PLEASE NOTE: All operators **MUST** maintain a current license by renewing annually. Annual renewal is required if any bond is being held by DEQ for any project covered by the license, even if no new exploration work is anticipated. Please fill in all applicable spaces on this form – **INCOMPLETE FORMS WILL BE RETURNED.** Once full bond release is granted by DEQ, the operator may allow the license to expire.

PROJECT NAME (1)	LAND STATUS (2)	BOND (3)	PREVIOUS 12-MONTH ACTIVITY (4)

If additional space is needed, append sheets to this form as necessary.

(1) Use project name; if no name, use legal description.

(2) List as follows: F = entire project on federal land; S = entire project on state land; P = entire project on private land; F/S = combination federal & state land; F/P = combination federal & private land; F/S/P = combination federal, state, and private land.

(3) If surety bond, certificate of deposit, or letter of credit, list bond number; if cash bond, please indicate. Also list bond amount.

(4) Use the following: D – drill sites, R – access road (indicate footage), T – trenches (indicate footage), A – adits constructed or reopened, O – other (please specify). EXAMPLE: 14-D, 3000-R, 1400-T, 2-A would indicate that during the previous 12 months, 14 drill sites, 3000 feet of access road, 1400 feet of trench, and 2 exploration adits were constructed.
