

## APPENDIX A - MAPS AND FIGURES

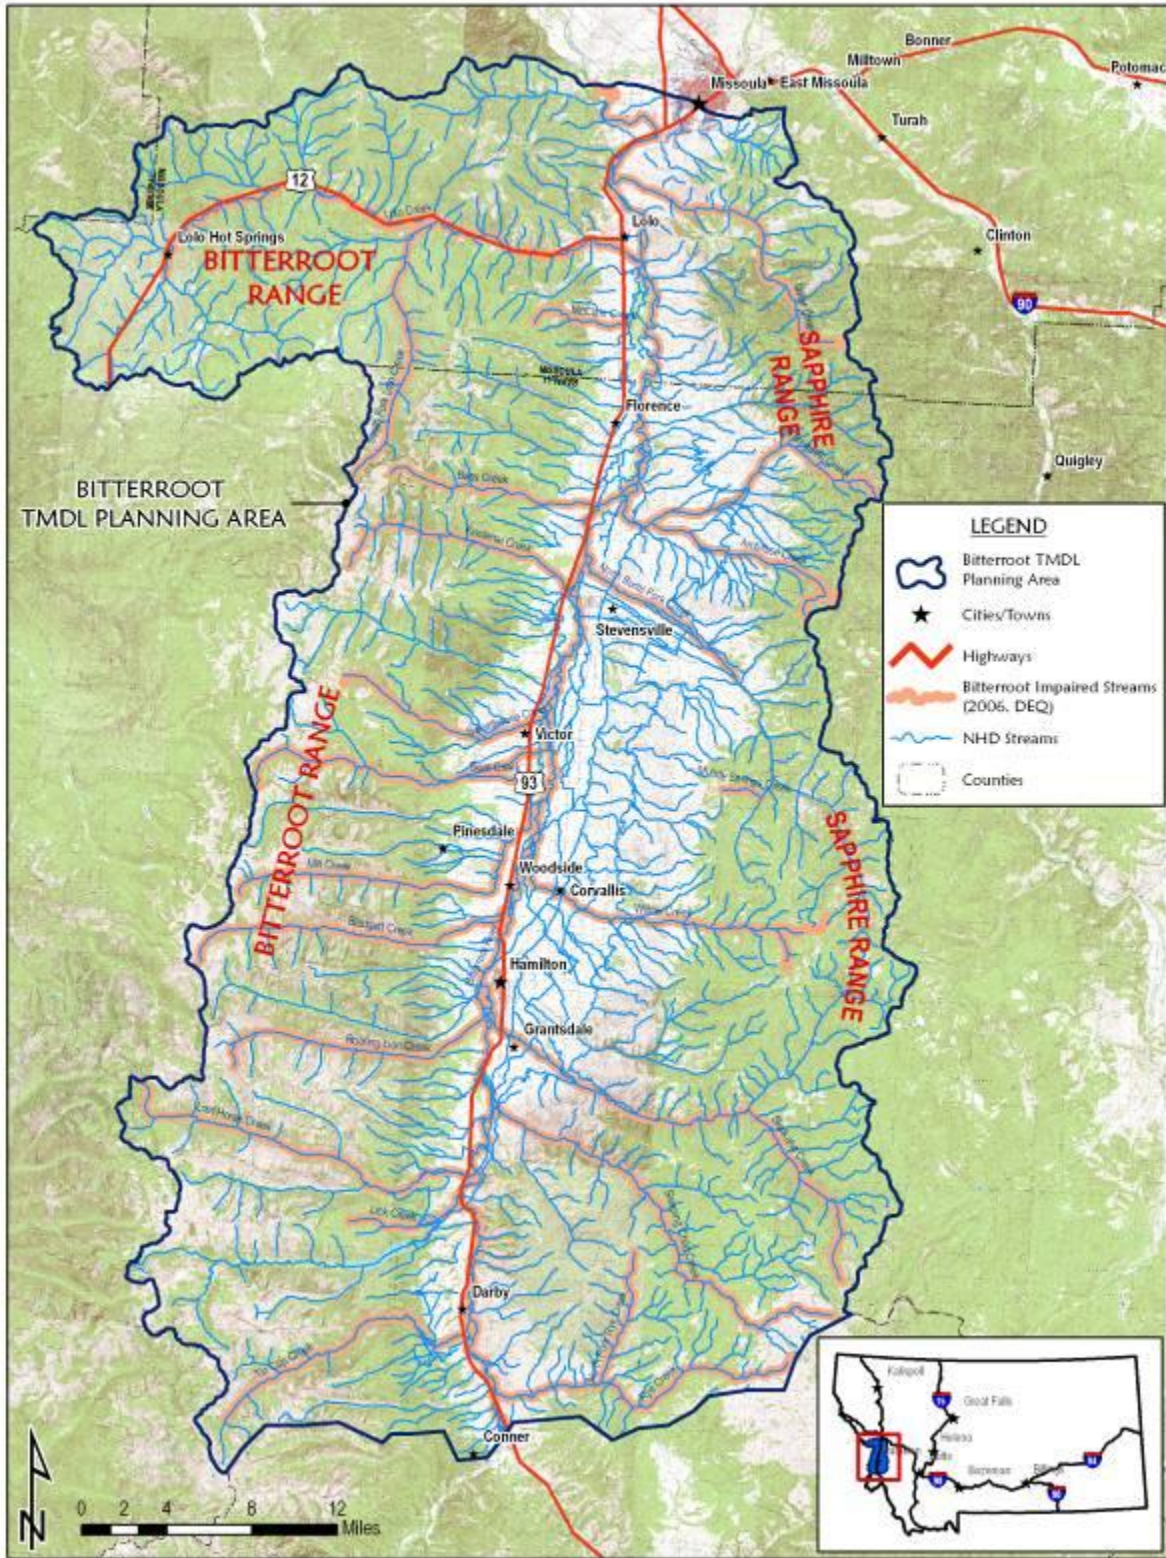

### LIST OF MAPS

Map A-1. Boundary of the Bitterroot TMDL Planning Area and impaired waterbodies within the planning area .....	A-3
Map A-2. Ecoregions within the Bitterroot TMDL Planning Area .....	A-4
Map A-3. Elevations in the Bitterroot TMDL Planning Area .....	A-5
Map A-4. Generalized geology in the Bitterroot TMDL Planning Area .....	A-6
Map A-5. Permeability of soils within the Bitterroot TMDL Planning Area .....	A-7
Map A-6. Erodibility Indices (K Factors) for soils within the Bitterroot TMDL Planning Area .....	A-8
Map A-7. Hydrologic soil groups found in the Bitterroot TMDL Planning Area.....	A-9
Map A-8. Slope ranges found within the Bitterroot TMDL Planning Area .....	A-10
Map A-9. Stream Gages found in the Bitterroot TMDL Planning Area .....	A-11
Map A-10. Wells found in the Bitterroot TMDL Planning Area .....	A-14
Map A-11. Average annual precipitation in the Bitterroot TMDL Planning Area .....	A-15
Map A-12. Types of land cover found in the Bitterroot TMDL Planning Area .....	A-16
Map A-13. Categories of land uses in the Bitterroot TMDL Planning Area .....	A-17
Map A-14. Fish species distribution in the Bitterroot TMDL Planning Area .....	A-18
Map A-15. History of forest fires in the Bitterroot TMDL Planning Area .....	A-19
Map A-16. 2000 Census data for the Bitterroot TMDL Planning Area .....	A-20
Map A-17. Land ownership in the Bitterroot TMDL Planning Area .....	A-21
Map A-18. Surface water diversions and locations of dams in the Bitterroot TMDL Planning Area.....	A-22
Map A-19. Transportation networks in the Bitterroot TMDL Planning Area.....	A-23
Map A-20. Locations of active and abandoned mines in the Bitterroot TMDL Planning Area.....	A-24
Map A-21. Areas where timber harvests have occurred in the Bitterroot TMDL Planning Area .....	A-25
Map A-22. Septic system density and permitted wastewater discharge locations in the Bitterroot TMDL Planning Area .....	A-26
Map A-23. Reached assessed in 2007 to assist with sediment TMDL development.....	A-27
Map A-24. 2004 and 2007 stream temperature monitoring locations in the Bitterroot TPA .....	A-28
Map A-25. Temperature monitoring locations on Miller Creek in 2004 .....	A-29
Map A-26. Riparian health conditions of Miller Creek .....	A-30
Map A-27. Riparian health conditions of Sleeping Child Creek .....	A-31
Map A-28. Riparian health conditions of Willow Creek.....	A-32

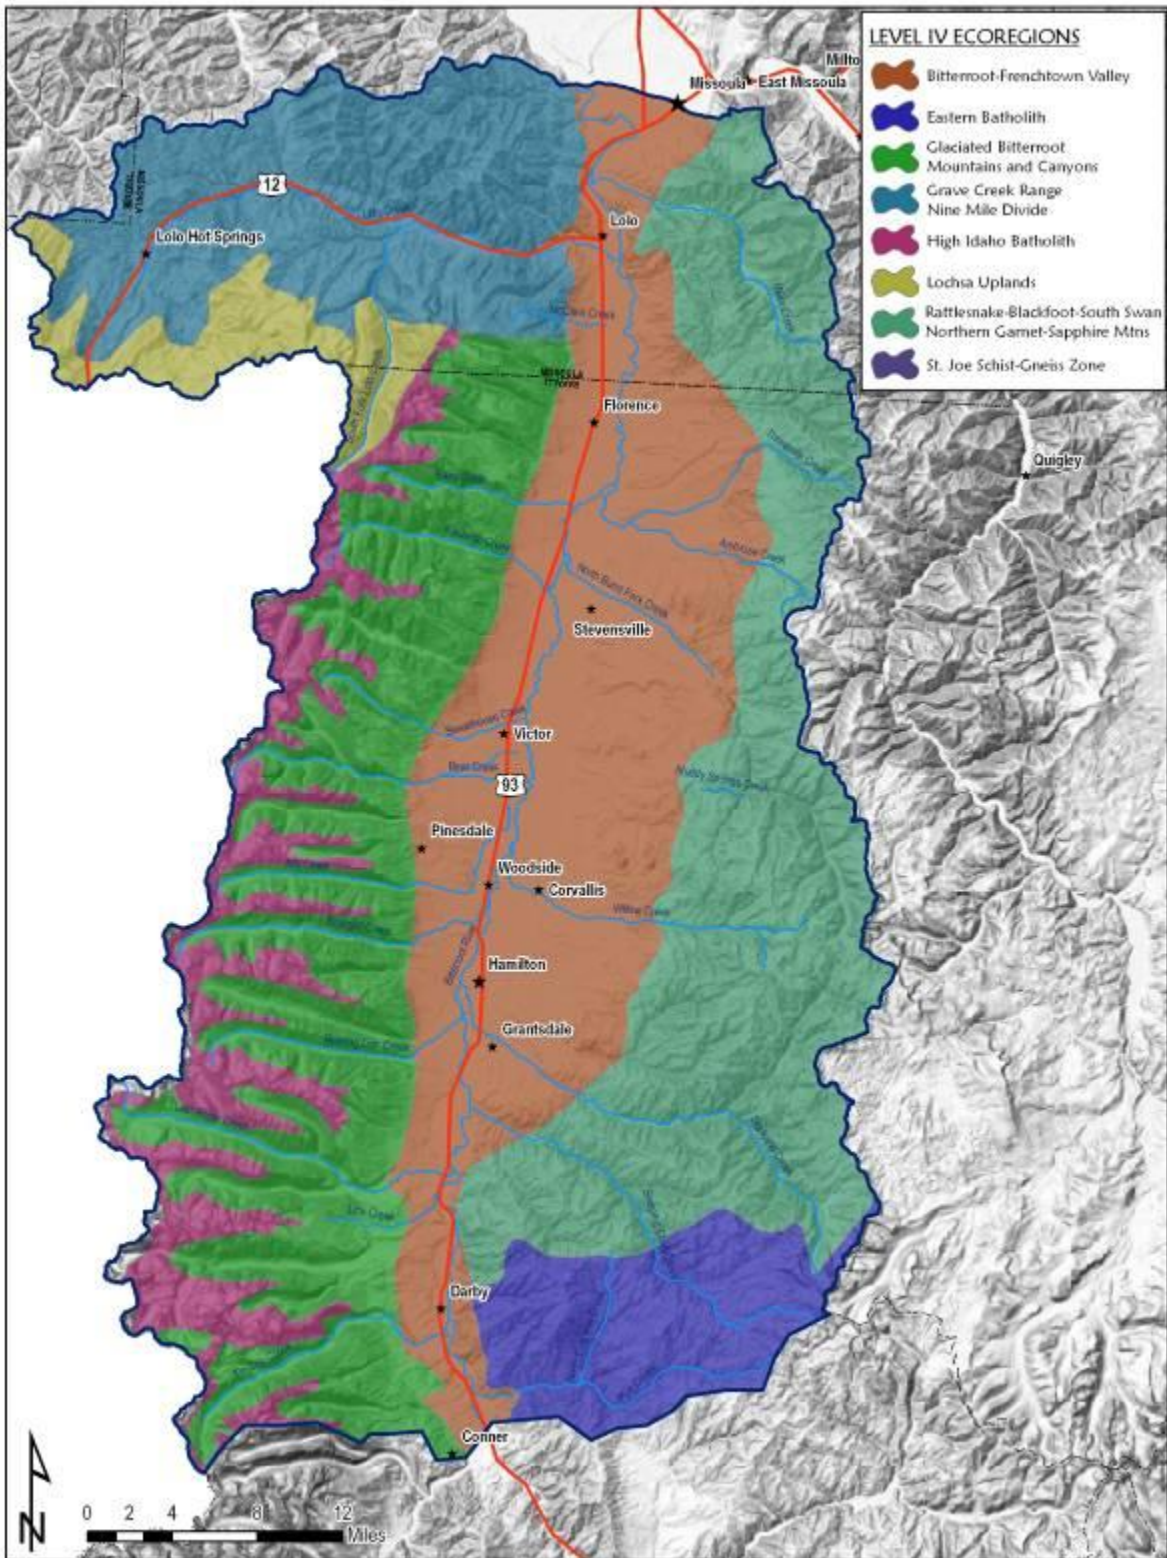

### LIST OF FIGURES

Figure A-1. Bitterroot River annual peak streamflow near Darby, MT.....	A-12
Figure A-2. Seven day average discharge for the Bitterroot River near Darby, MT .....	A-12
Figure A-3. Bitterroot River annual peak streamflow near Missoula, MT .....	A-13
Figure A-4. Seven day average discharge for the Bitterroot River near Missoula, MT.....	A-13

