Subject: RE: BN Havre March 2020 Groundwater Monitoring Schedule Change

Thank you for the update Jonathan, DEQ has no issues with postponing due to employee safety. Please continue to keep me in the loop.

Thank you, Hannah

Subject: [EXTERNAL] BN Havre March 2020 Groundwater Monitoring Schedule Change

Hi Hannah,

After careful consideration, we have opted to postpone the BN Havre Groundwater Monitoring event due to employee safety, recommended social distancing and the limiting/closing of social services due to the Coronavirus. The Havre groundwater sampling event is a multi-day event which would entail hotel stays and meals at restaurants (many of which are closing due to State and Local guidance), thus presents many challenges in maintaining distance. We will monitor the situation and reschedule the sampling and gauging event once we have further assessed personnel safety and services reopen in Havre.

Please let me know if you have any questions or concerns.

Thanks,

Jonathan Burton, PE | Principal Engineer / Certified Project Manager | jonathan.burton@arcadis.com
