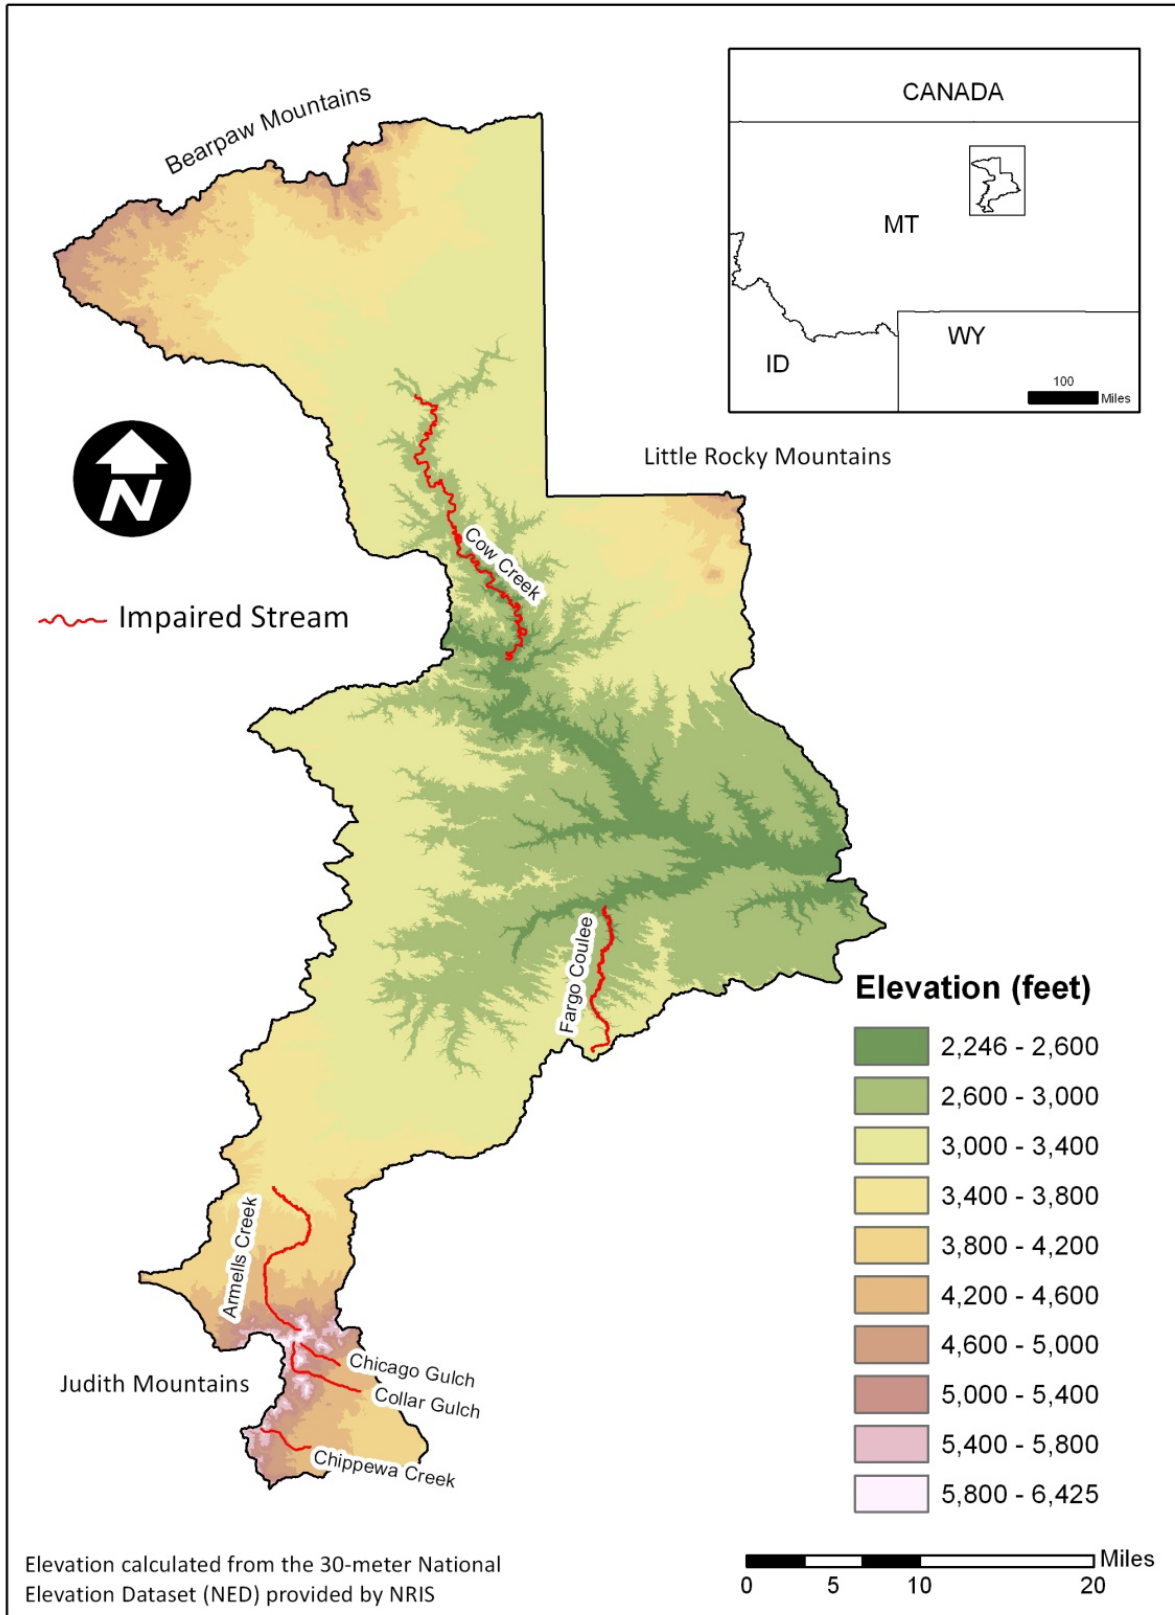

Figure A-3. Elevation data for the Judith Mountains Project Area.

