

Where to Find Webinars

Online seminars or ‘webinars’ are often free and can be very educational. It is worth checking out these websites to request notifications about any webinars.

Association of Plastic Recyclers: www.plasticnews.com

Webinar site (as of April 2016): www.plasticsrecycling.org/markets/web-seminars

Association of Post-Consumer Plastic Recyclers: www.plasticsrecycling.org

EPA Sustainable Materials Management Web Academy:
www.epa.gov/smm/sustainable-materials-management-web-academy

State Electronics Challenge: www.stateelectronicschallenge.net

Northeast Recycling Council: www.nerc.org

The Container Recycling Institute: www.container-recycling.org

Western Sustainability & Pollution Prevention Network: www.wsppn.org

WasteCap Nebraska: <http://www.wastecapne.org/>

Pennsylvania Recycling Markets Center: www.parmc.org

College and University Recycling Coalition (CURC): www.curc3r.org