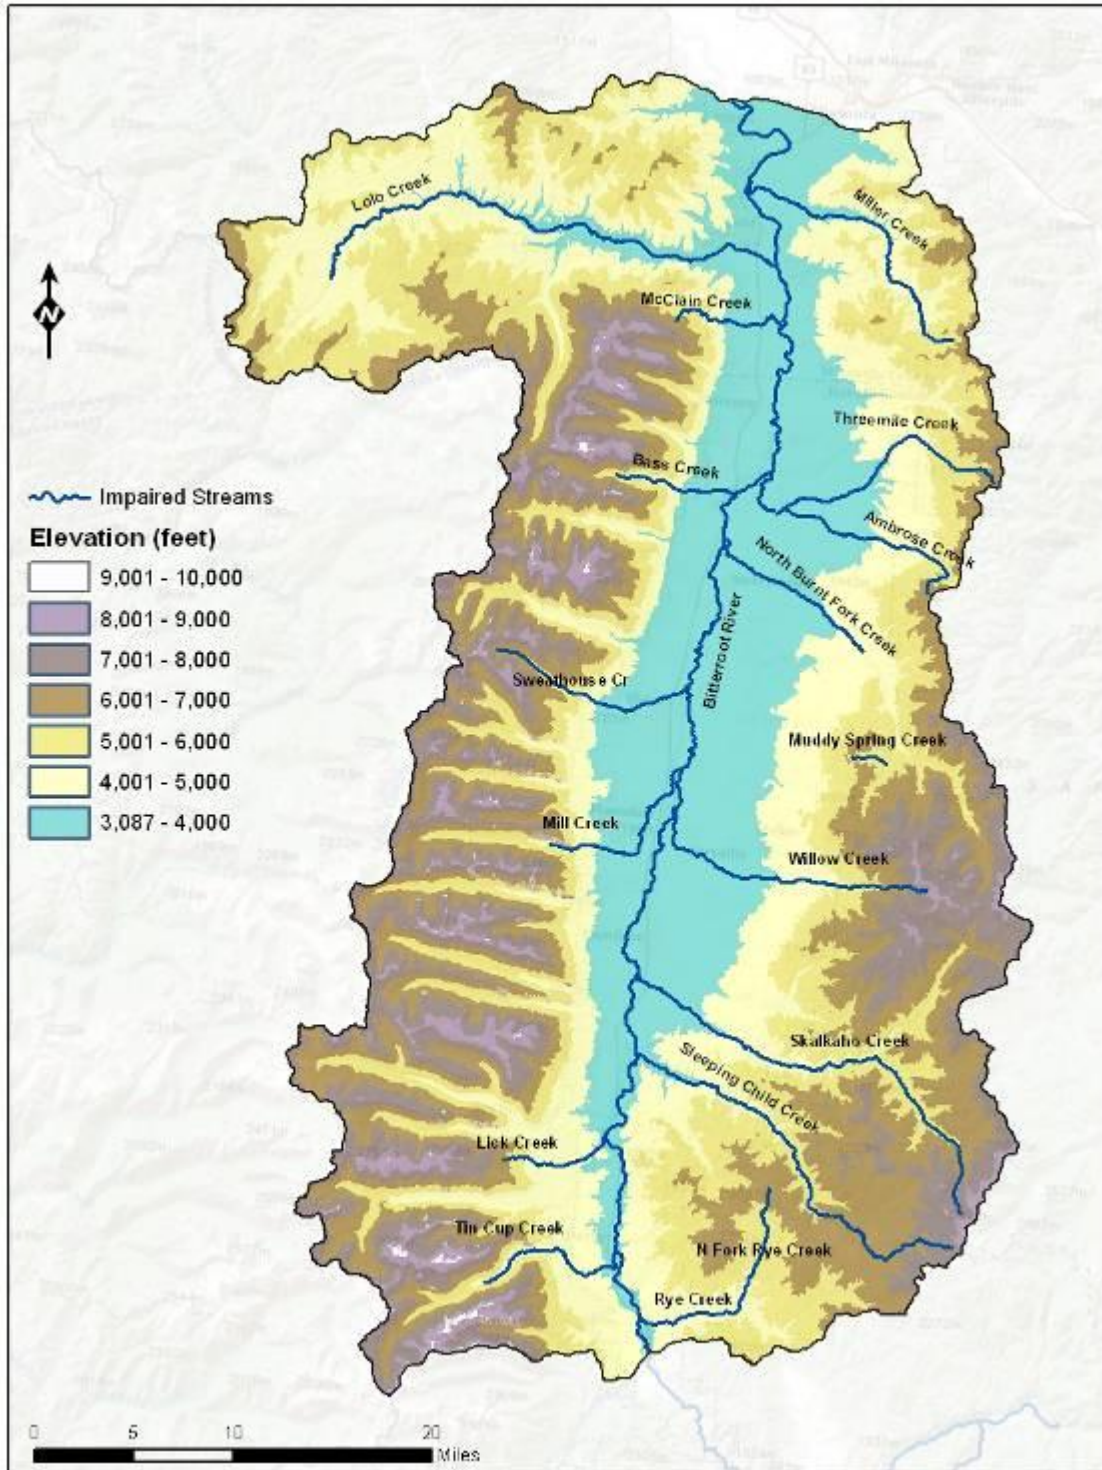

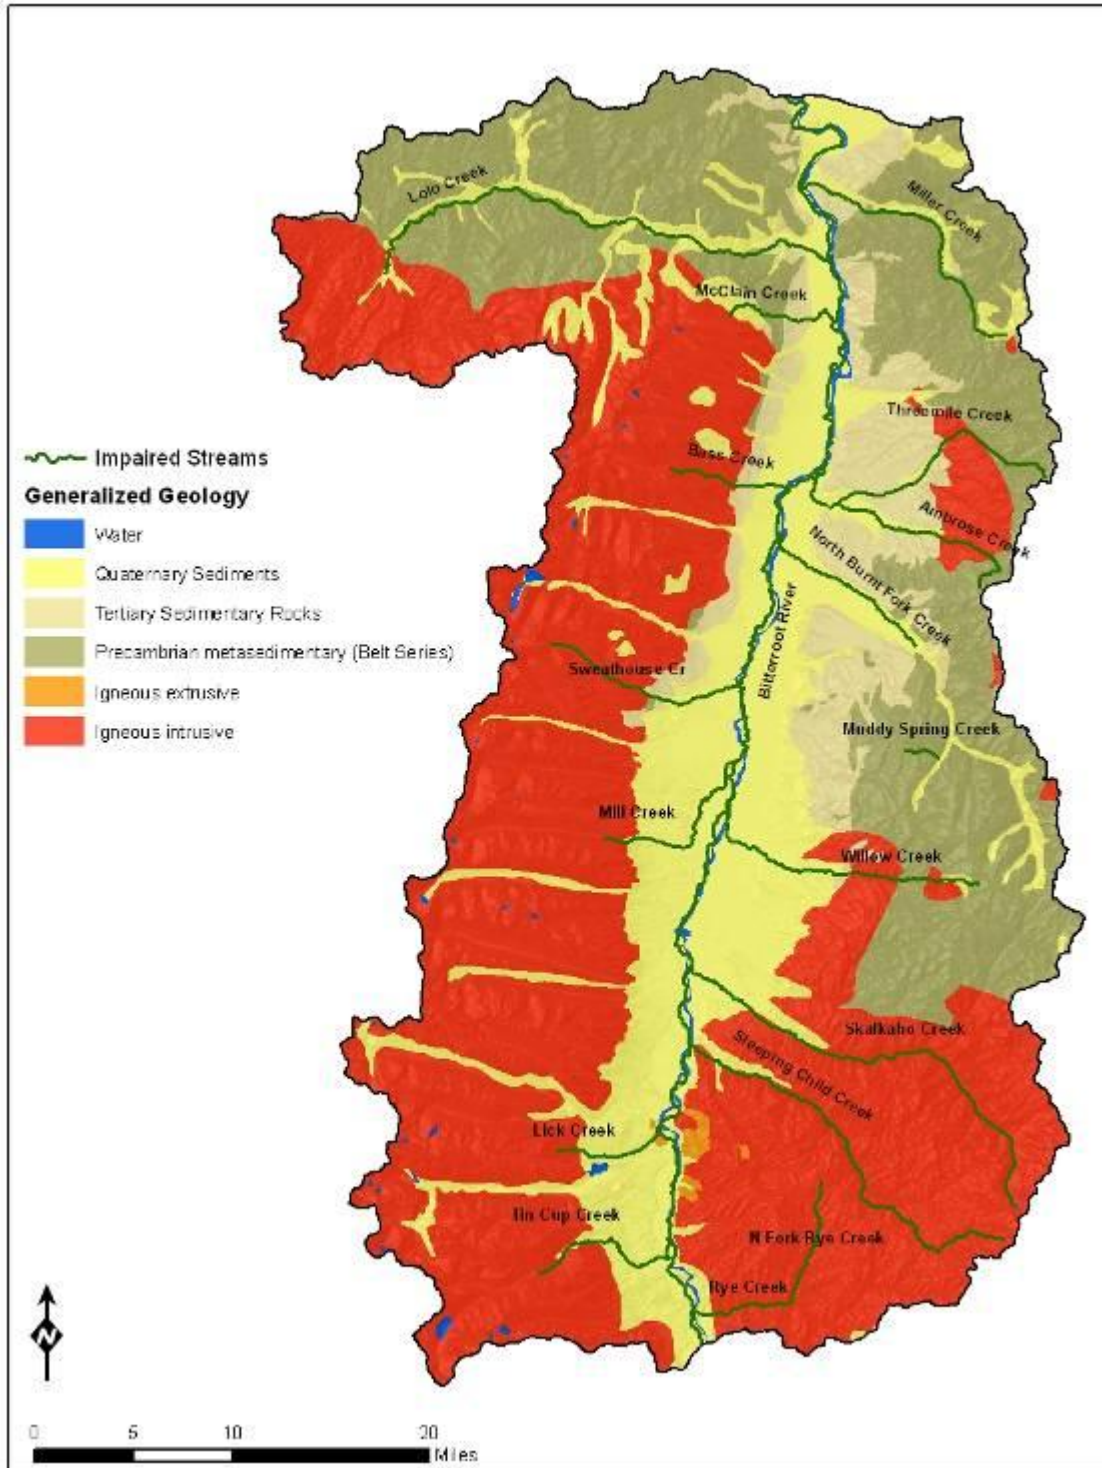

Map A-1. Boundary of the Bitterroot TMDL Planning Area and impaired waterbodies within the planning area