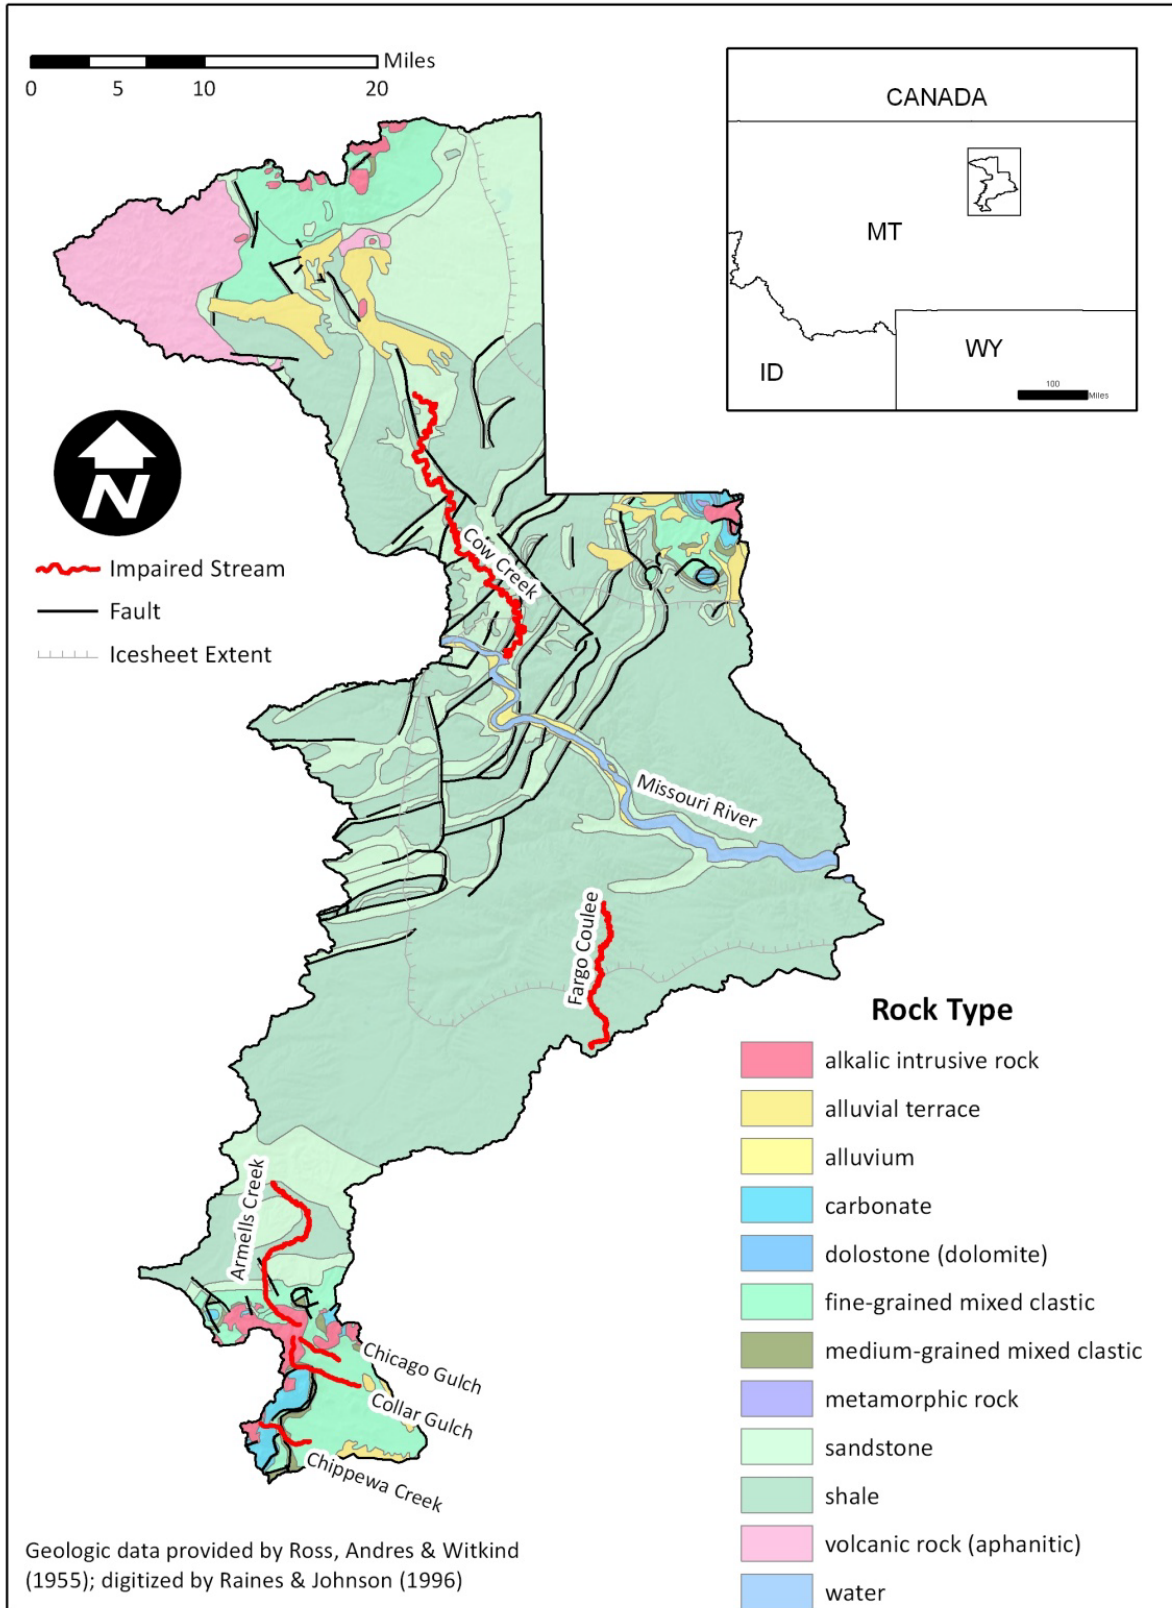

Figure A-4. Geology of the Judith Mountains Project Area.

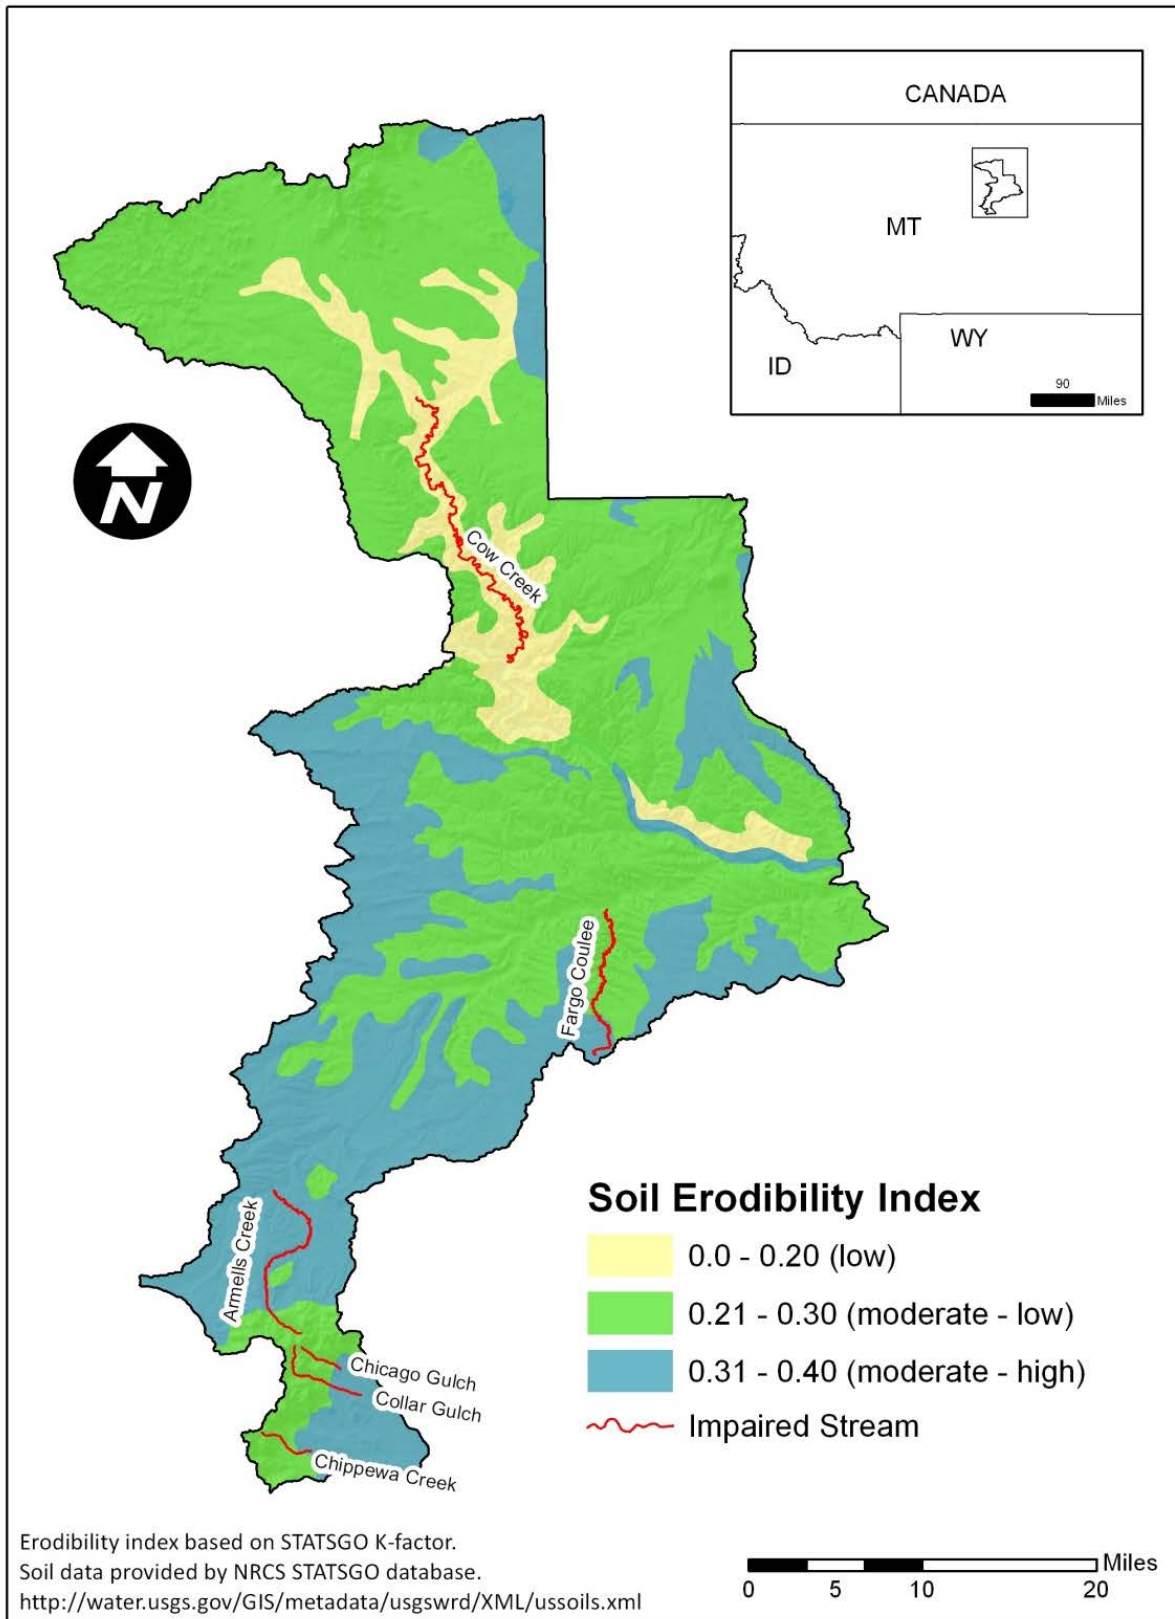

Figure A-5. Distribution of erosion susceptibility in the Judith Mountains Project Area.

