RE: September – October 2019 Progress Report
Stimson Lumber Company, Bonner Cooling Pond Removal Project
Administrative Order on Consent, Docket No. SF-10-0001

Messrs. Large and Martin:

Pursuant to Section 81A of the referenced Administrative Order on Consent (AOC), this letter is submitted on behalf of Stimson Lumber Company as a monthly progress report for the preceding period of September through October of 2019.

Remediation: Remediation is presumed complete – there is nothing to report relative to further remediation.

Repository: Discussions continue with the County regarding potentially removing the on-site repository. A meeting was held with the County, Stimson, and DEQ where DEQ clarified what would be expected to move the project forward. Stimson has not yet approved any plans.

There is nothing further to report for this period.

Respectfully Submitted,

STEVEN A. PETRIN
Environmental Manager
