4. Update on Libby Liaison Position

Jenny Chambers, DEQ, reviewed the Job Description and Recruitment Strategy for the Libby Liaison position (available at deq.mt.gov/DEQAdmin/dir/libby/SATeam)

- Job description is final and has been classified.
- Pay Range is \$51,223 to \$64,209 straight salary plus State of Montana benefit package.

Team members discussed locations where the job announcement could be posted in addition to the State of Montana hiring portal (Taleo), with the intent of broadening the search to find the right candidate. Ideas of additional places the job announcement could be posted were:

- Northern Idaho
- Spokane market
- NEMA
- Professional Recruiting Agencies
- EPA Denver
- Libby Job Service
- Indeed
- Monster.com
- Craigslist
- LinkedIn

The Team discussed the possibility of paying travel expenses for the top one or two candidates to see the area and meet the Advisory Team. Jenny Chambers reported that there should be funds available for recruitment-related travel. An action item was set to provide an update on the budget at the next meeting, and to clarify the availability of funds for recruitment-related travel.

The Team set January 2018 as the goal for having the recruitment strategy finalized and the job announcement posted.

a. Scope and supervision of position

Commissioner Peck presented some thoughts on the scope and supervision of the liaison position:

- Do not need just another technician
- Technical expertise and ability to process scientific information
- Effectively establish working relationships with diverse players

- Help bridge and balance divergent interests
- Communicate when going in different directions, ability to make sure all are on the same page
- Build strong working relationships
- Report to DEQ director or deputy director
 - Director Livers stated that a decision has not yet been made, but agreed that, because of the unique nature of the position, the liaison should report at the director, deputy director, or division administrator level.
- Mindful that the position serves DEQ, Lincoln County, and the community
- Adhere to CERCLA
- Keep everyone talking openly with each other

5. Public Comment

No public comment was received.

6. Discussion and Next Steps

a. Date of next meeting

A Doodle Poll will be sent out for next meeting, to be held in Libby and scheduled for mid-February or March. This meeting will be held at 6 p.m.

b. Summary of action items

- Update on annual budget and confirm availability of funds for recruitment
- Lincoln County Institutional Control Committee is moving ahead and update at next meeting would be timely.
 - Community concerns about long-term funding for material left behind
 - Policy statement being rolled out by Lincoln County Committee
 - City County Board of Health fundamental principles have been identified and no cost to property owners for asbestos cleanup
 - Should be a final document in January 2018
- Possible topics for next meeting
 - Update on Recruitment
 - Budget overview
 - Redevelopment meeting on reorganizing Port Authority, OU5
 - Institutional Control Committee update
