3. Contested Cases not assigned to a Hearing Examiner

a. In the matter of the notice of appeal and request for hearing by Western Energy Company (WECO) regarding its MPDES Permit No. MT0023965 issued for WECO’s Rosebud Mine in Colstrip, BER 2012-12 WQ. The permit appeal is stayed pending judicial review. On September 10, 2019, the Montana Supreme Court issued its opinion reversing the First Judicial District Court in Montana Environmental Information Center and Sierra Club v. Montana DEQ and Western Energy Company. The Montana Supreme Court reversed the District Court on decisions of law and determined that DEQ properly interpreted rules implementing the Montana Water Quality Act (specifically ARM 17.30.637(4)). In so doing, the Court recognized that DEQ has the flexibility to exempt ephemeral waters from the water quality standards applicable to Class C-3 waters without the Board of Environmental Review reclassifying the waters. The Court also determined that DEQ lawfully permitted representative sampling of outfalls under Western Energy Company’s MPDES permit. The Montana Supreme Court remanded the case back to District Court for further proceedings to determine certain issues of material fact, specifically whether DEQ acted properly in regard to a stretch of East Fork Armells Creek that is potentially impaired and intermittent, whether it is necessary for DEQ to adopt a TMDL for impaired segments of East Fork Armells Creek, and whether the representative monitoring selected by DEQ is factually supported. The parties are proceeding in accordance with the scheduling order entered by the First Judicial District Court on remand.

b. New Contested Cases

1. In the matter of notice and appeal by Woodrock, Inc., regarding permit suspension order of Opencut Mining Permit No. 2677, Stipek Site, Dawson County, MT BER 2020-02 OC. The case was stayed pending a Montana Supreme Court decision, which was issued in September 2019. That motion was granted on April 28, 2020 and the case was stayed until July 24, 2020. The parties filed a Joint Motion to Continue Stay on July 24, 2020 and September 9, 2020, which was granted on July 29, 2020 and September 9, 2020.