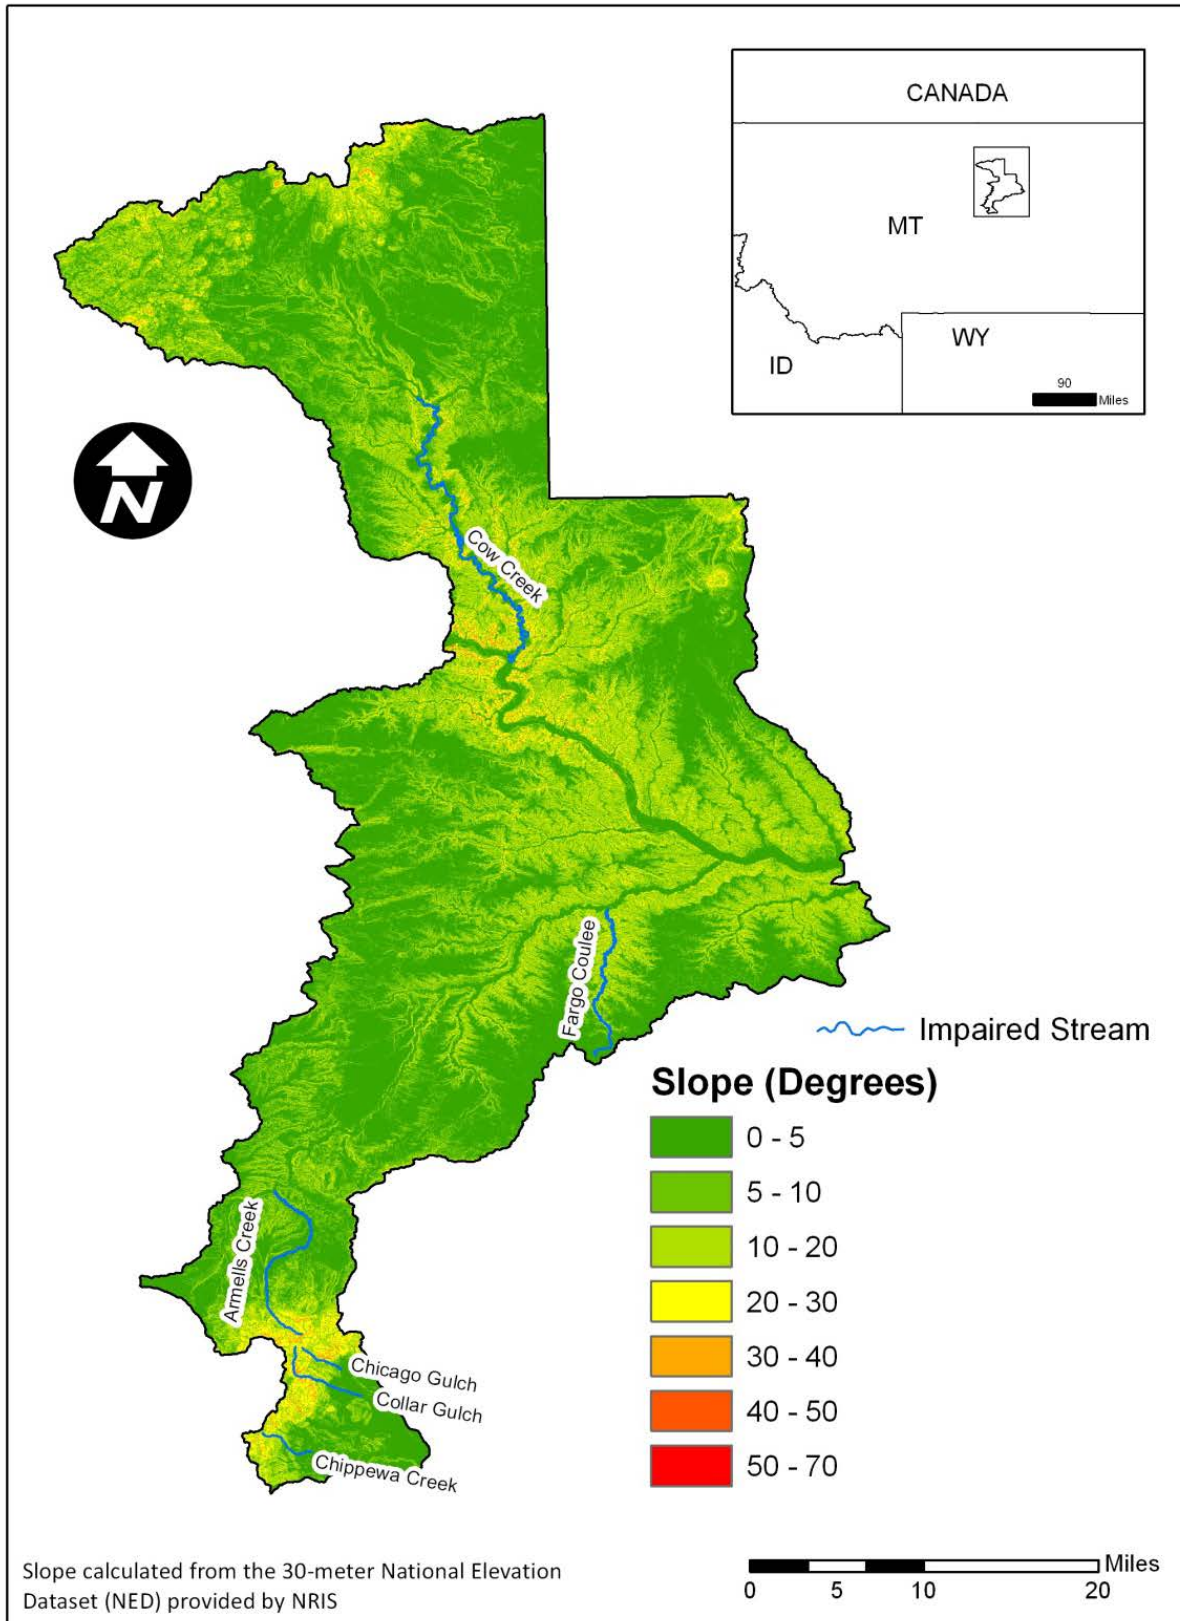

Figure A-6. Soil slope values for the Judith Mountains Project Area.

