

**MONTANA UNDERGROUND STORAGE TANK PROGRAM  
INSTALLER/REMOVER, REMOVER ONLY, CATHODIC  
PROTECTION INSTALLER, JUNIOR INSTALLER, AND  
COMPLIANCE TESTER LICENSE APPLICATION REFERENCE FORM**

**PLEASE TYPE OR PRINT CLEARLY. PLEASE BE SPECIFIC AS TO DATES, LOCATION, AND  
WORK COMPLETED. ATTACH ADDITIONAL DOCUMENTS AS NEEDED.**

This reference form is for \_\_\_\_\_, who is applying for a license to perform work on underground storage tank systems. The applicant is applying for the following license:

- Installer & Remover
- Remover
- Cathodic Protection Installer
- Junior Installer
- Compliance Tester

This reference attests to the above applicant’s professional experience, and competency. I understand that a department issued license will authorize the applicant to be responsible for testing, installation and/or removal of facilities that store liquid petroleum fuel or hazardous chemical products. I recognize that the health and safety of Montana’s people, water supplies, and environment are dependent on licensing only the most competent and conscientious persons for this work. I, therefore, understand my responsibility for completing this form truthfully and accurately.

Reference’s Name: \_\_\_\_\_

Address: \_\_\_\_\_

Phone: (\_\_\_\_) \_\_\_\_\_ Cell Phone: (\_\_\_\_) \_\_\_\_\_

Relationship to applicant (check all that apply):

- Former Employer  Co-worker  Supervisor  Customer  Friend  
 Other (please specify) \_\_\_\_\_

I have known the applicant from \_\_\_\_\_ to \_\_\_\_\_.  
Month/Year Month/Year

I can personally attest to the following work the applicant conducted concerning underground storage tanks, applicants are typically required to conduct UST work at five (5) facility locations:

Underground Storage Tank Facility Name & Address (need not be in Montana)

Date(s) work was conducted:

For **ANY Installer and/or Remover license** the applicant must demonstrate applicable experience for each component of an UST system installation or system closure. An UST “system” is separated into five components (**tanks, piping, spill, overfill and corrosion protection**). The applicant must also demonstrate applicable experience for an UST system closure (**tanks/pipe installations and site assessment**).

For **Cathodic Protection Installer**, the applicant must demonstrate applicable experience for UST systems.

For **Compliance Tester**, the applicant must demonstrate experience with UST system testing.

**Please check the boxes below that apply.**

System Install, CP Install, and Testing

Tanks	Piping	Spill	Overfill	Corrosion Protection

System Closure

Tanks	Piping	Site Assessment

Work was \_\_\_\_\_satisfactory\_\_\_\_\_unsatisfactory

Comments:

I consider the applicant to be qualified for an Underground Storage Tank License.

I do not consider the applicant to be qualified for an Underground Storage Tank License.

Signed: \_\_\_\_\_ Date: \_\_\_\_\_
