Mr. Johnson,

DEQ agrees with Arcadis/BNSF's rationale for rescheduling the March 2020 groundwater sampling event at the BN Missoula Facility as expressed in your email below. Please keep DEQ informed as the situation evolves and develops.

Sincerely,

Matthew Kent

Subject: [EXTERNAL] Missoula March 2020 Groundwater Monitoring Schedule Change

Good Afternoon Mr. Kent,

After careful consideration, we have opted to postpone the Missoula Groundwater Monitoring event due to employee safety, recommended social distancing and the limiting/closing of social services due to the Coronavirus. The Missoula groundwater sampling event is a multi-day event which would entail hotel stays and meals at restaurants (many of which are closing due to State and Local guidance), thus presents many challenges in maintaining distance. We will monitor the situation and reschedule the sampling and gauging event once we have further assessed personnel safety and services reopen in Missoula.

Please let me know if you have any questions or concerns.

Thanks,

Please note the new office number and address