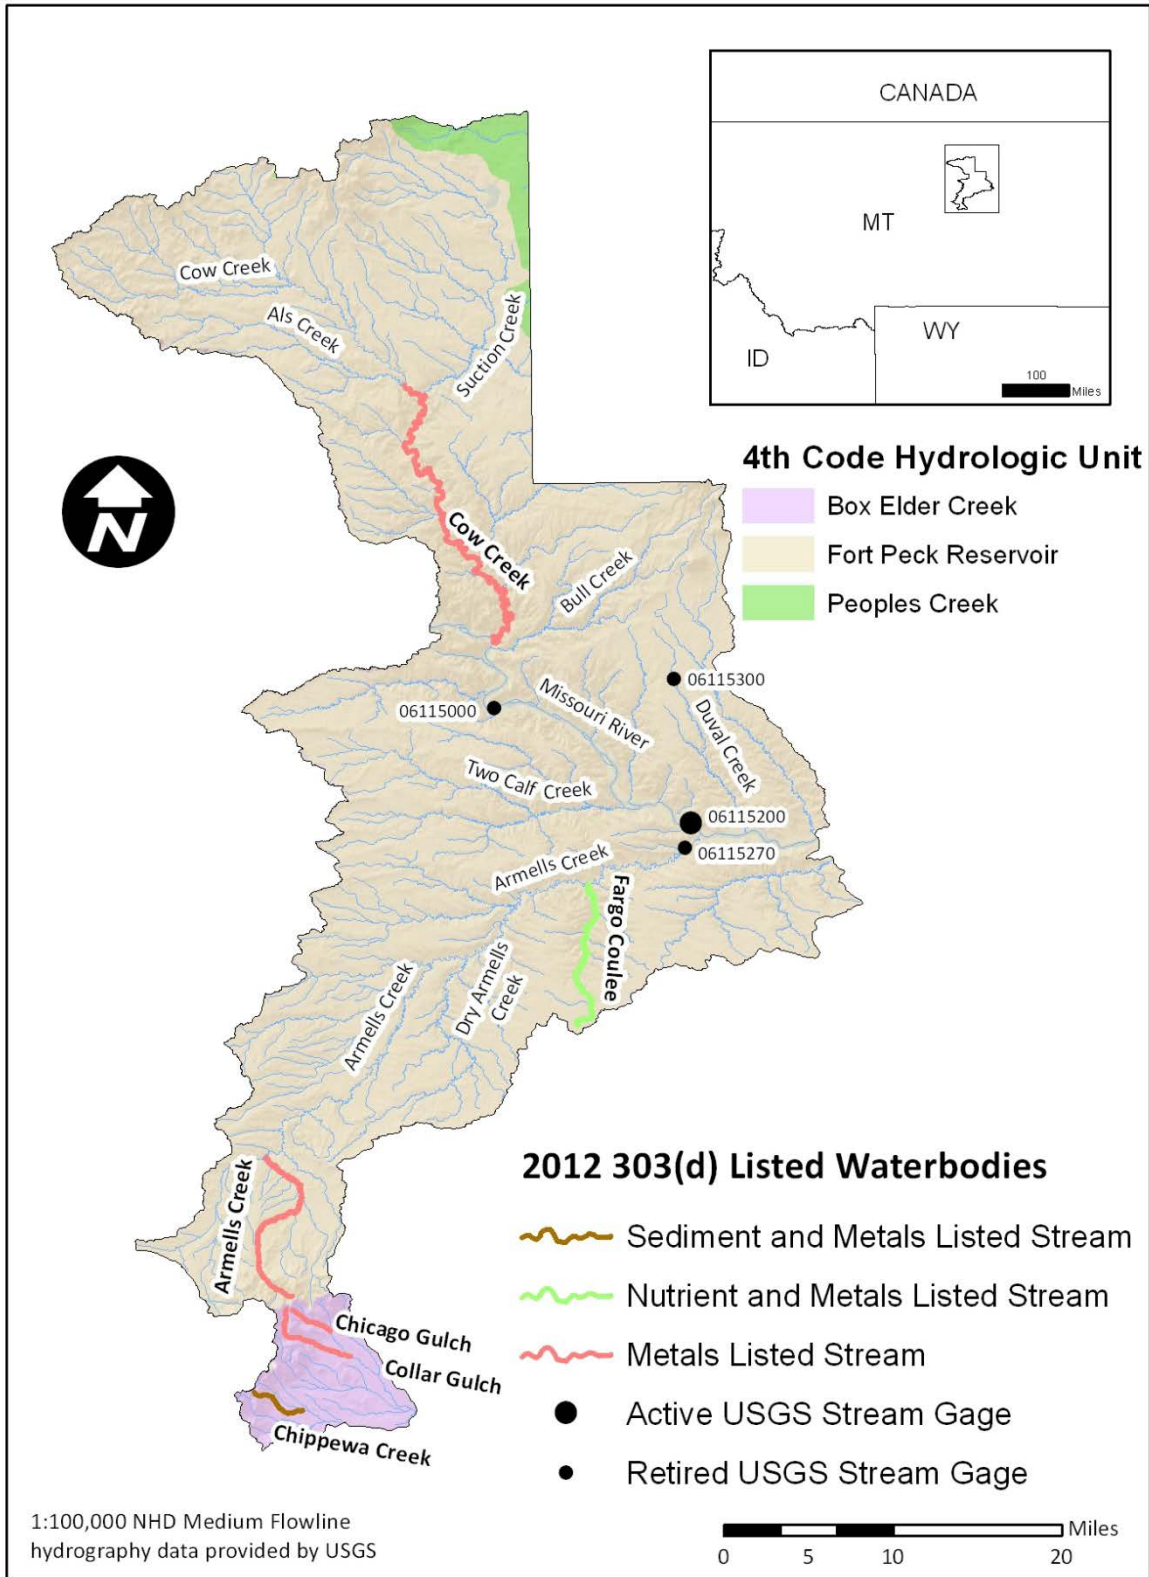

Figure A-7. Surface hydrography of the Judith Mountains Project Area at 1:100,000 and USGS gages.

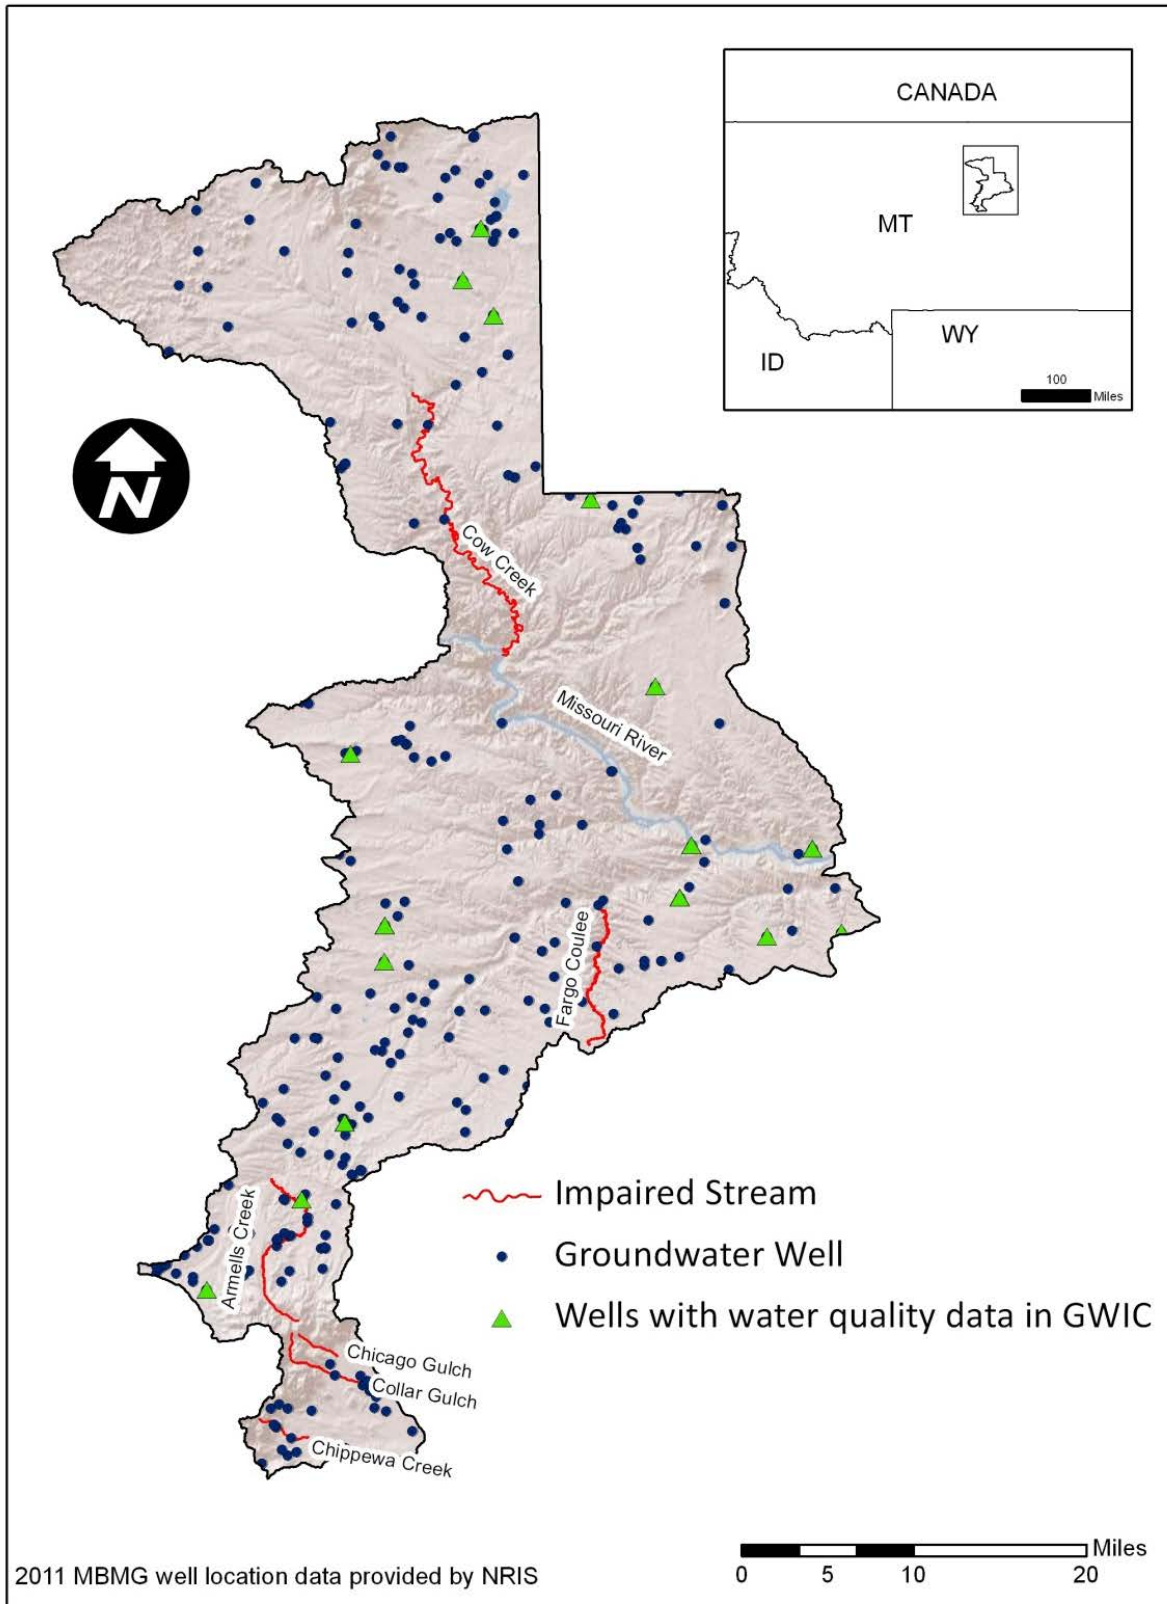

Figure A-8. Location of all wells, including those with water quality data based on the GWIC database.