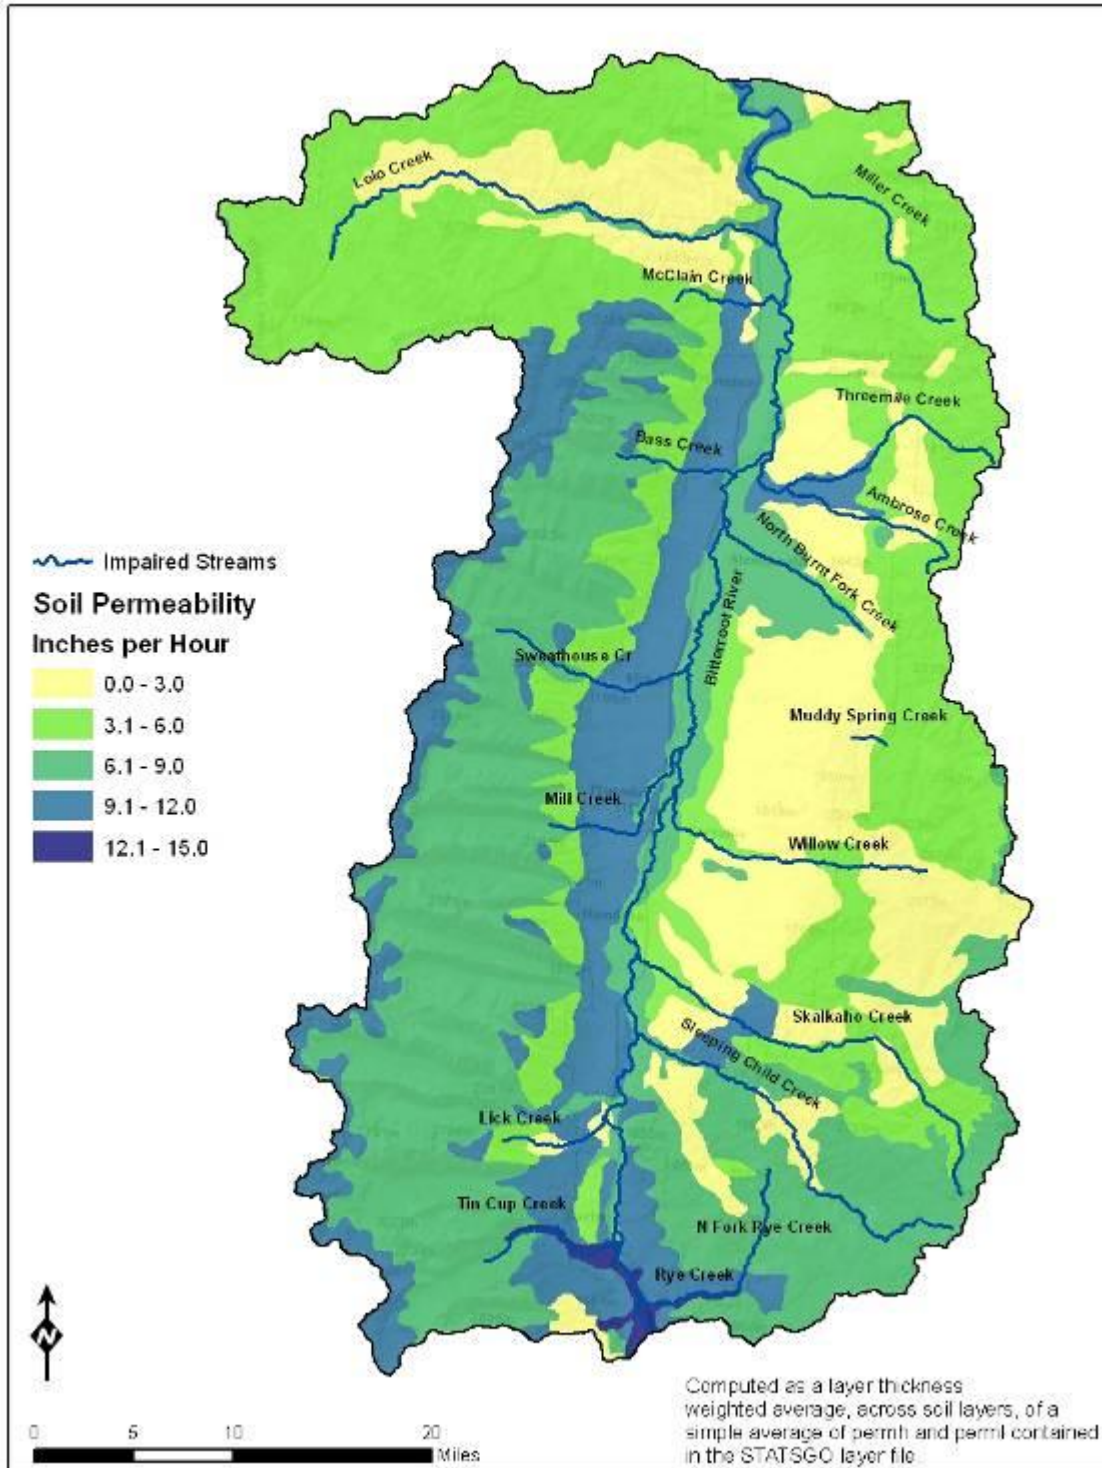

Map A-2. Ecoregions within the Bitterroot TMDL Planning Area

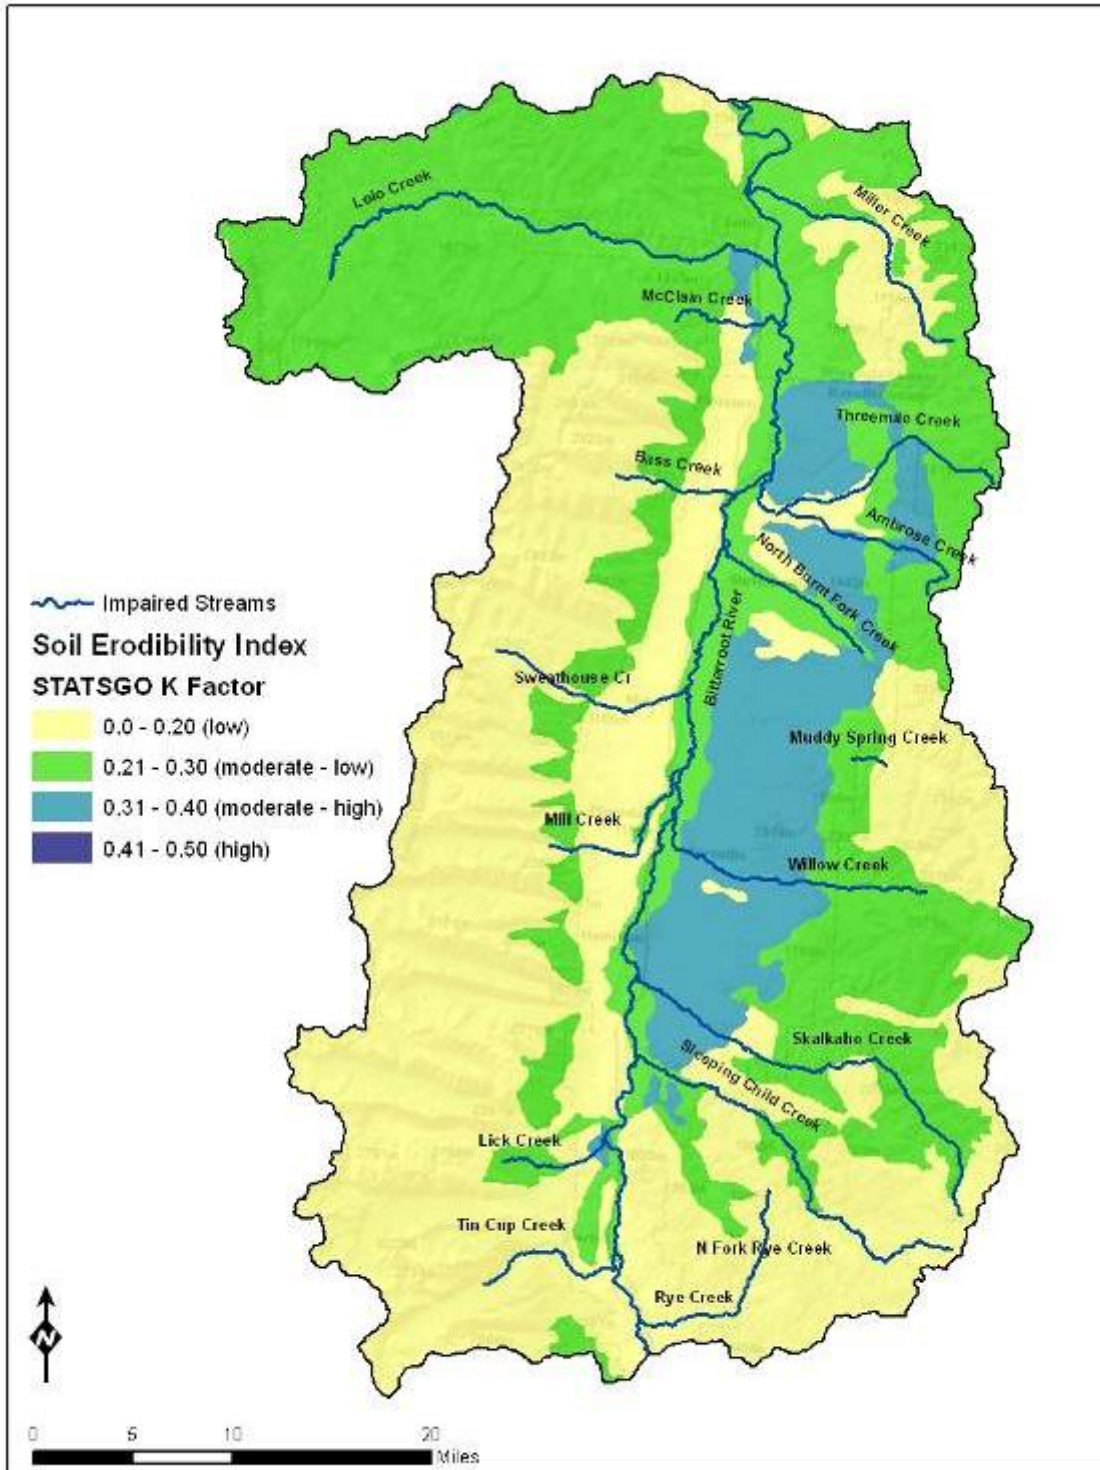

Map A-3. Elevations in the Bitterroot TMDL Planning Area

Map A-4. Generalized geology in the Bitterroot TMDL Planning Area

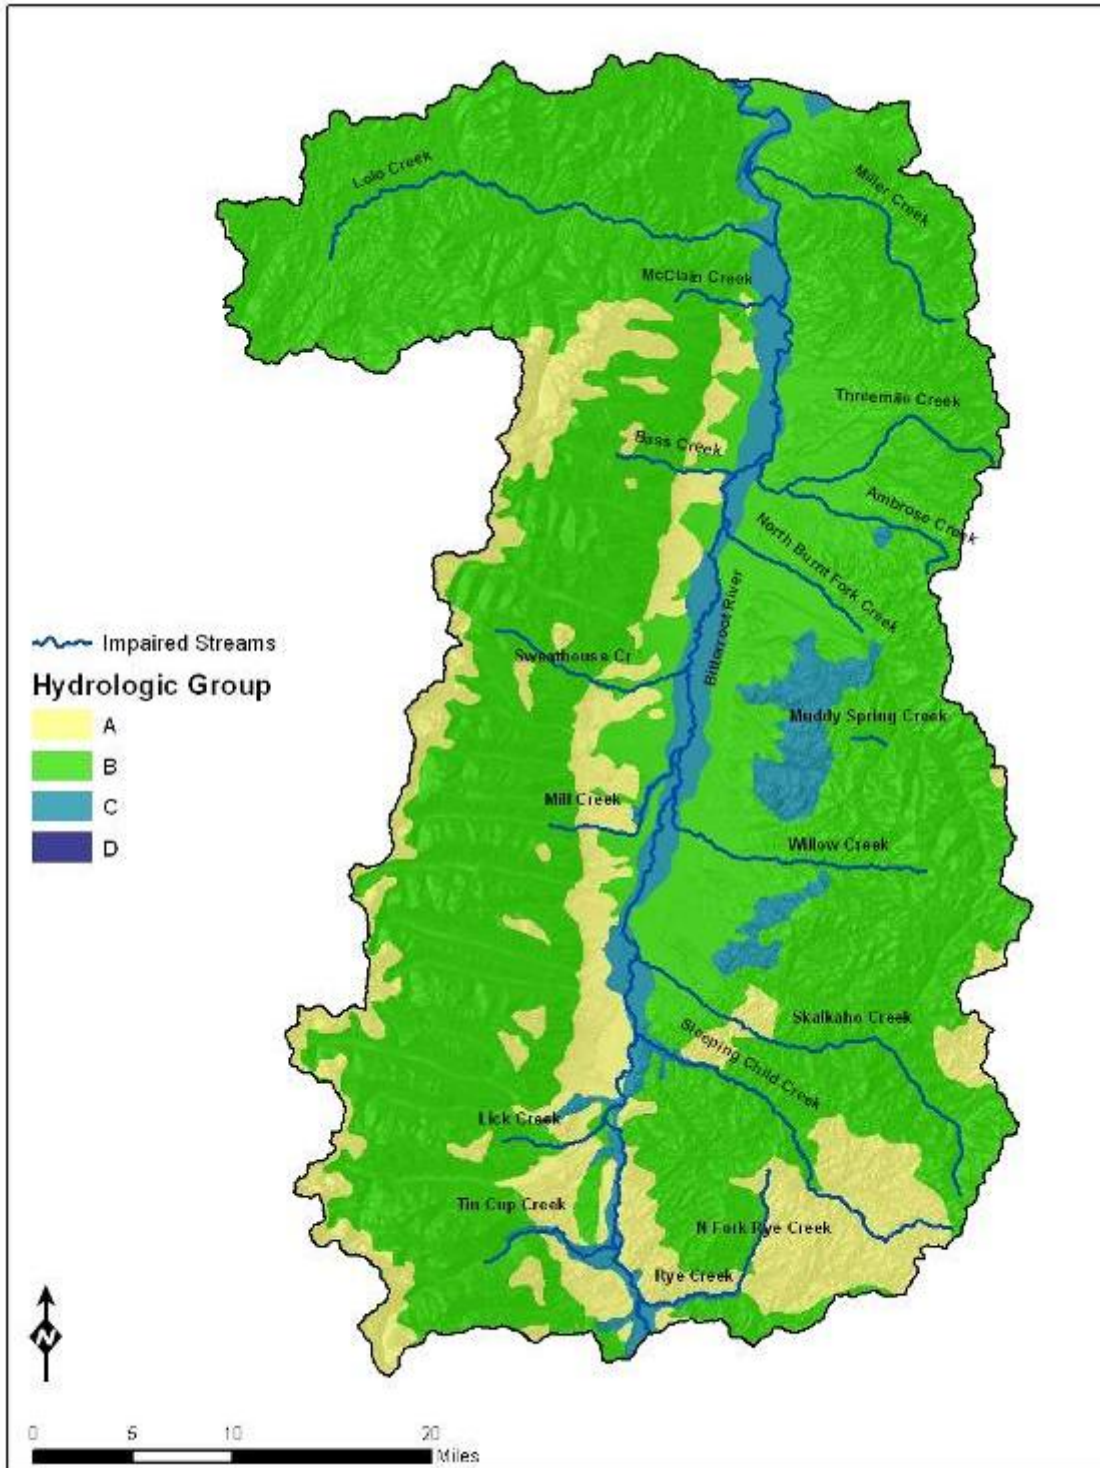

Map A-5. Permeability of soils within the Bitterroot TMDL Planning Area

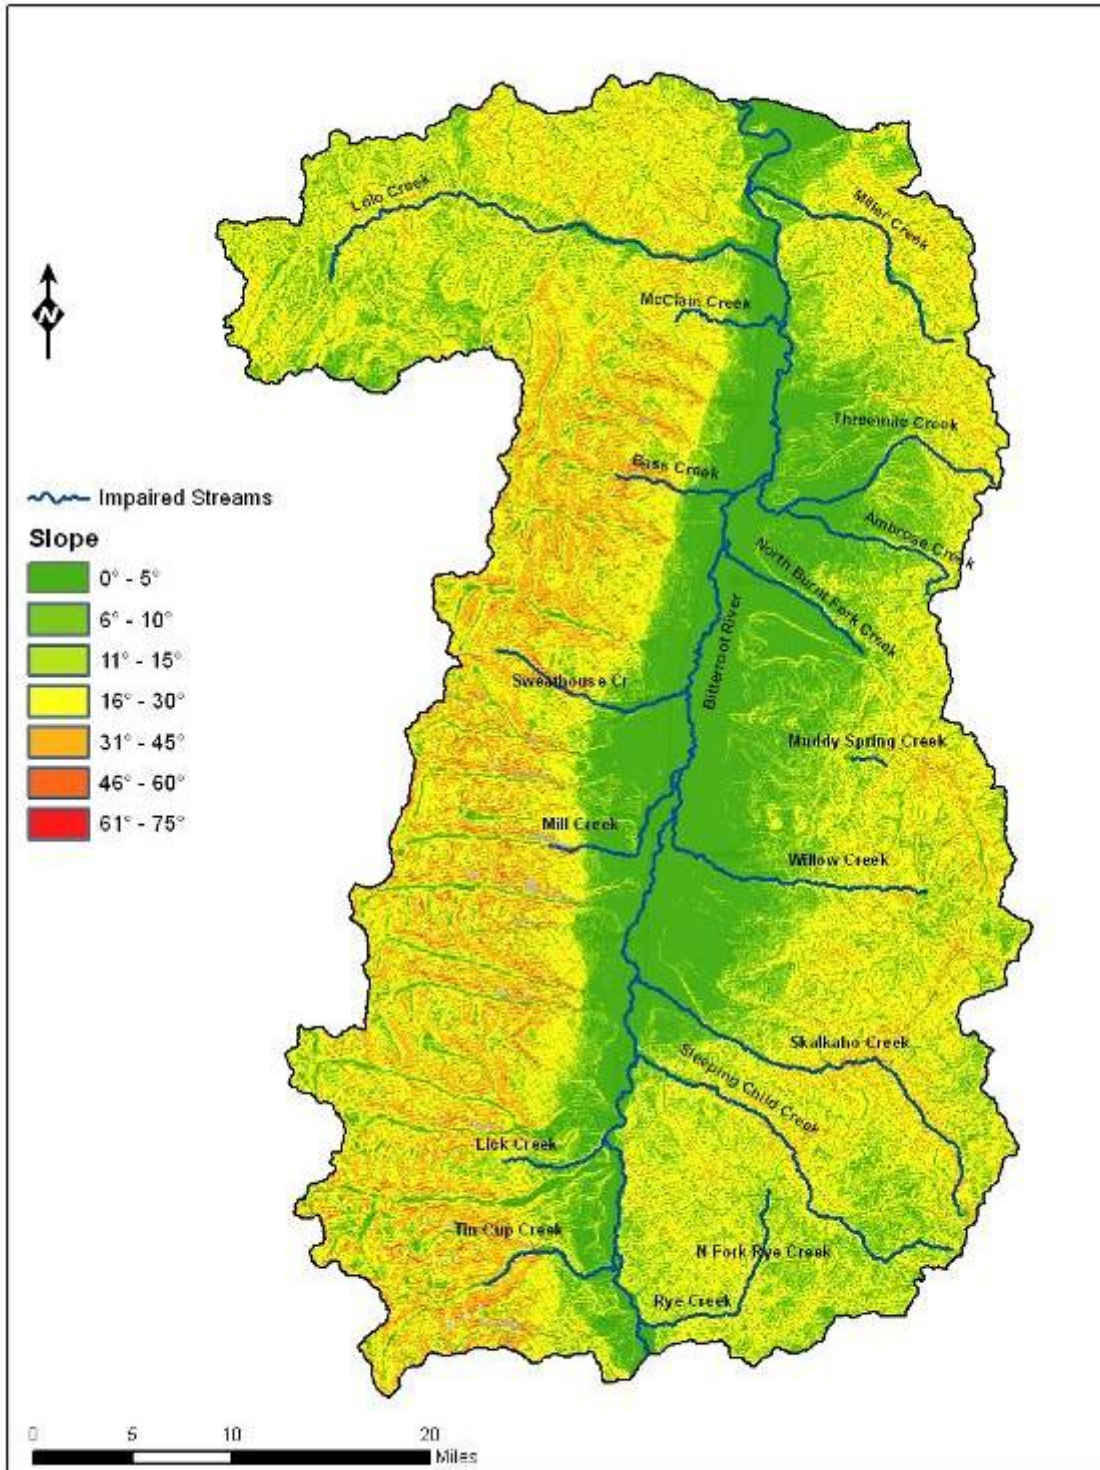

Map A-6. Erodibility Indices (K Factors) for soils within the Bitterroot TMDL Planning Area

Map A-7. Hydrologic soil groups found in the Bitterroot TMDL Planning Area.

