Compliance and oversight inspectors shall also verify that testing, monitoring, and recordkeeping are being performed as required.

(5) The requirements of this subchapter do not prohibit the employment by a licensed installer of any assistants, helpers, or apprentices who have not been issued their own installer license to work at any installation or closure site so long as the licensed installer is physically present at the installation or closure throughout the entirety of the project and personally exercises supervisory control over those unlicensed persons.

(5) The department shall notify a licensee of the impending expiration of the license at least 60 days prior to the expiration date of the license. The licensee shall keep the department informed of the licensee's current address for notification purposes. Failure of the department to notify the licensee does not affect the expiration of the license.

(6) A licensee, whose license has expired or who wants to change license categories, is subject to the same licensing requirements as a new applicant, including payment of the license application and examination fees and the satisfactory completion of the written licensing examination. (History: 75-11-204, MCA; IMP, 75-11-204, 75-11-210, 75-11-211, 75-11-509, MCA; NEW, 1990 MAR p. 1827, Eff. 10/1/90; AMD, 1994 MAR p. 2744, Eff. 10/14/94; TRANS, from DHES, 1995 MAR p. 2259; AMD & TRANS, 2000 MAR p. 969, Eff. 4/14/00; AMD, 2009 MAR p. 2247, Eff. 11/26/09; AMD, 2016 MAR p. 1694, Eff. 9/24/16.)