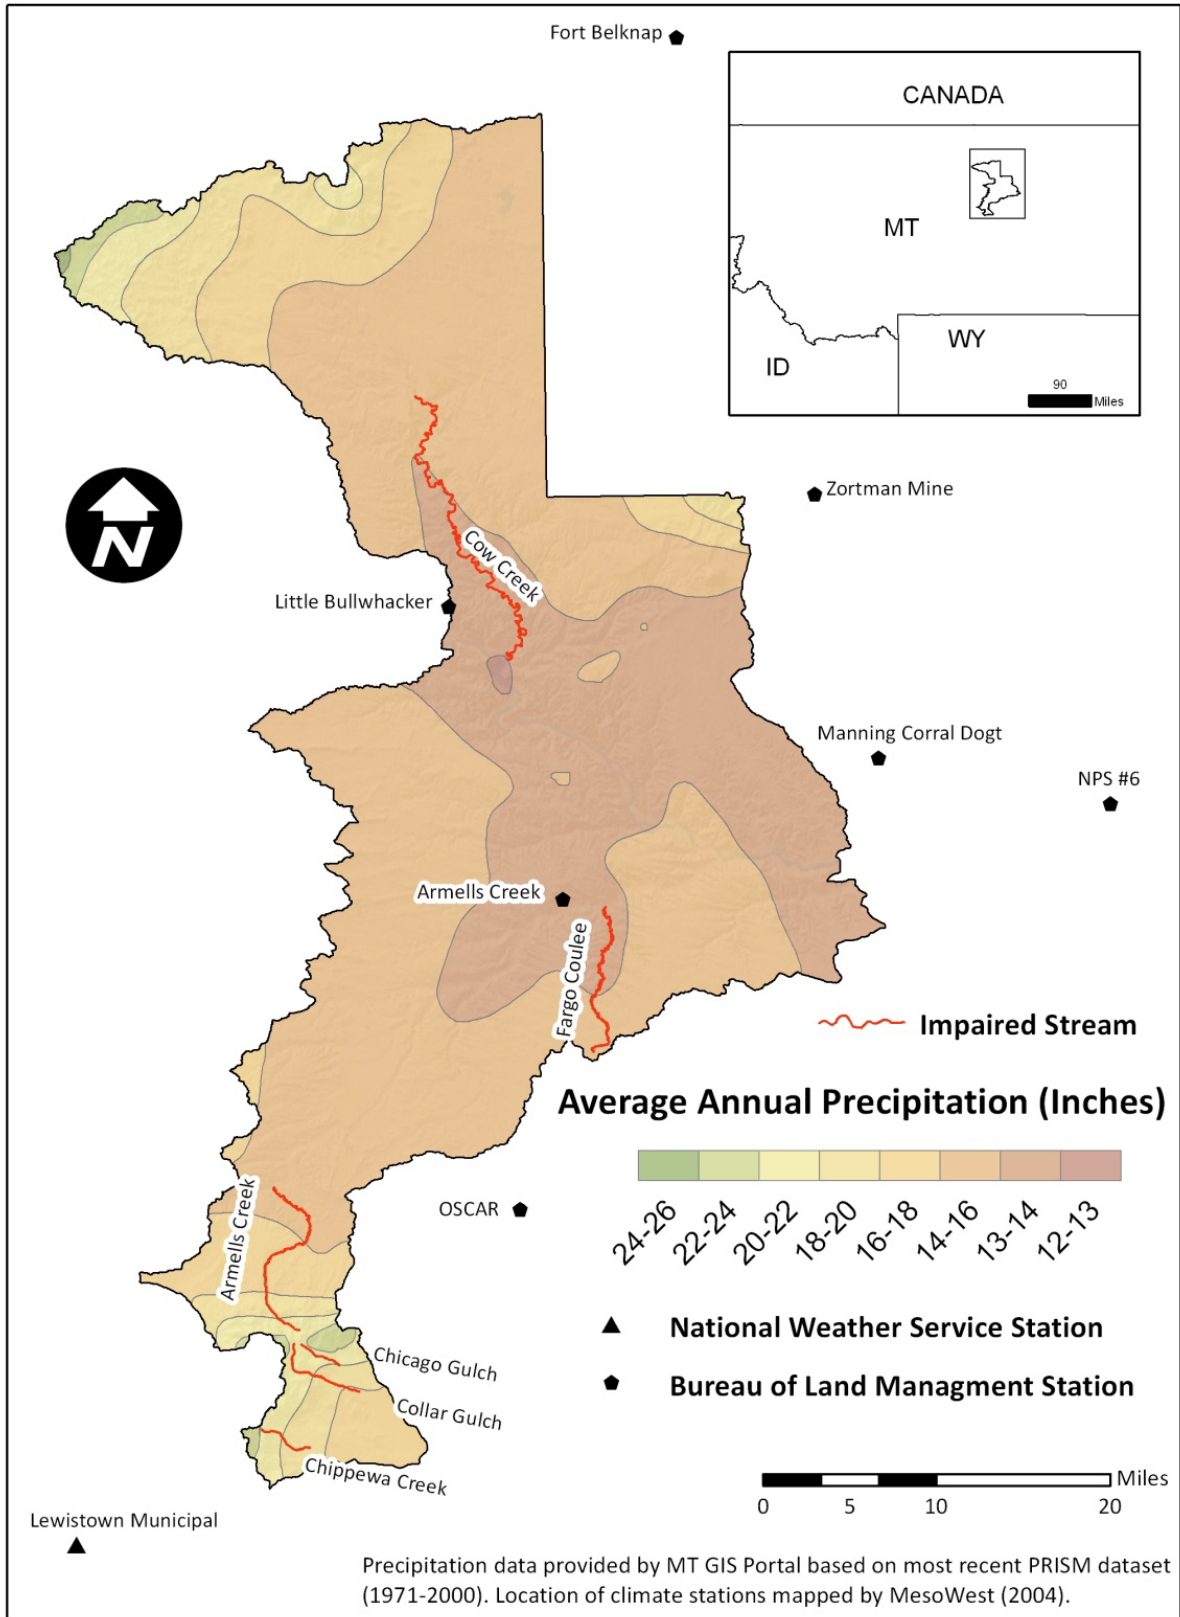

Figure A-9. Distribution of average annual precipitation within the Judith Mountains Project Area.

