RE: August – September 2019 Progress Report
Stimson Lumber Company, Bonner Cooling Pond Removal Project
Administrative Order on Consent, Docket No. SF-10-0001

Messrs. Large and Martin:

Pursuant to Section 81A of the referenced Administrative Order on Consent (AOC), this letter is submitted on behalf of Stimson Lumber Company as a monthly progress report for the preceding period of August through September of 2019.

Remediation: Remediation is presumed complete – there is nothing to report relative to further remediation.

Monitoring: Stimson has applied to abandon the remediation area wells. DEQ is apparently awaiting input from local authorities.

Repository: Discussions continue with the County regarding potentially removing the on-site repository. Stimson has not yet approved any plans.

There is nothing further to report for this period.

Respectfully Submitted,

STEVEN A. PETRIN
Environmental Manager
