November 30, 2012

Mr. Chris Yde
Coal & Uranium Program Supervisor
Department of Environmental Quality
P.O. Box 200901
Helena, MT 59620-0901

Permit ID: C1993017
Revision Type: Amendment
Permitting Action: Response
Subject: **First Round Completeness Response; Amendment 3**

Dear Mr. Yde,

In response to the Department's November 29th Completeness Deficiency, Signal Peak Energy is submitting the following permit materials:

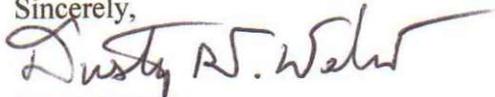

- **Proposed Newspaper Notice_Amend 3_20121130.pdf**
- **Proposed Newspaper Notice_no fractional acreage_Amend 3_20121130.pdf**
- **Highlighted Table of Contents_Amend 3_20121130.pdf**

Additionally, SPE is submitting the attached two permit documents to be included in Amendment 3 application:

- **Exhibit 303-11_State Coal Lease C-1117-12_Amend 3_20121130.pdf**
-to be added as a new attachment in Vol 1→Legal & Financial→Exhibits 301-303
- **F.) DNRC 6214_Amend 3_20121130.pdf**
-to replace existing *F.)DNRC 6214.pdf* in Vol 1→Legal & Financial→303 Appendices→Appendix 303-3→

In SPE's "Permit Renewal" public notice, the Department requested fractional acreages be dropped from the public notice legal description; so I have provided both options in this submittal and am just requesting approval to publish one or the other. Please contact me if you have any questions or concerns.

Sincerely,

Dusty R. Weber
Permitting Manager