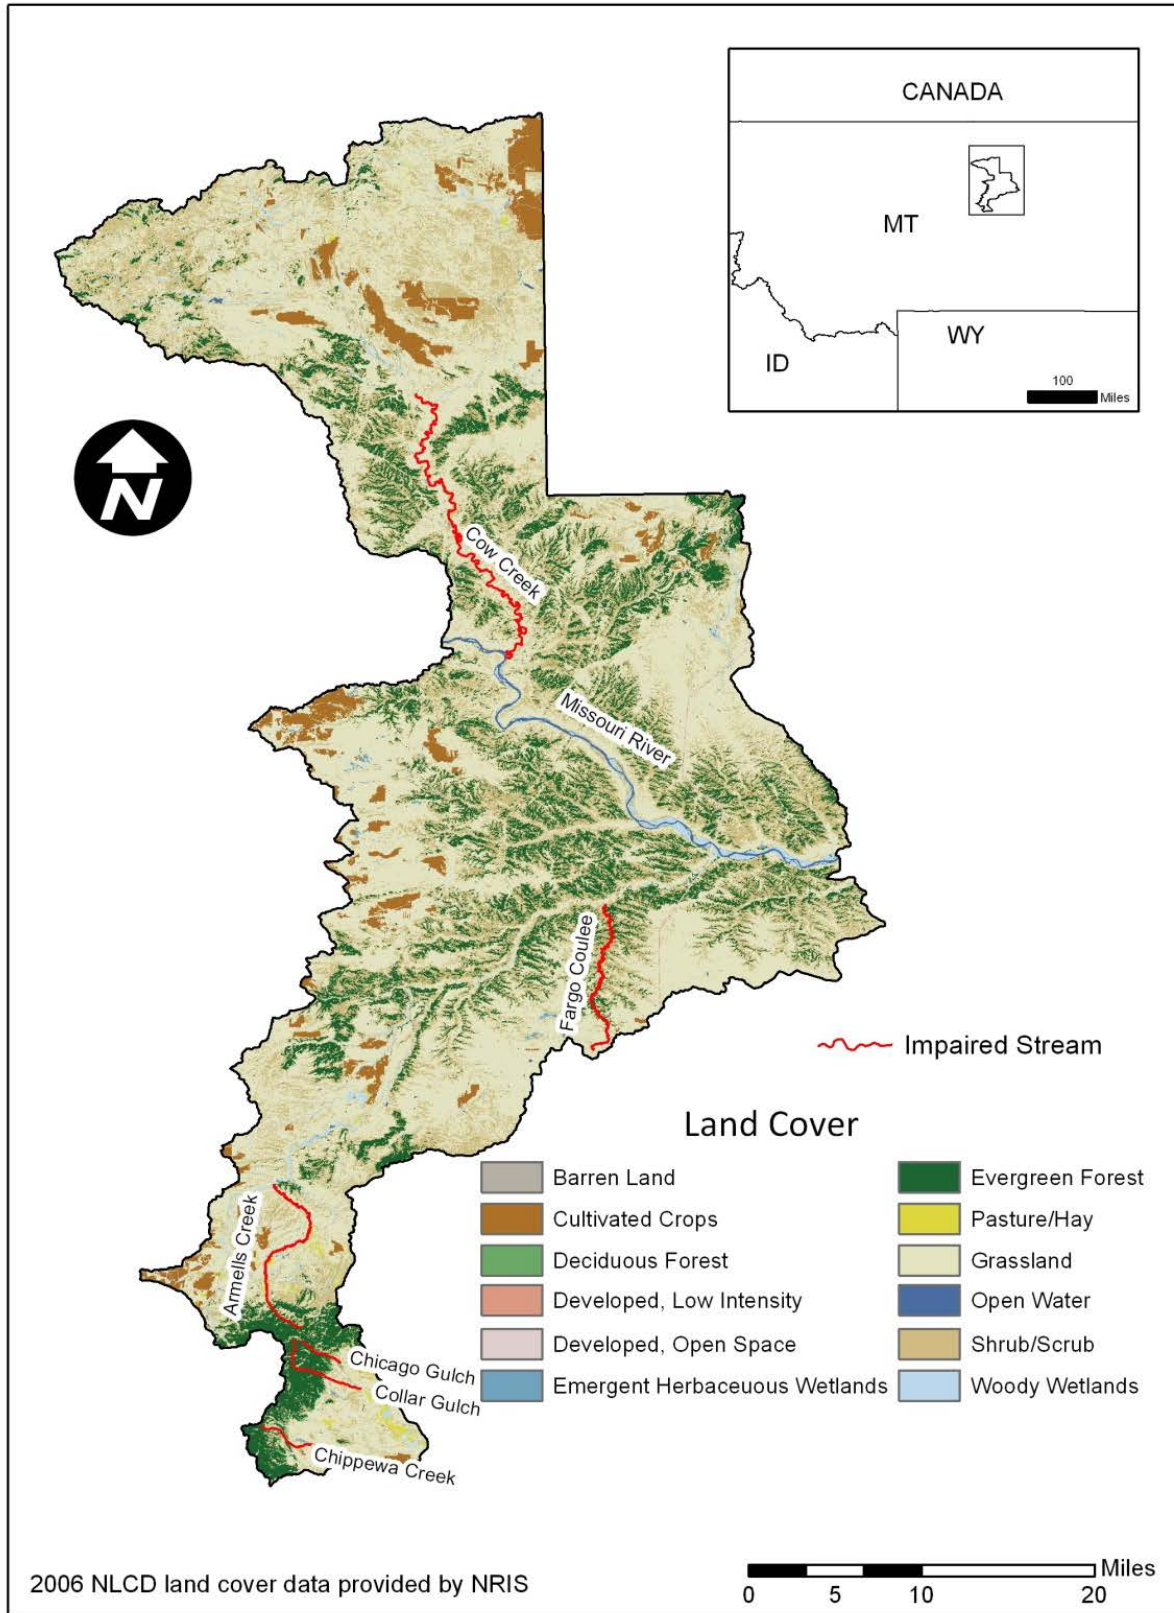

Figure A-10. NLCD Land cover distribution within the Judith Mountains Project Area

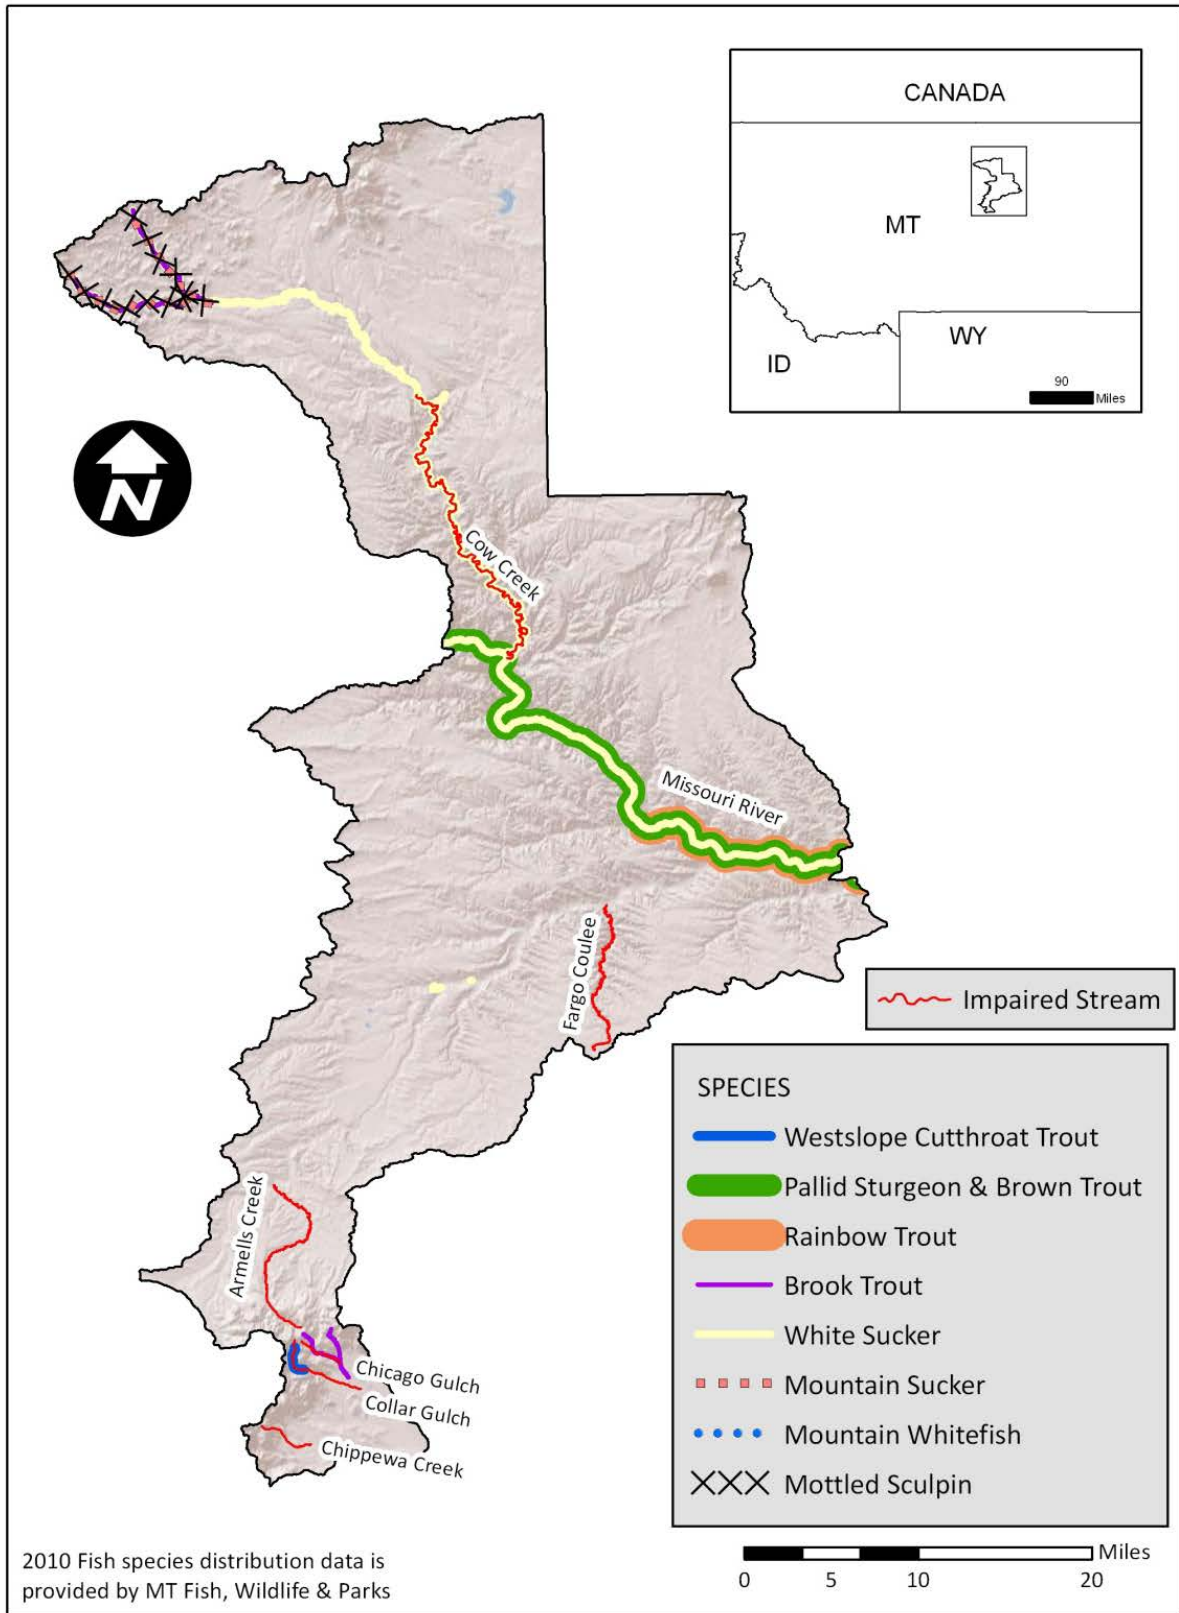

Figure A-11. Fish species distribution within the Judith Mountains Project Area.