Map A-8. Slope ranges found within the Bitterroot TMDL Planning Area

Map A-9. Stream Gages found in the Bitterroot TMDL Planning Area

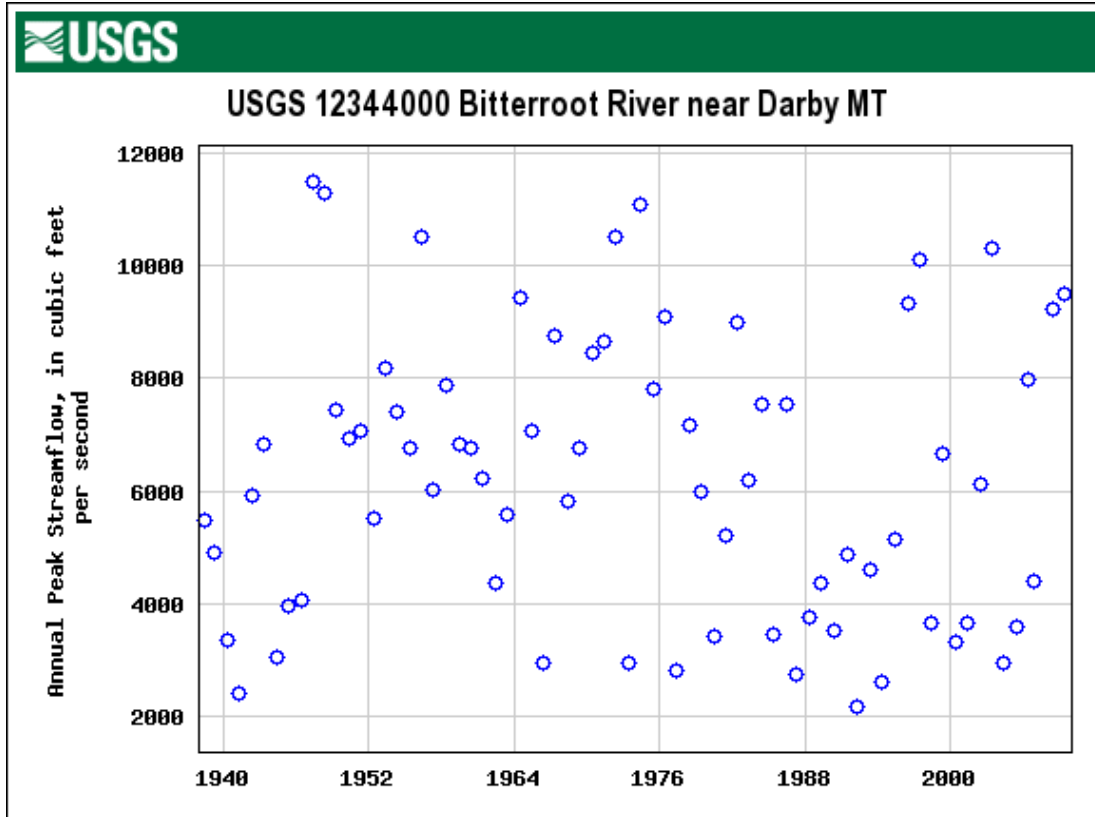

Figure A-1. Bitterroot River annual peak streamflow near Darby, MT

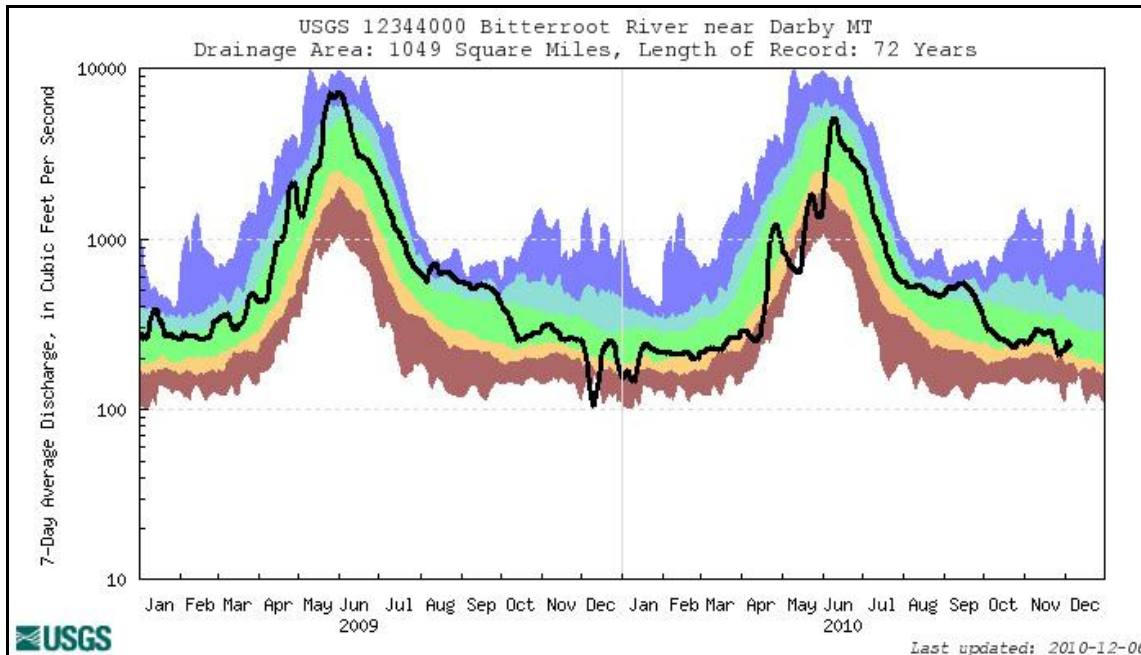

Figure A-2. Seven day average discharge for the Bitterroot River near Darby, MT

