GENERAL INFORMATION

Who Must Notify?

Owners of underground tanks that store regulated substances must notify DEQ of the existence of their tanks, unless exempted, per *Title 17, Chapter 56, Subchapter 9, Administrative Rules of Montana (ARM)*.

An "Owner" means –

- a) in the case of a UST in use on or after November 8, 1984, any person who owns an underground storage tank used for storage, use, or dispensing of regulated substances,
- b) in the case a UST in use before November 8, 1984, any person who owned such tank immediately before discontinuation of its use.

What tanks require notification?

- All underground tanks that have been used to store regulated substances since January 1, 1974, and that are in the ground as of May 8, 1986, or that are brought into use after May 8, 1986
- A UST which is in the ground and not properly closed is deemed to be in use and is subject to notification requirements.

Penalties:

Any owner who fails to notify or submits false information is subject to a civil penalty of up to \$10,000.00 per violation per day for each tank for which notification is not given or for which false information is submitted. Criminal penalties may also apply.