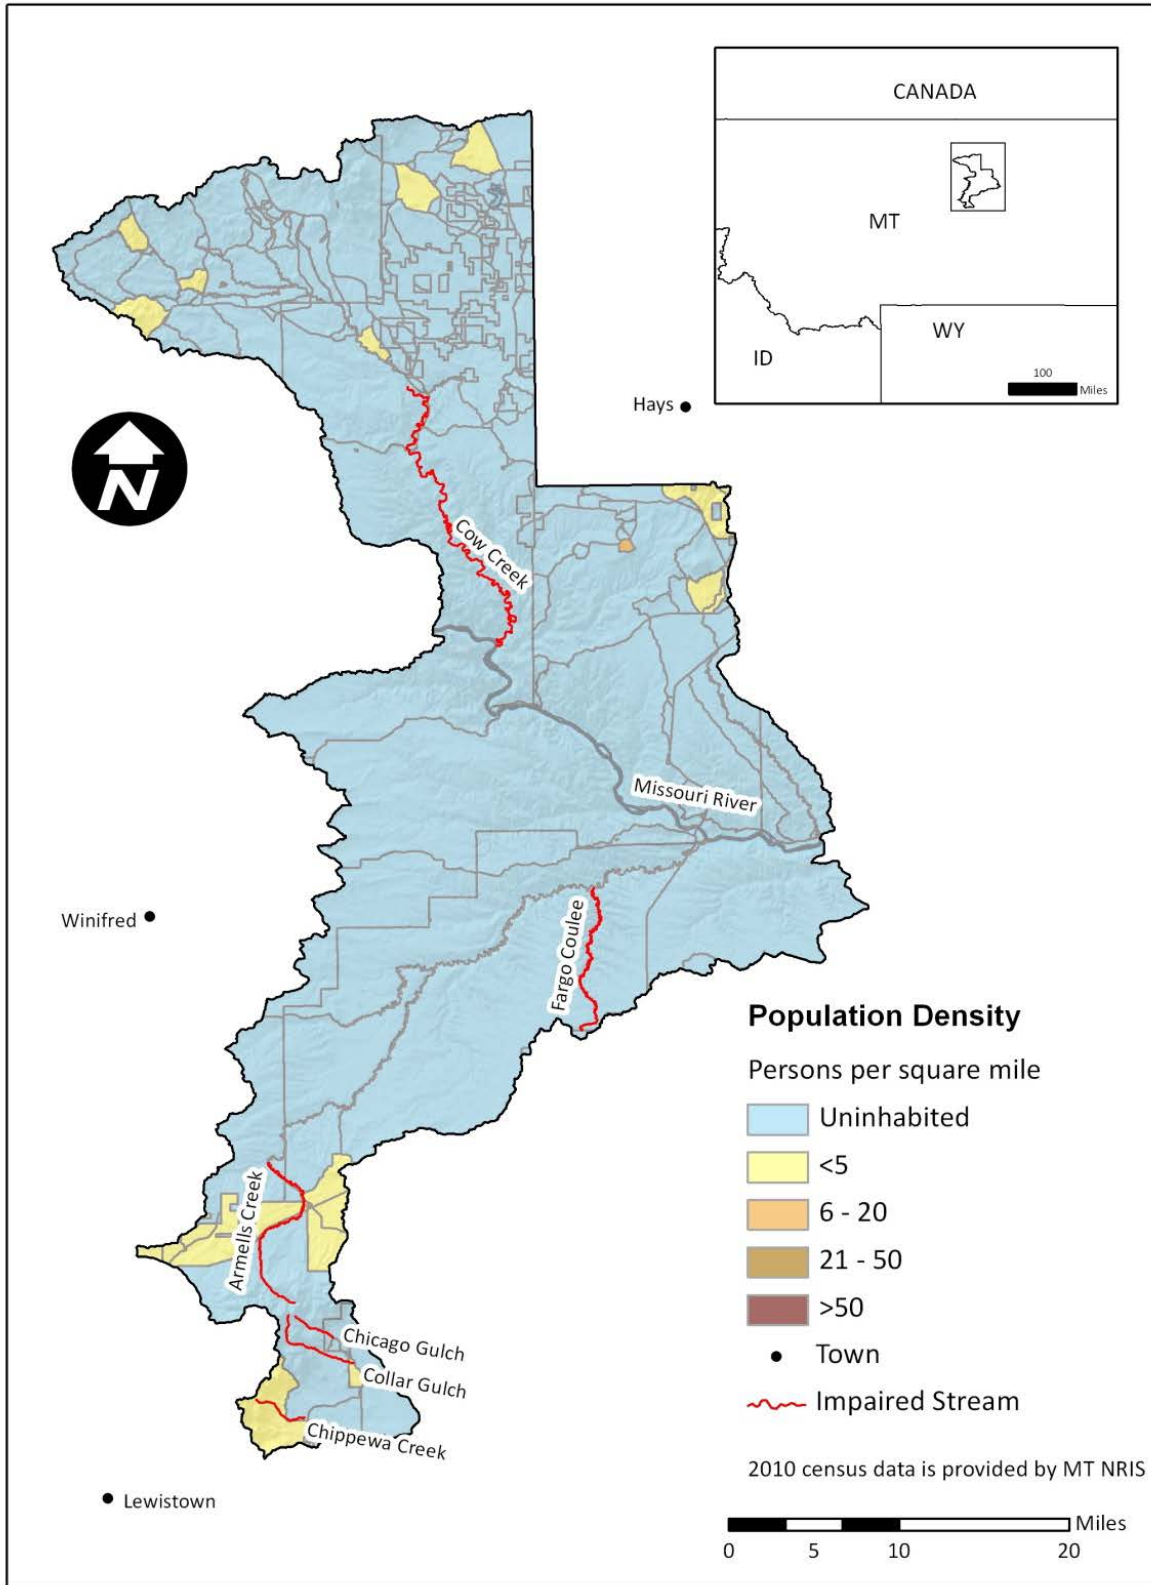

Figure A-12. Population density within the Judith Mountains Project Area.