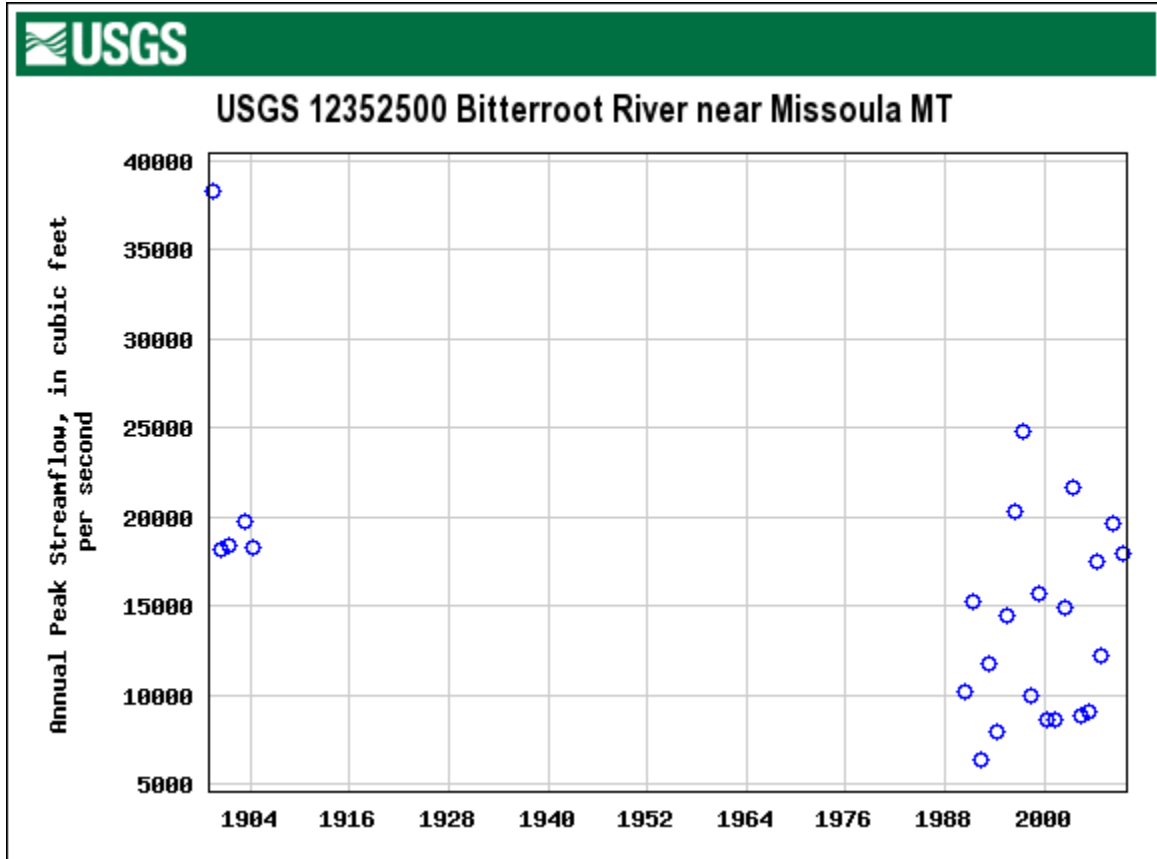

Figure A-3. Bitterroot River annual peak streamflow near Missoula, MT

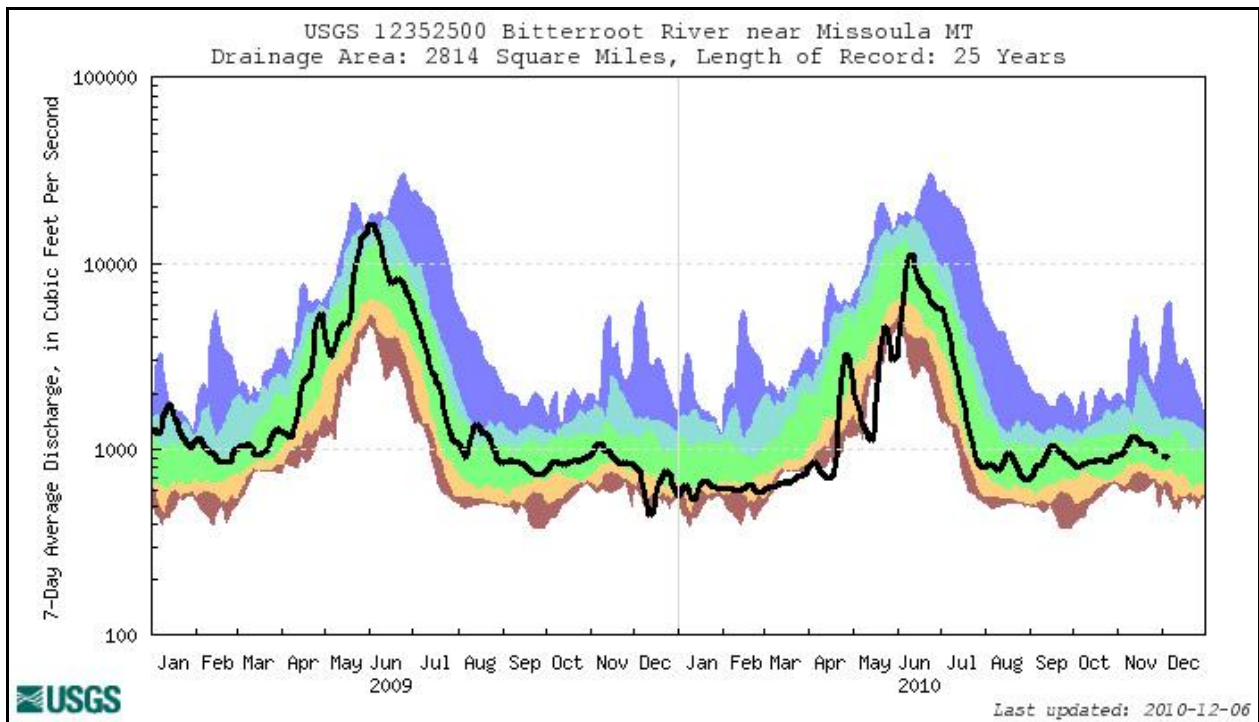

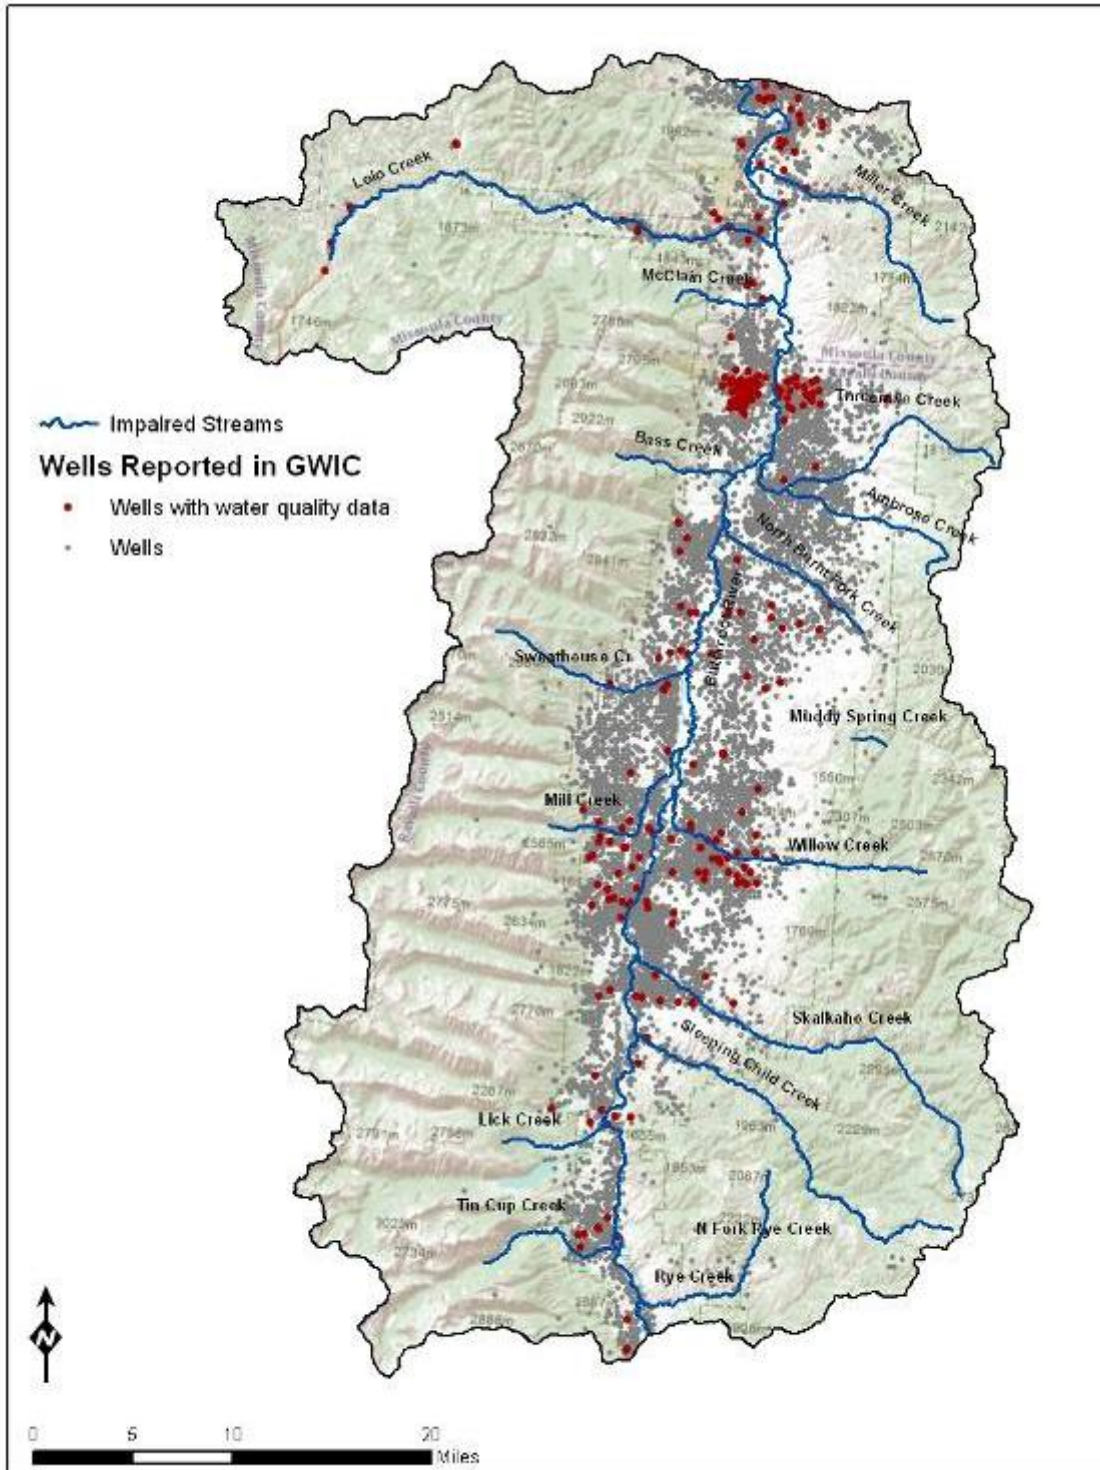

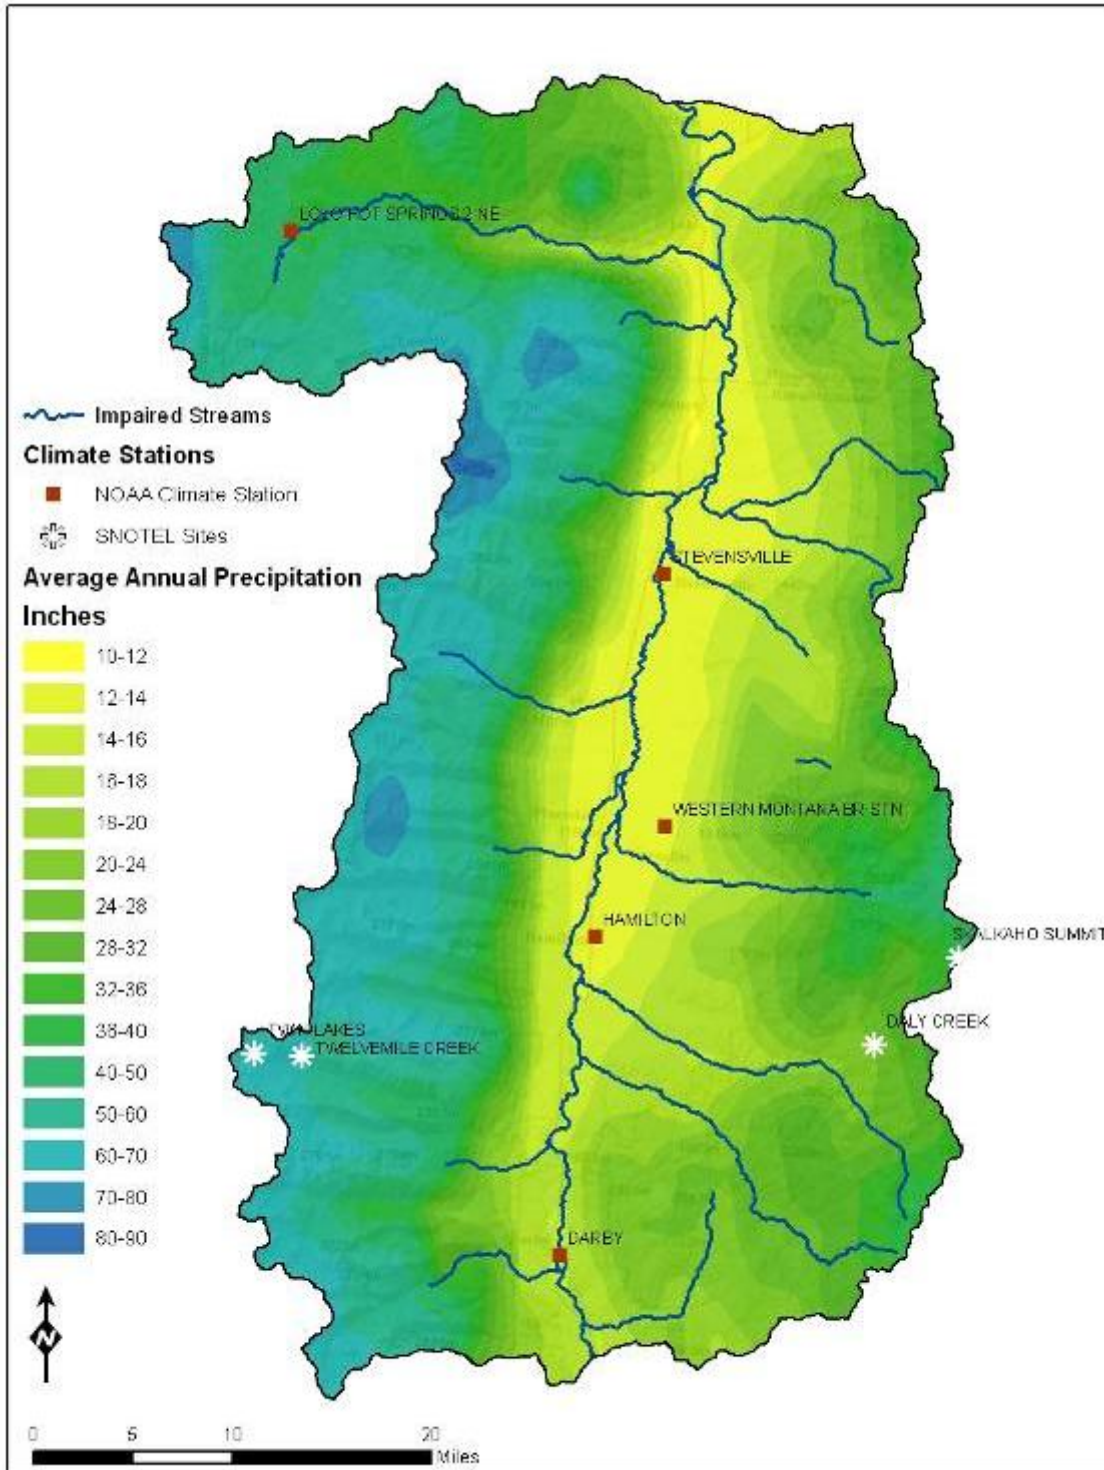

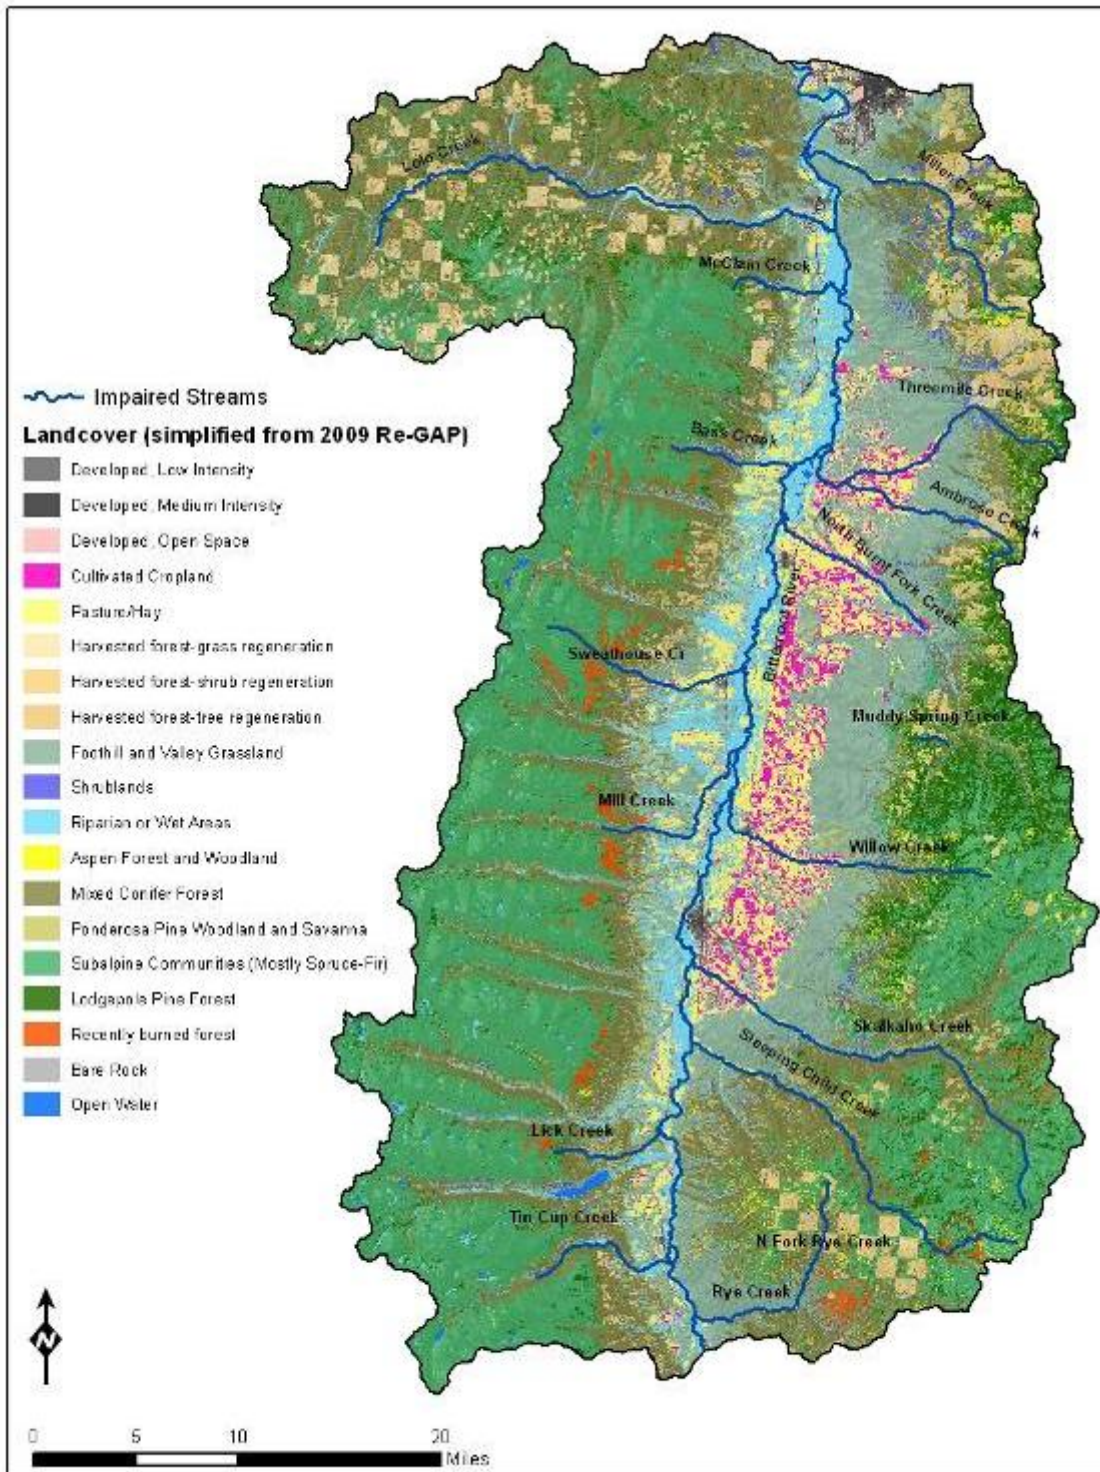

Figure A-4. Seven day average discharge for the Bitterroot River near Missoula, MT

