- Upcycling
- Alternative Transportation
- Energy Efficiency
- Renewable Energy
- Indoor Air Quality
- Sustainable Agriculture
- Living Classroom
- Industrial Process/Public Infrastructure

Additional Bonus Challenge can be selected if your school has chosen a project from above (You DO NOT need to fill out a registration form for the new name and logo challenge)

- SMART Schools new name and logo challenge

2. Please check the box if you would like to receive a mentor from DEQ that is an expert in your project topic

## Project Reporting

Mid Challenge Progress Meeting (via Zoom) by March 1st-5th, 2021:

1. A mid-challenge progress meeting is required for project reporting. The progress meeting will be held virtually via Zoom. You and your students participating in the project are required to attend this meeting with the DEQ Program Manager. The meeting date and time is TBD. How will you and your students attend this Zoom virtual meeting? Do you see any challenges that would prevent you from meeting virtually with DEQ staff?

Final Report-Video Presentation due by May 10, 2021:

2. Final Reports must be a student driven video presentation. Will this be a challenge for you and your students? If yes, please explain:

## Participating Students and Staff:

Number of participating students: \_\_\_\_\_

Number of participating faculty/staff: \_\_\_\_\_