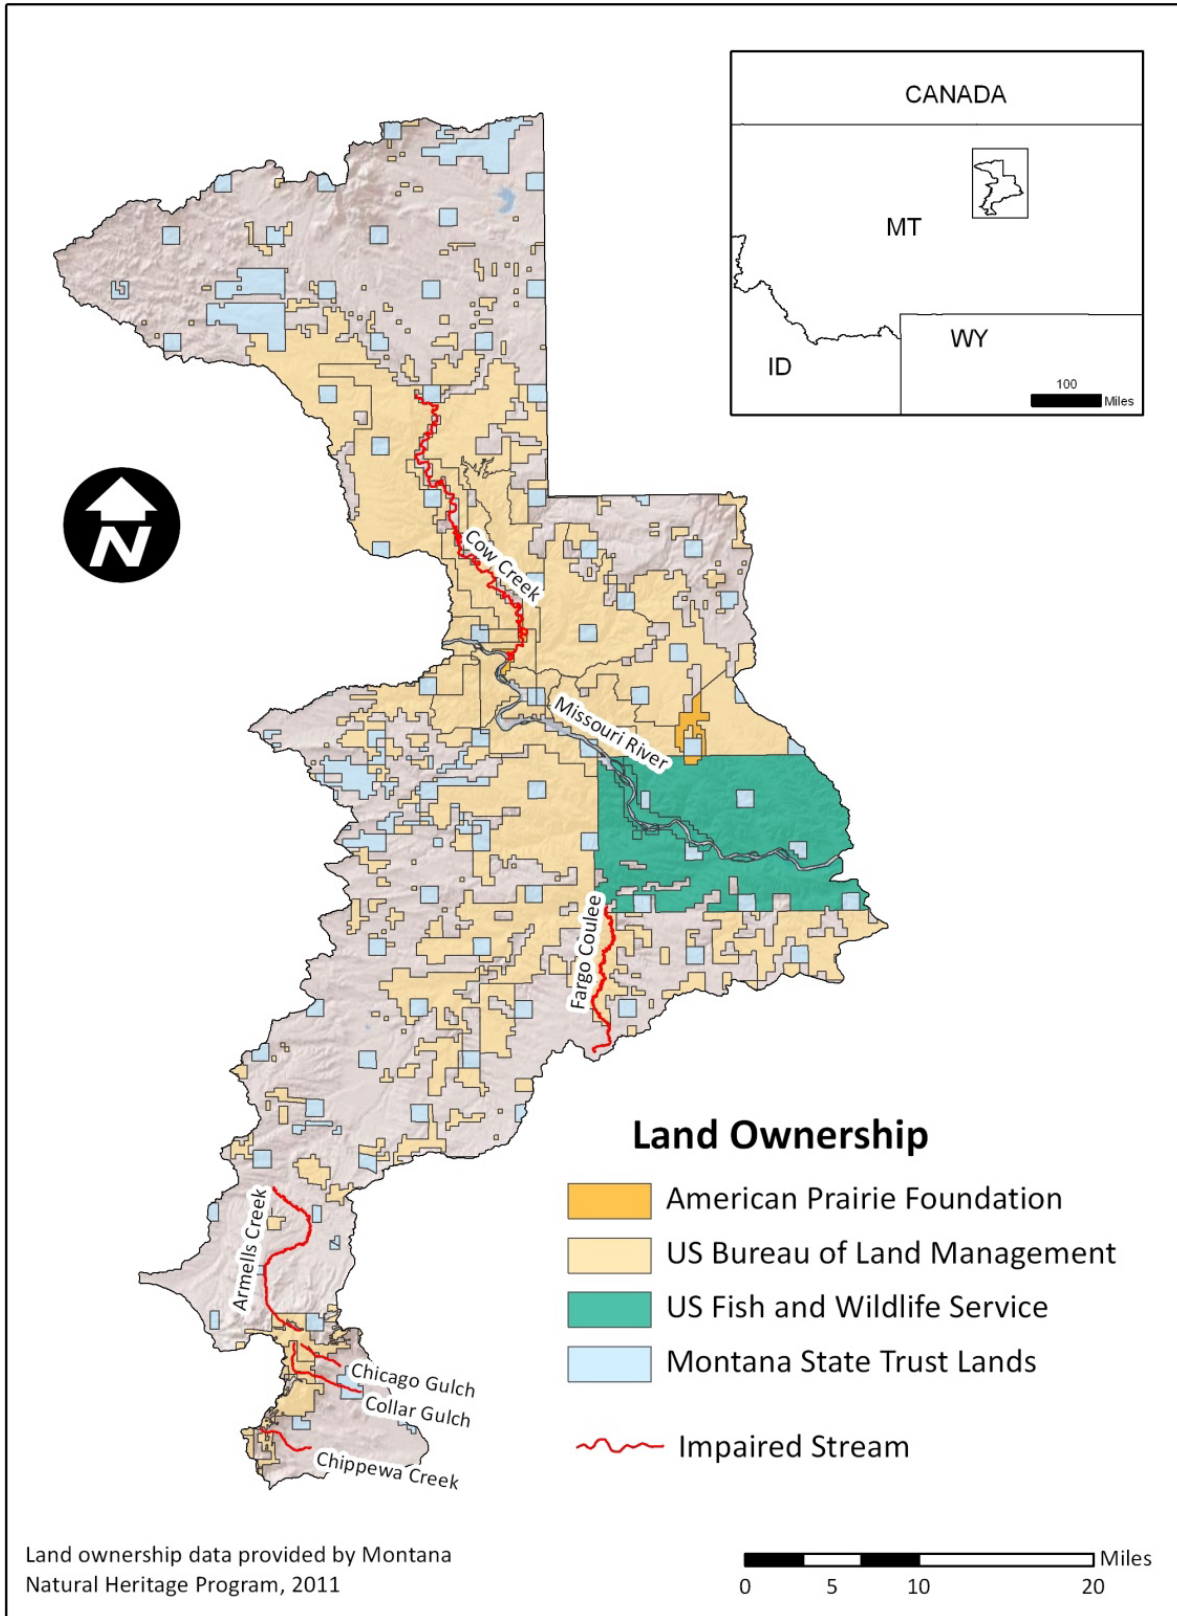

Figure A-13. Land ownership within the Judith Mountains Project Area.

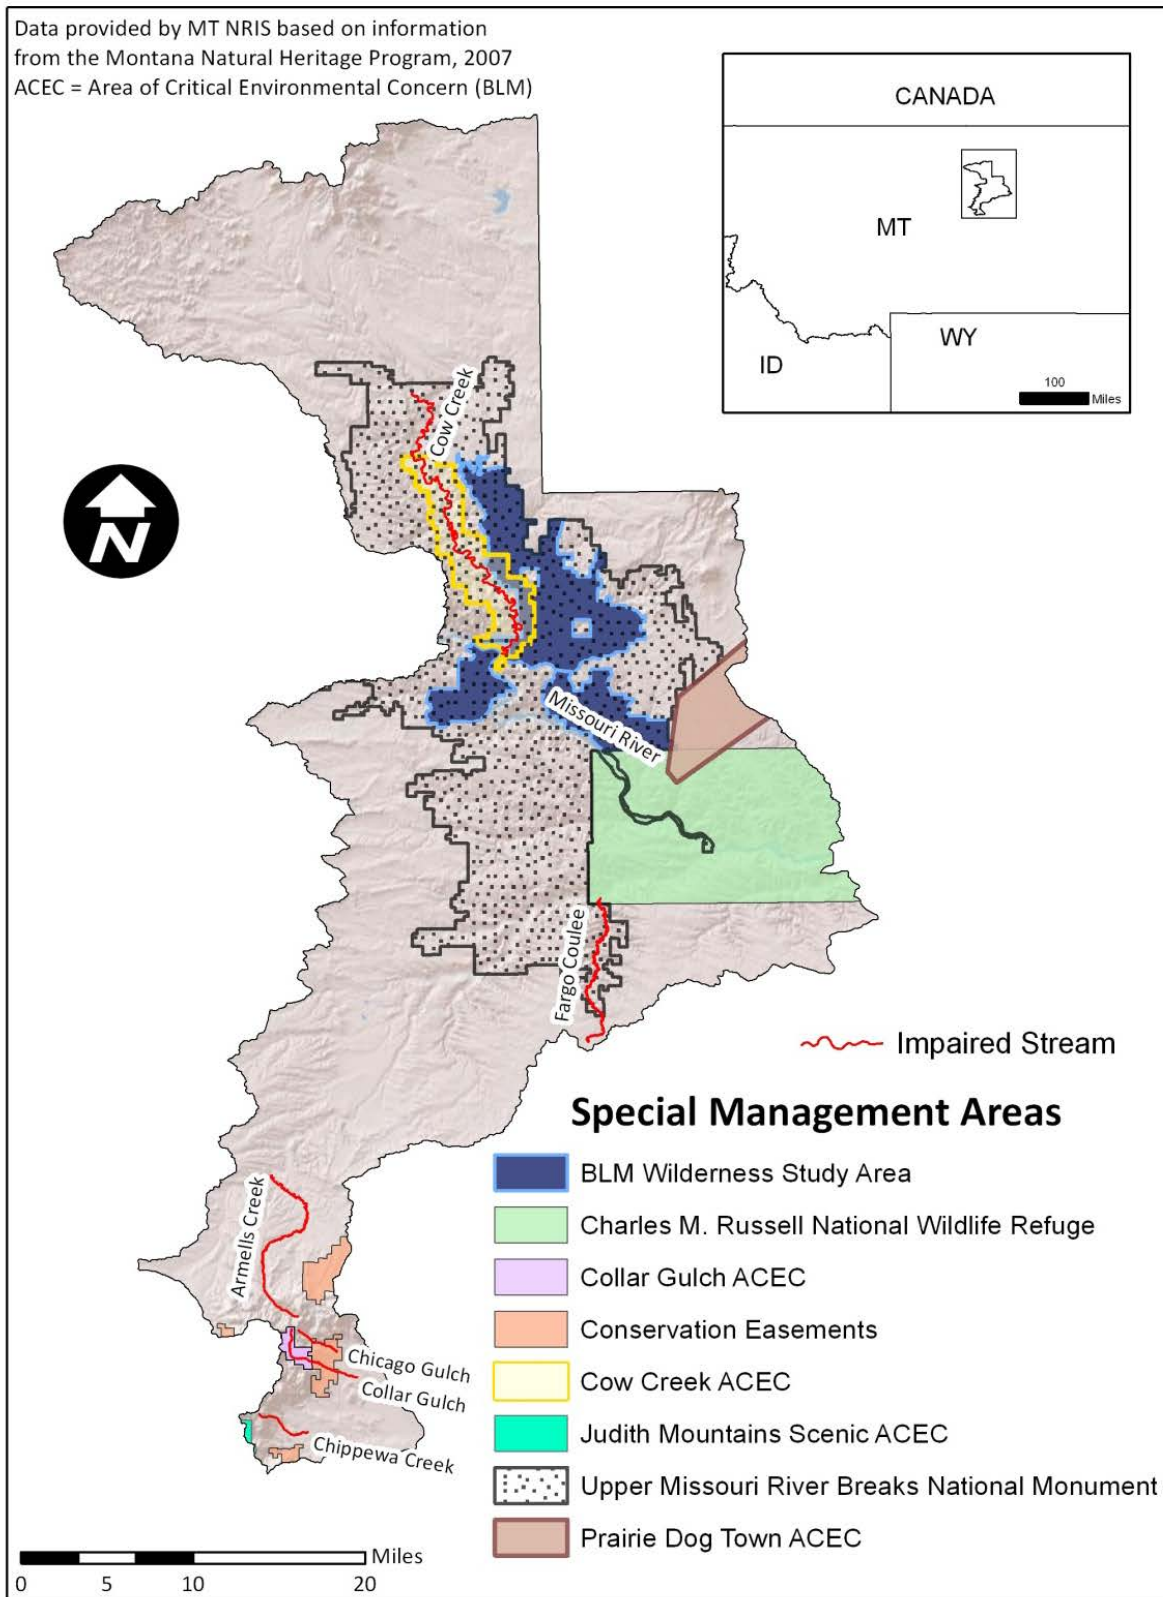

Figure A-14. Special Management Areas in the Judith Mountains Project Area.