Map A-10. Wells found in the Bitterroot TMDL Planning Area

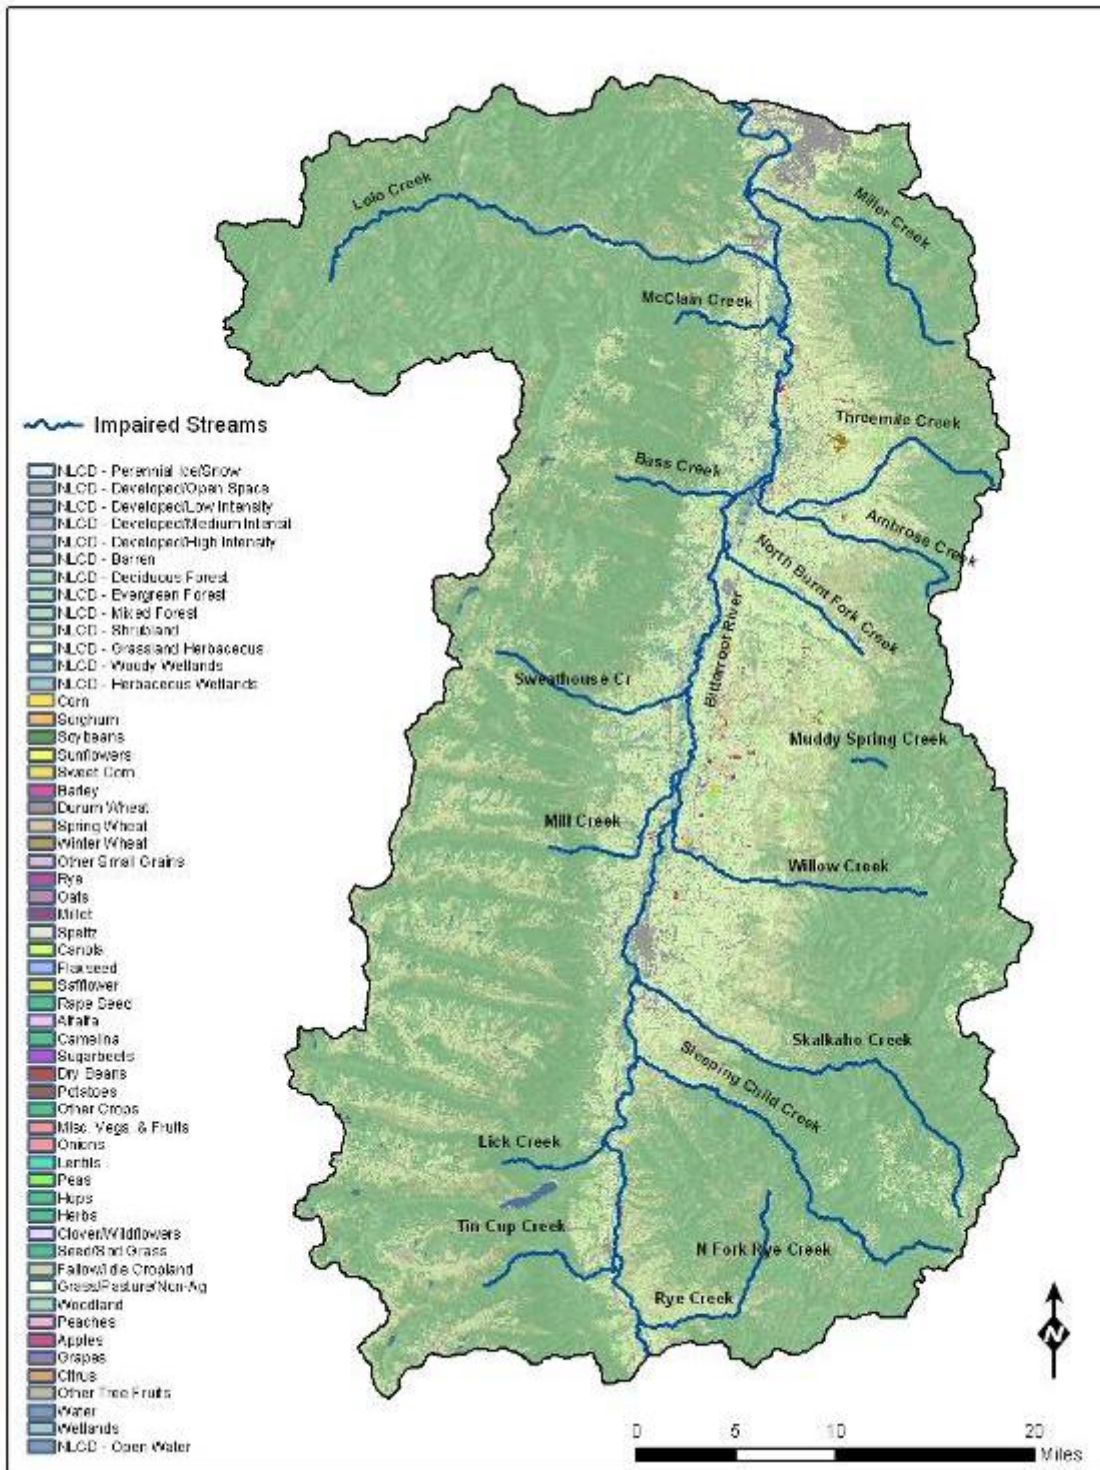

Map A-11. Average annual precipitation in the Bitterroot TMDL Planning Area

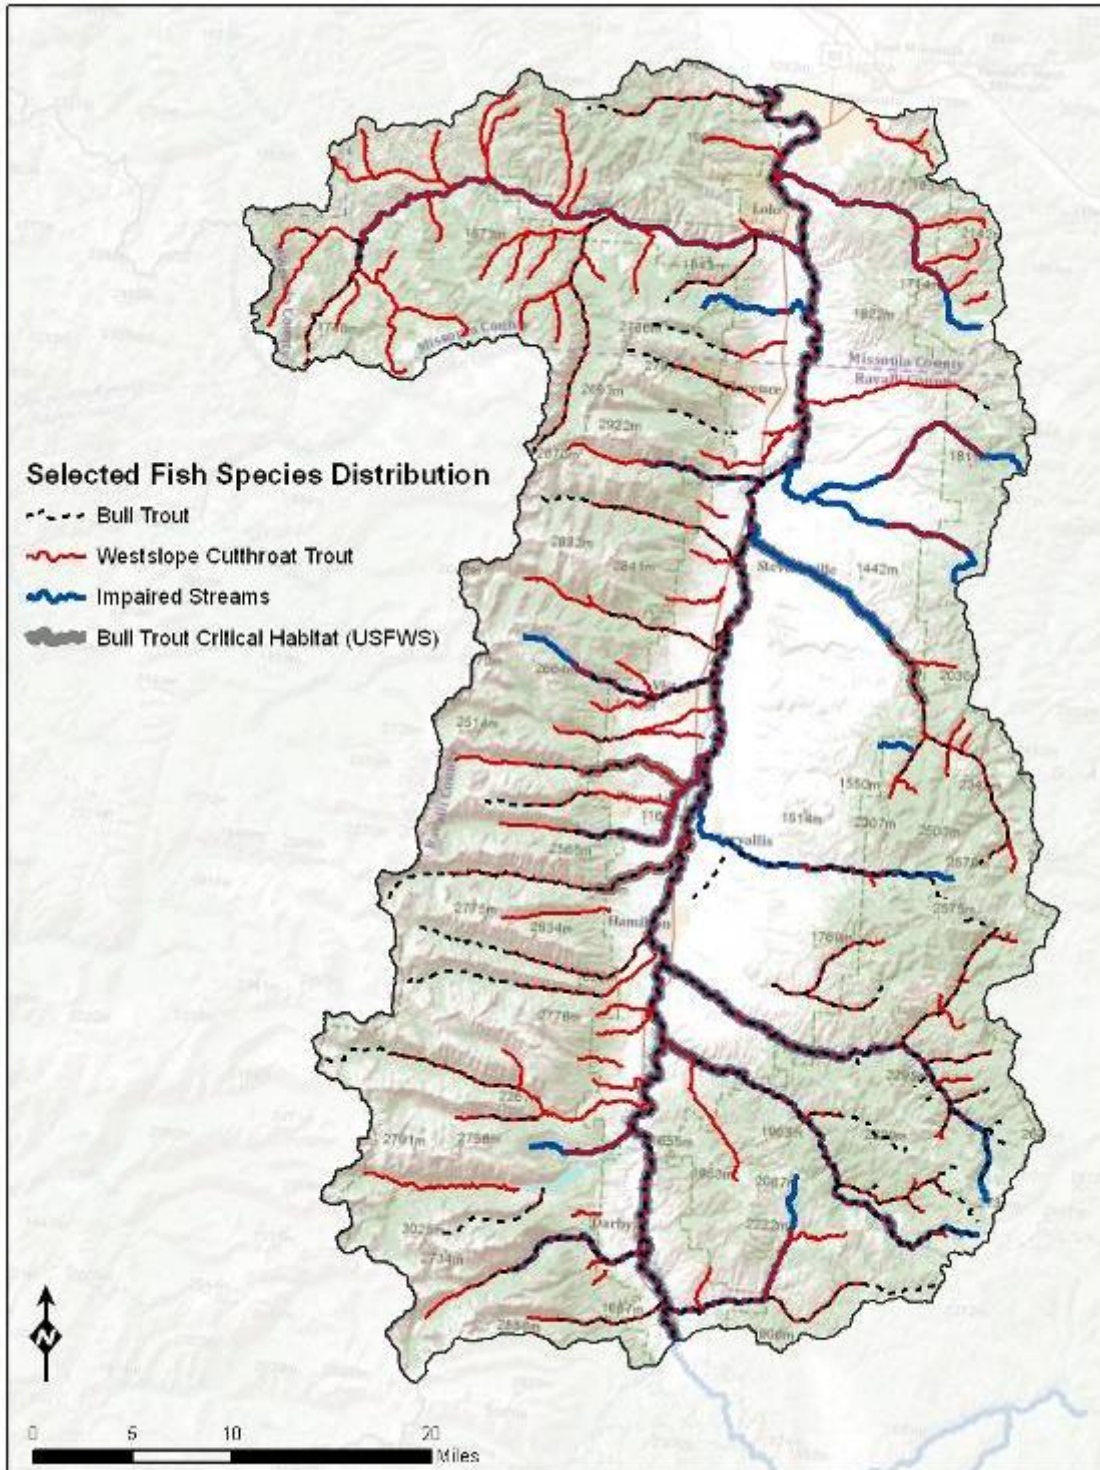

Map A-12. Types of land cover found in the Bitterroot TMDL Planning Area

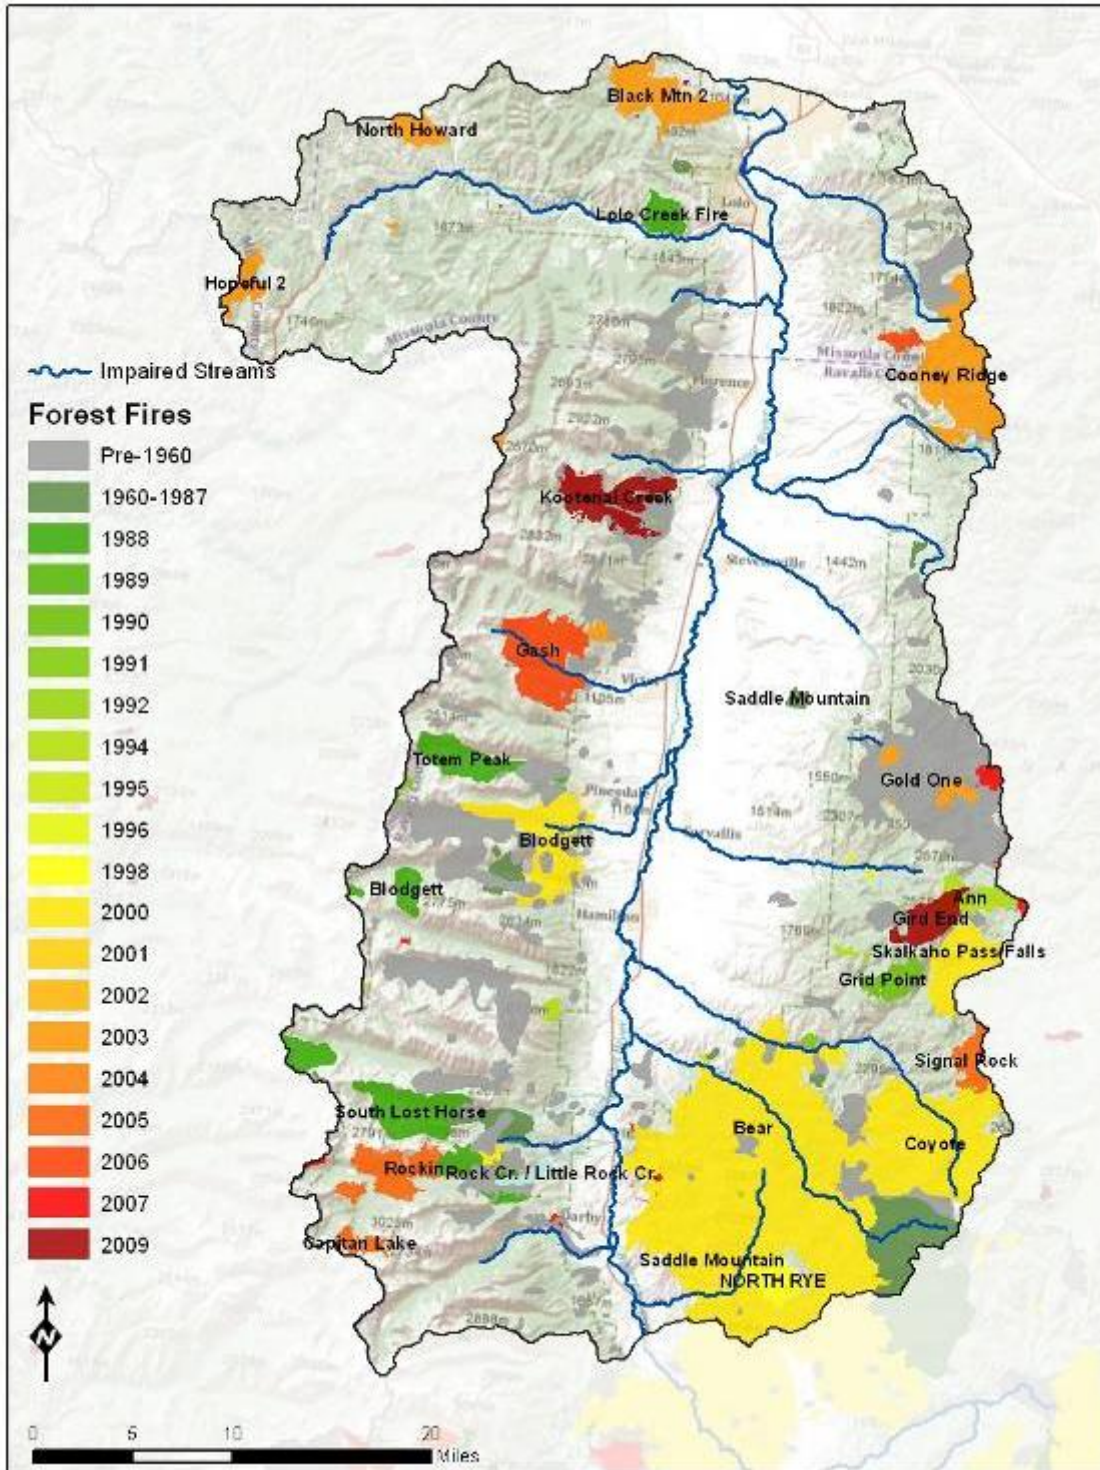

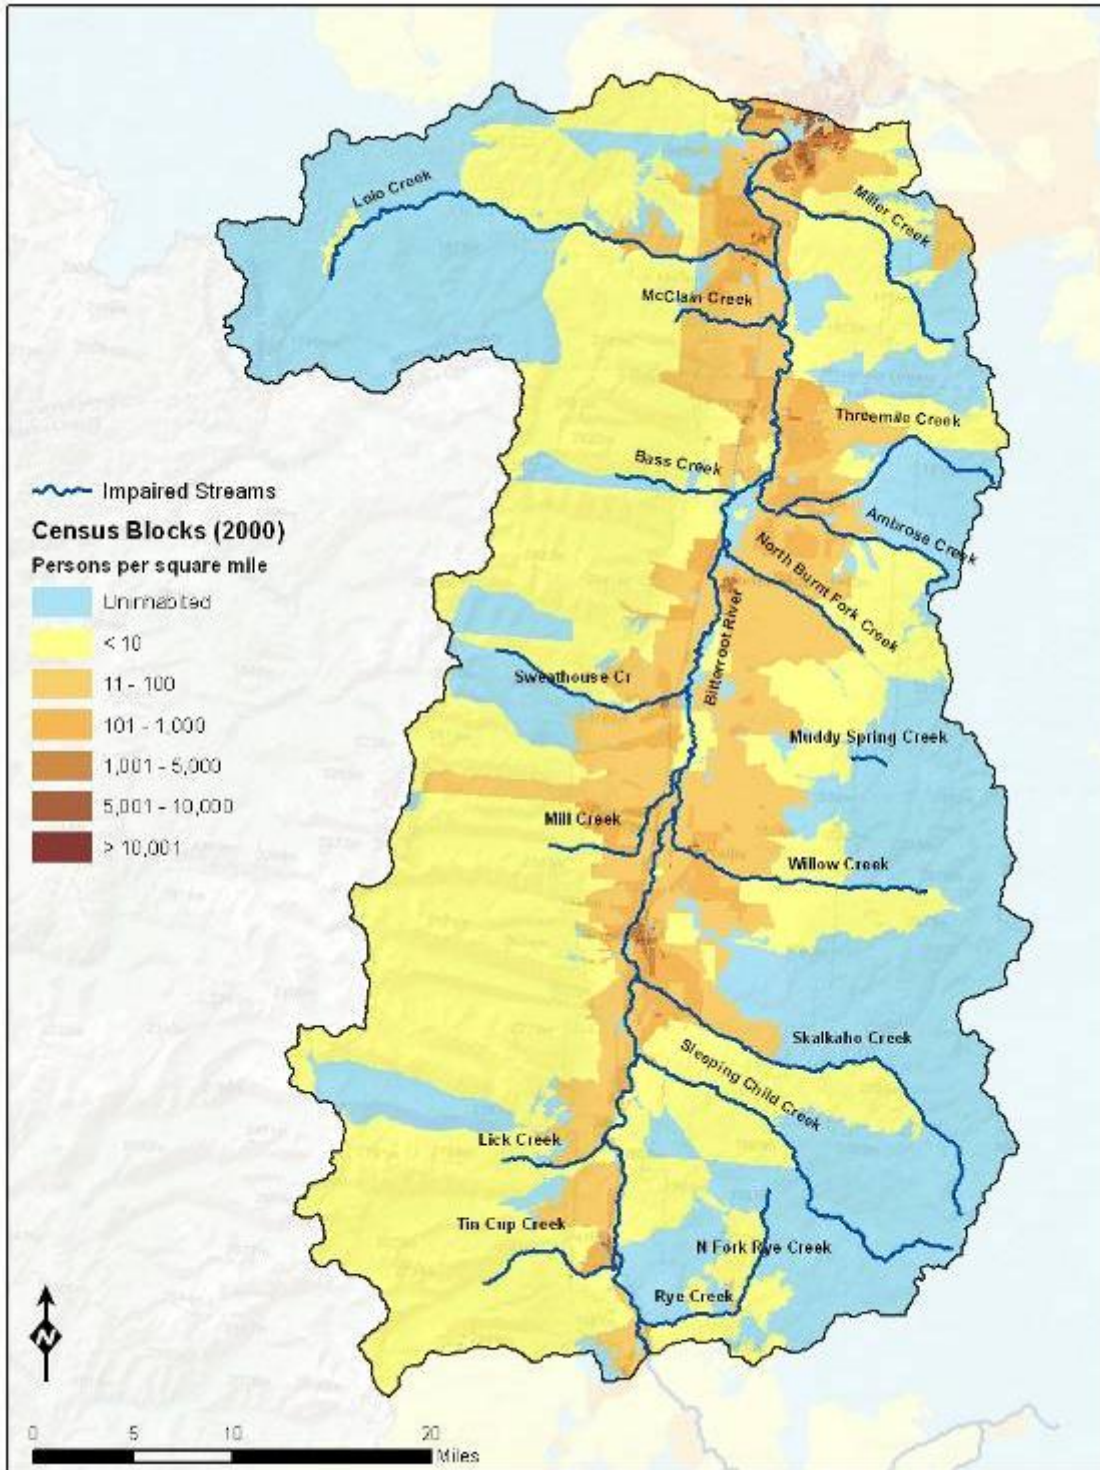

Map A-13. Categories of land uses in the Bitterroot TMDL Planning Area

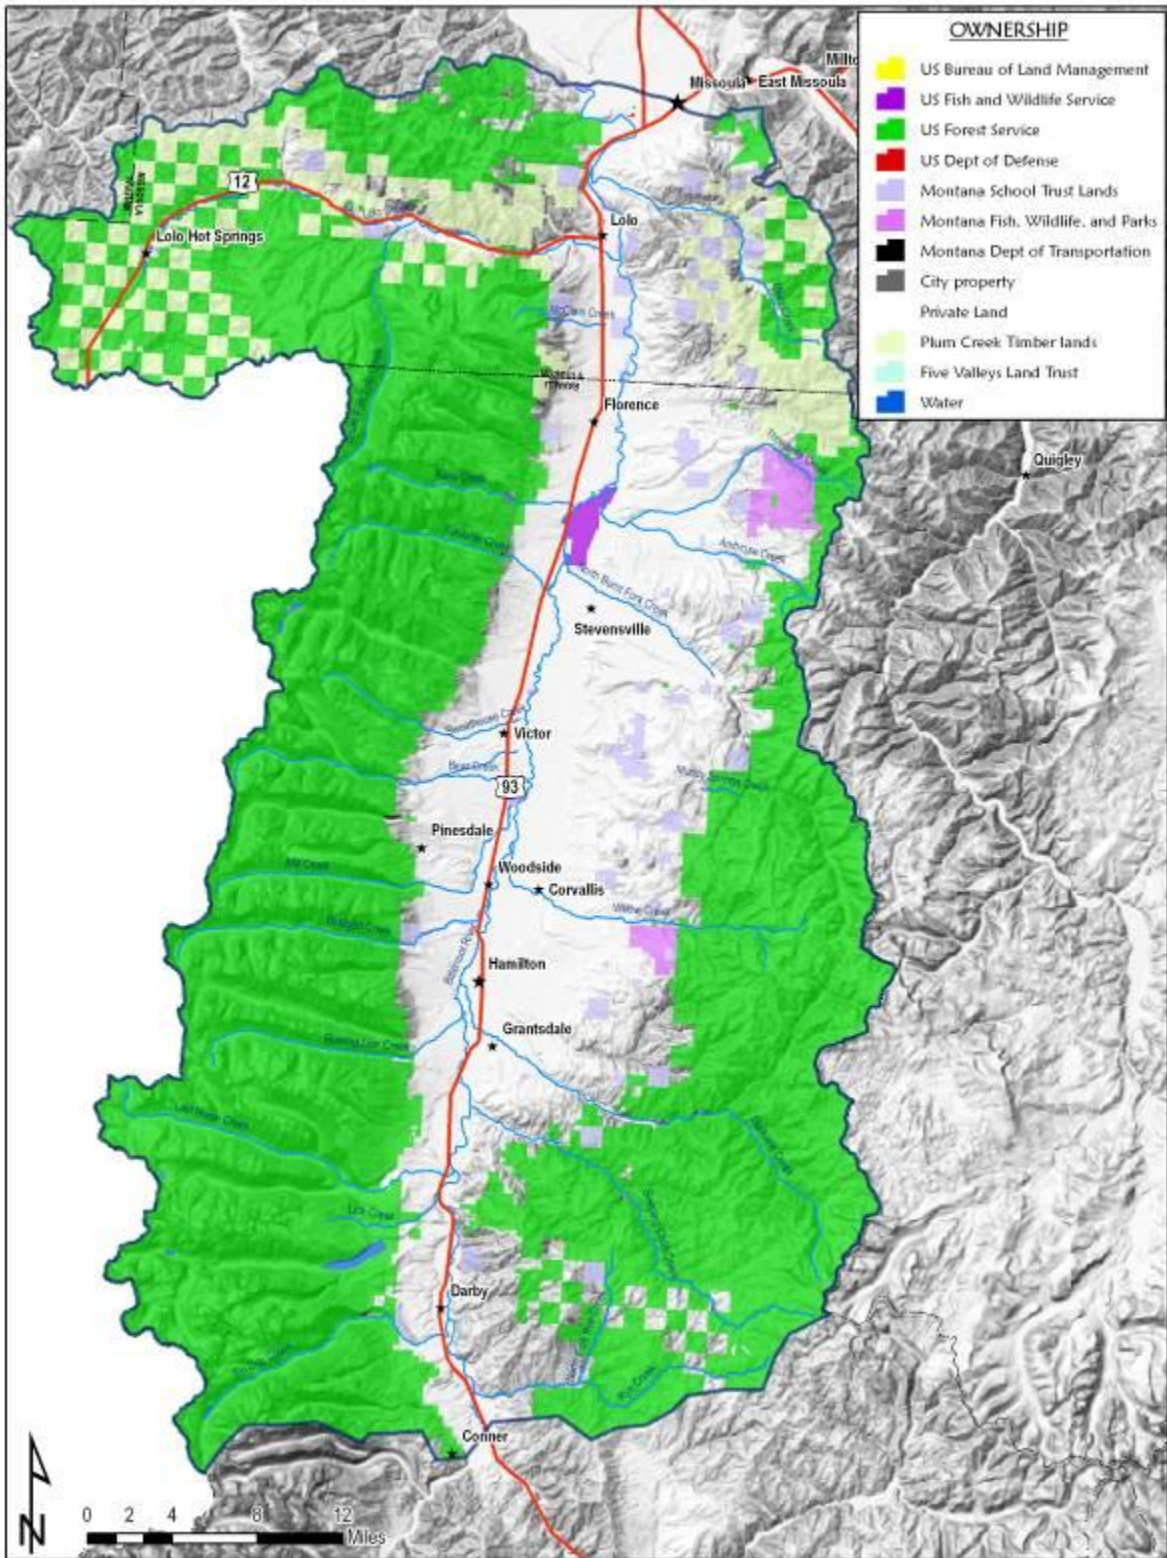

Map A-14. Fish species distribution in the Bitterroot TMDL Planning Area

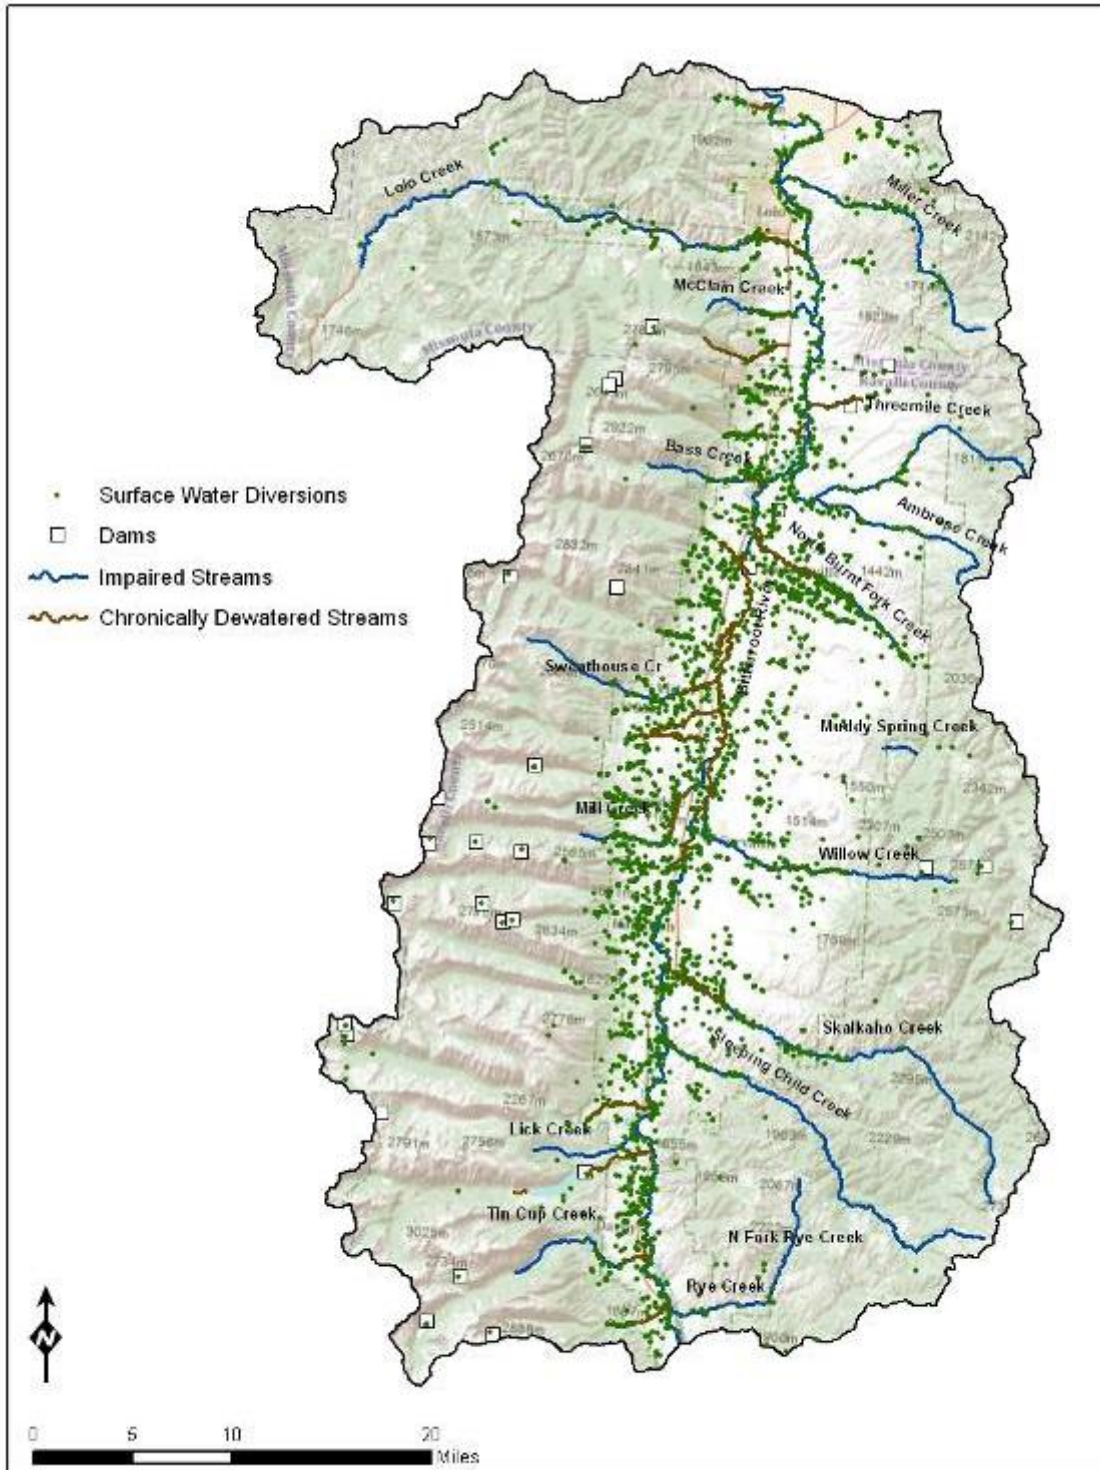

Map A-15. History of forest fires in the Bitterroot TMDL Planning Area

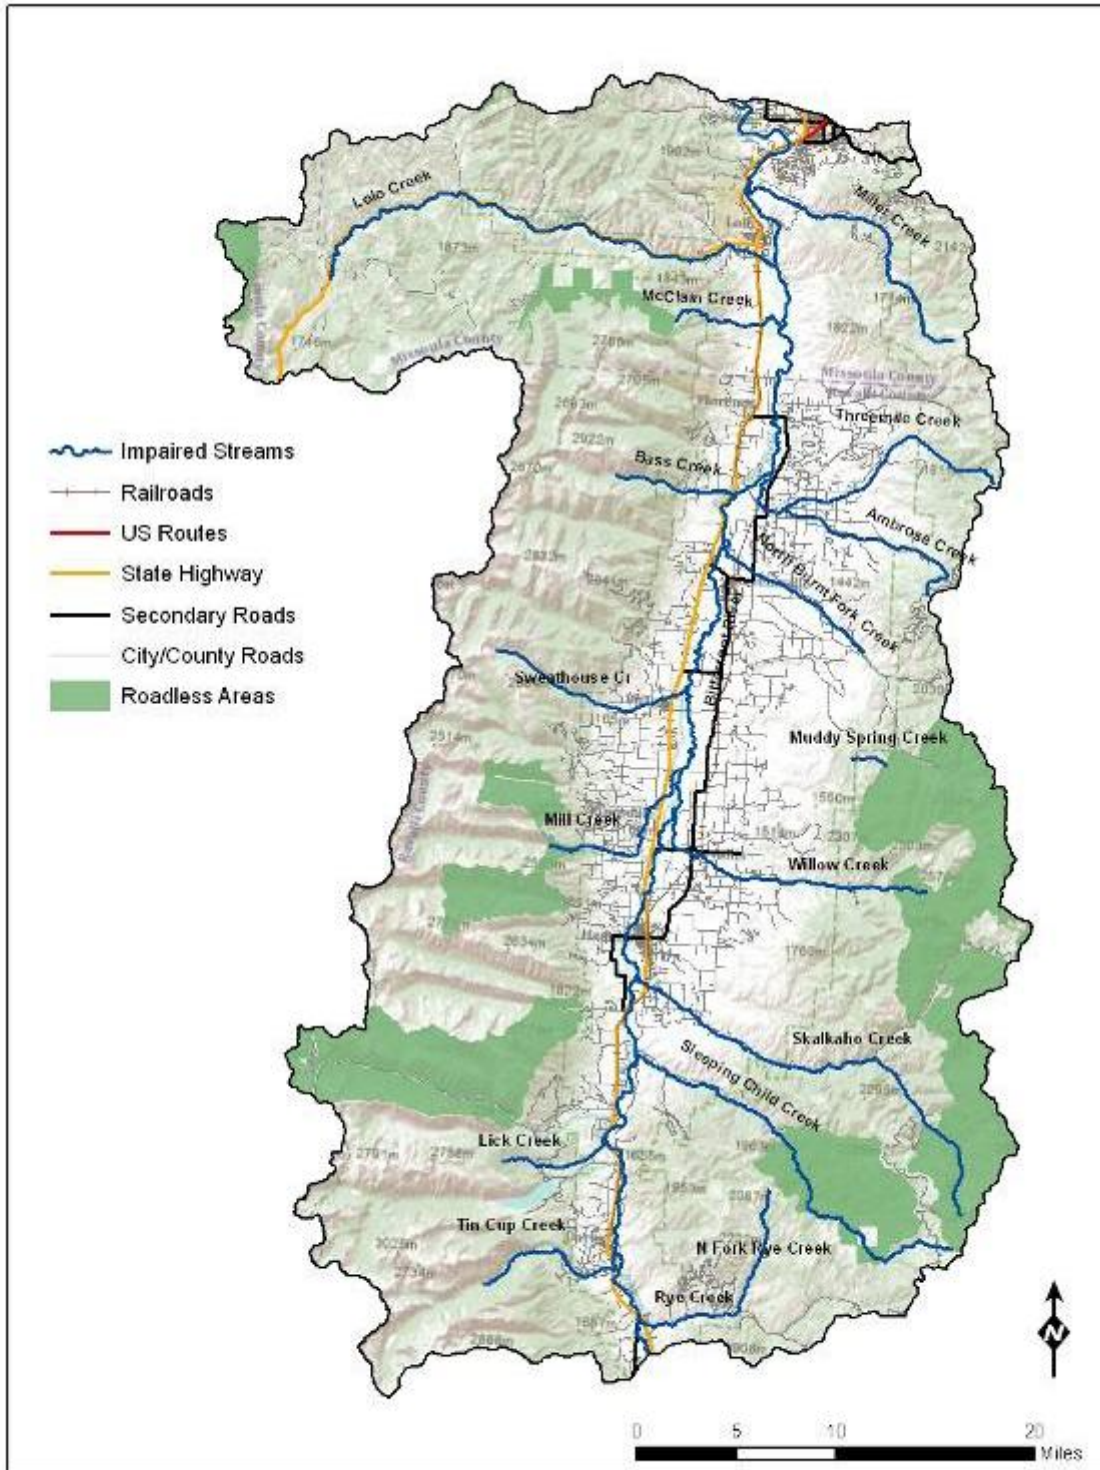

Map A-16. 2000 Census data for the Bitterroot TMDL Planning Area

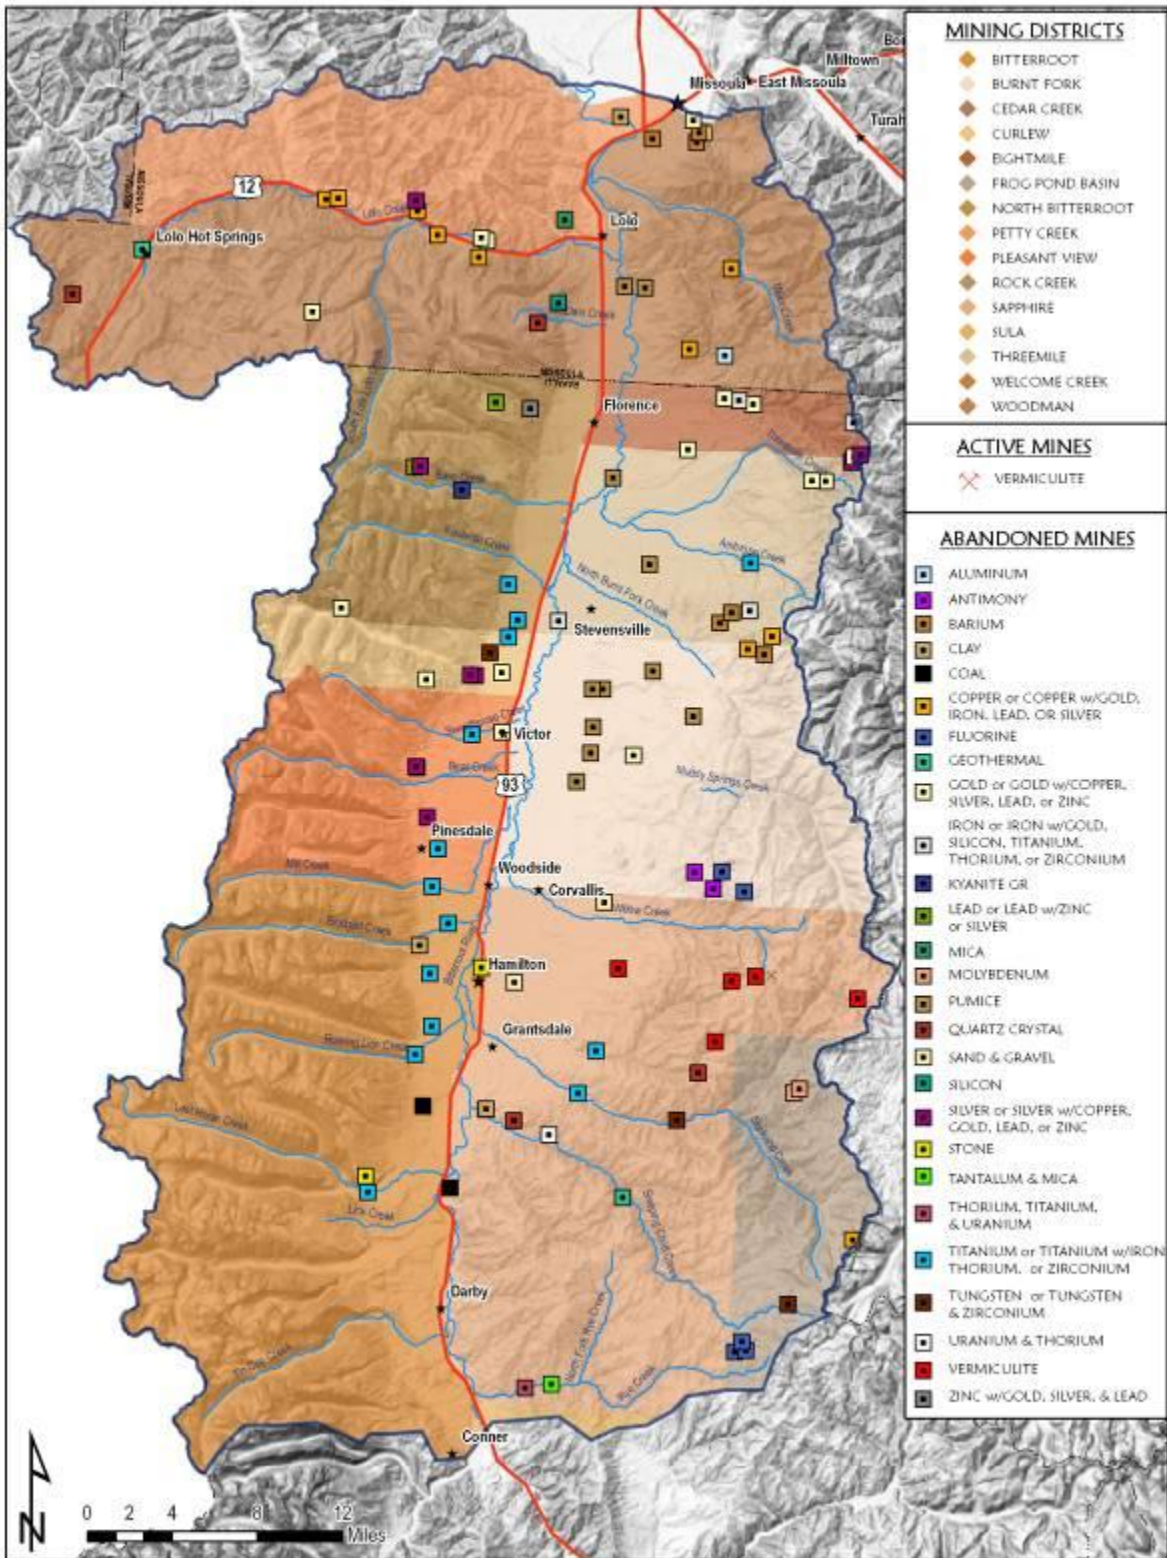

Map A-17. Land ownership in the Bitterroot TMDL Planning Area

Map A-18. Surface water diversions and locations of dams in the Bitterroot TMDL Planning Area

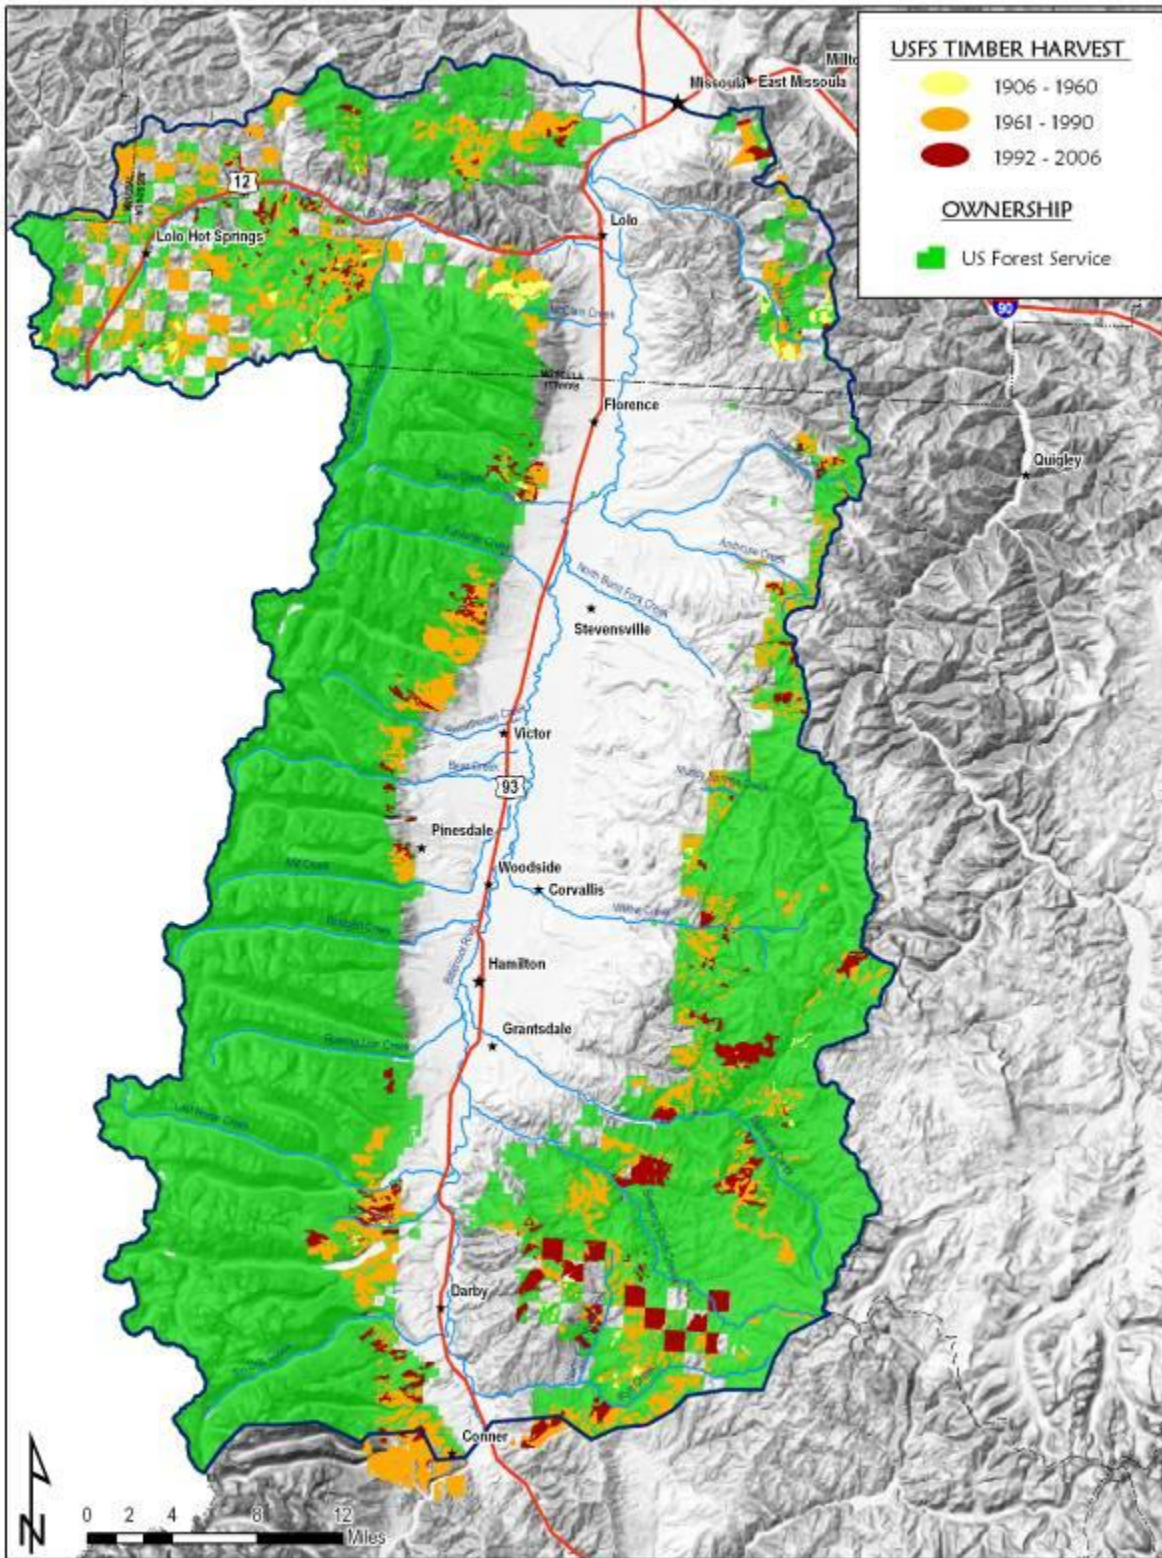

Map A-19. Transportation networks in the Bitterroot TMDL Planning Area

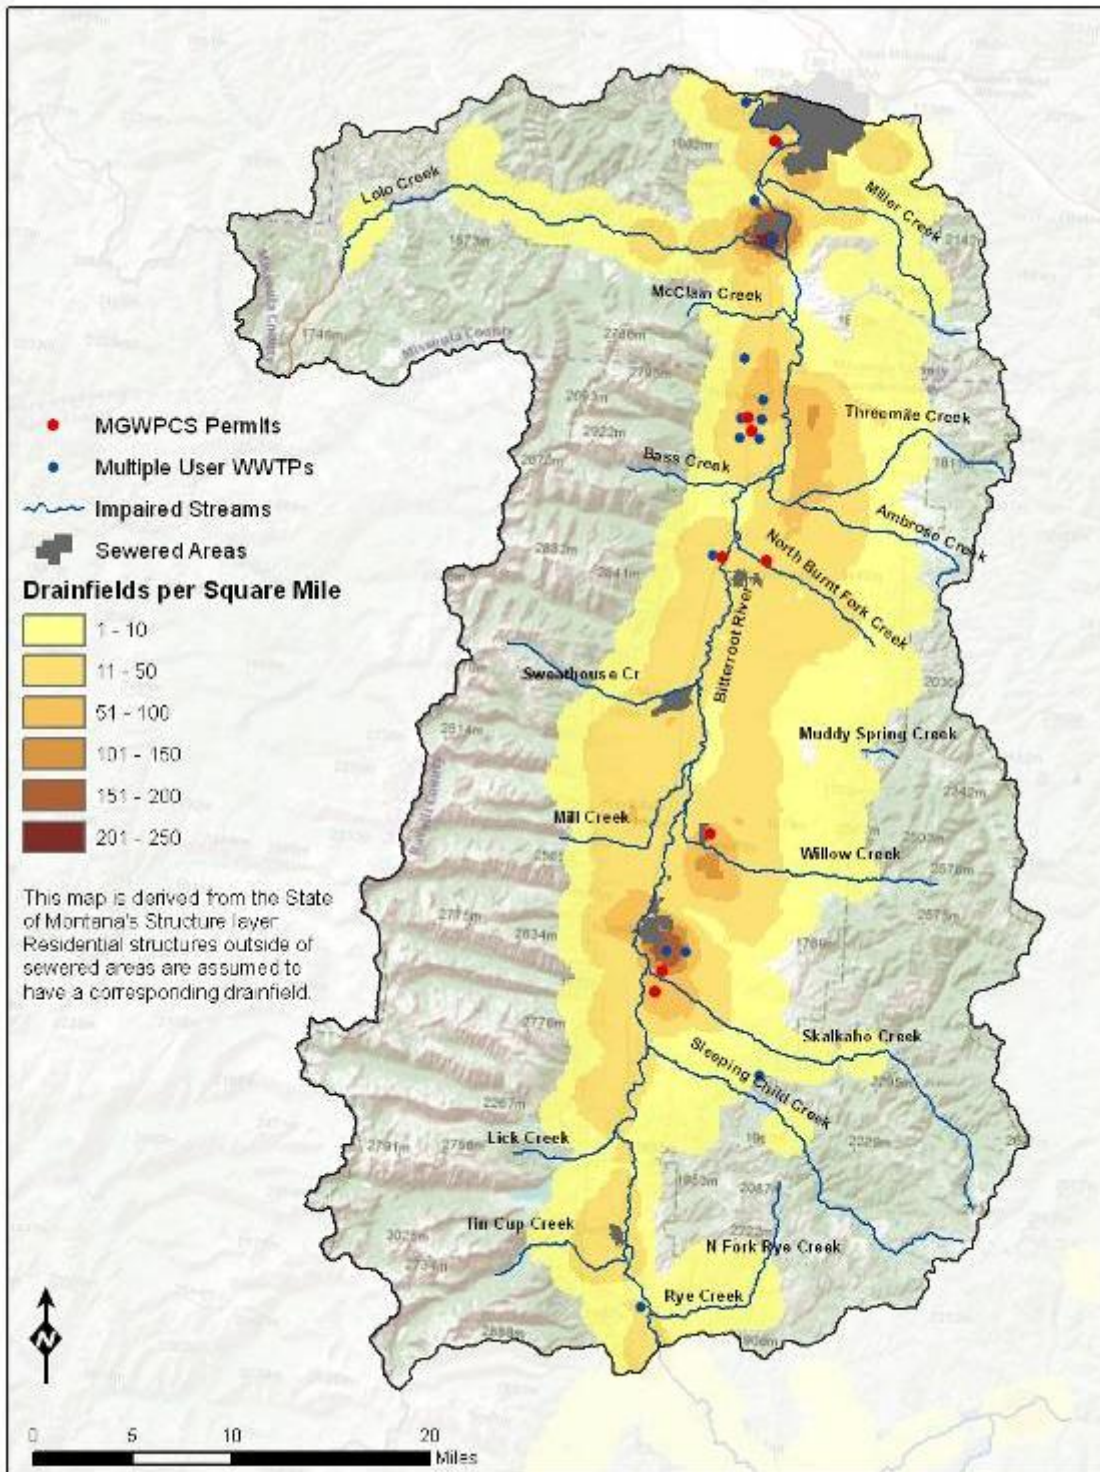

Map A-20. Locations of active and abandoned mines in the Bitterroot TMDL Planning Area

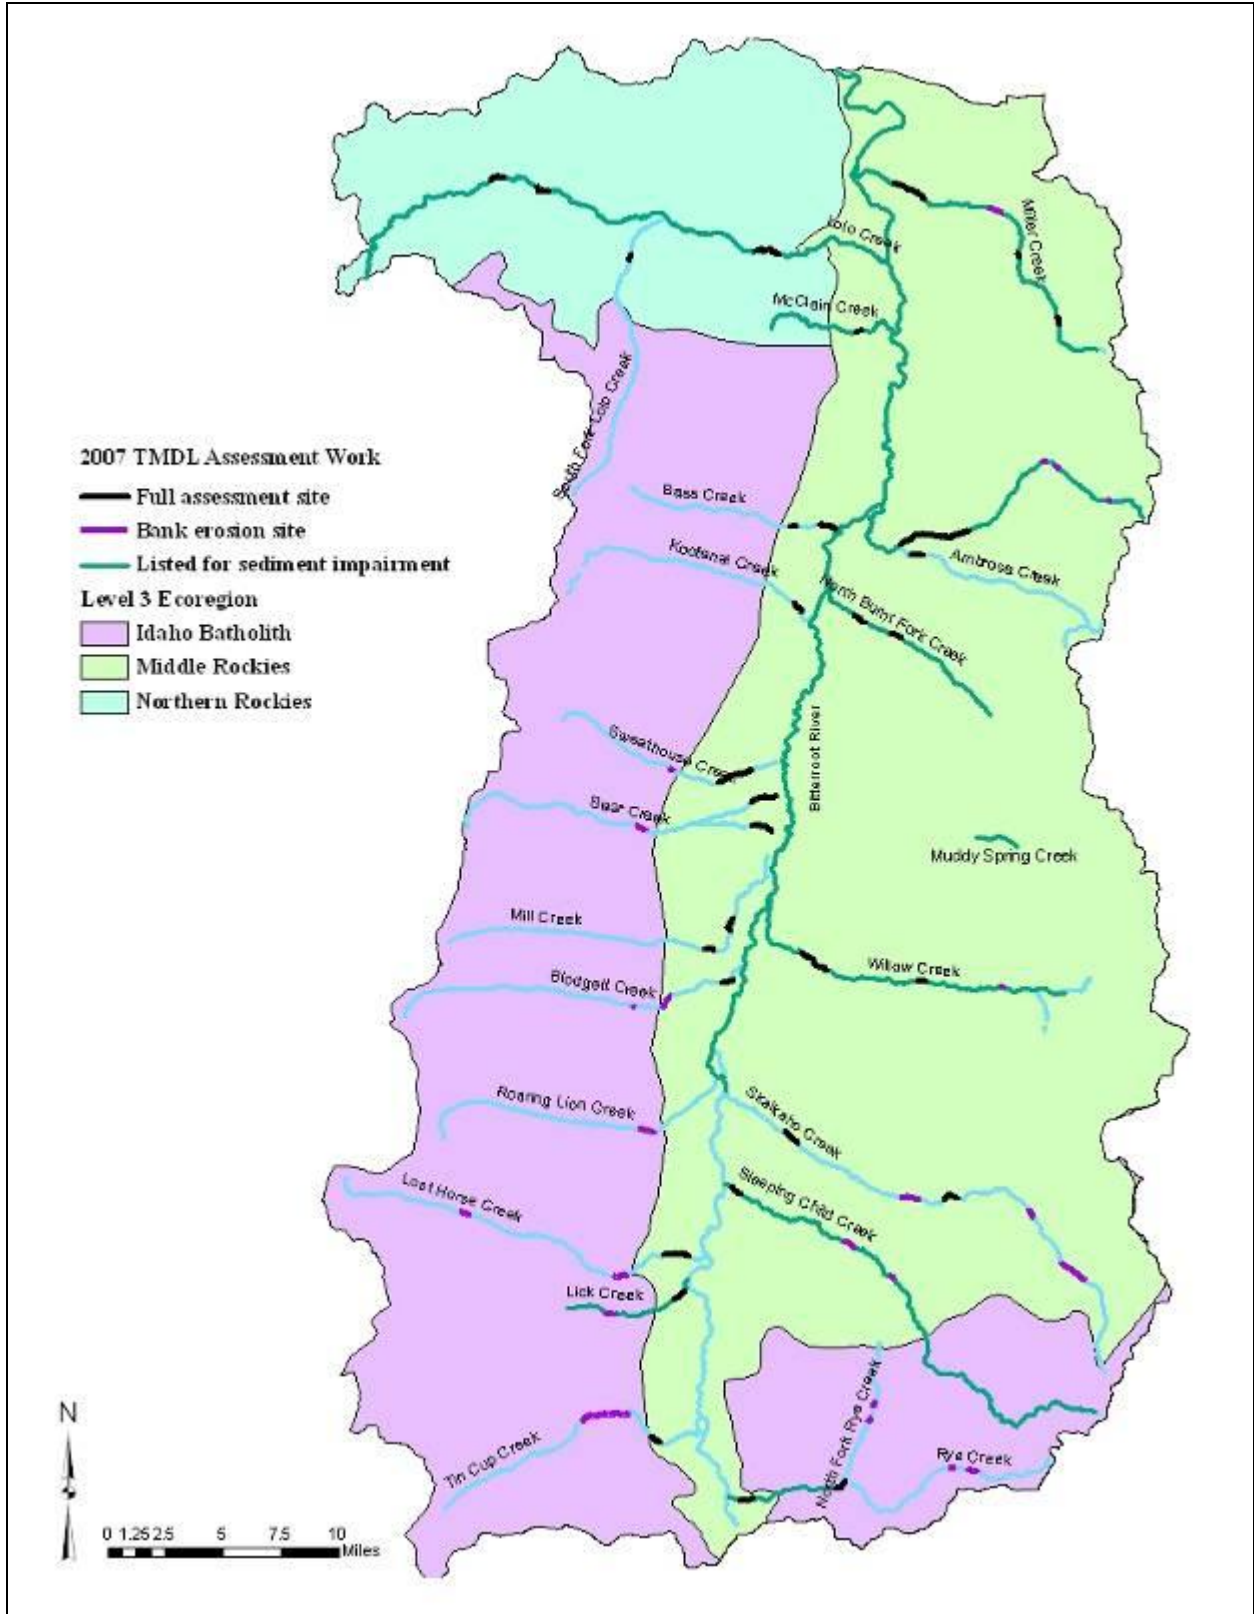

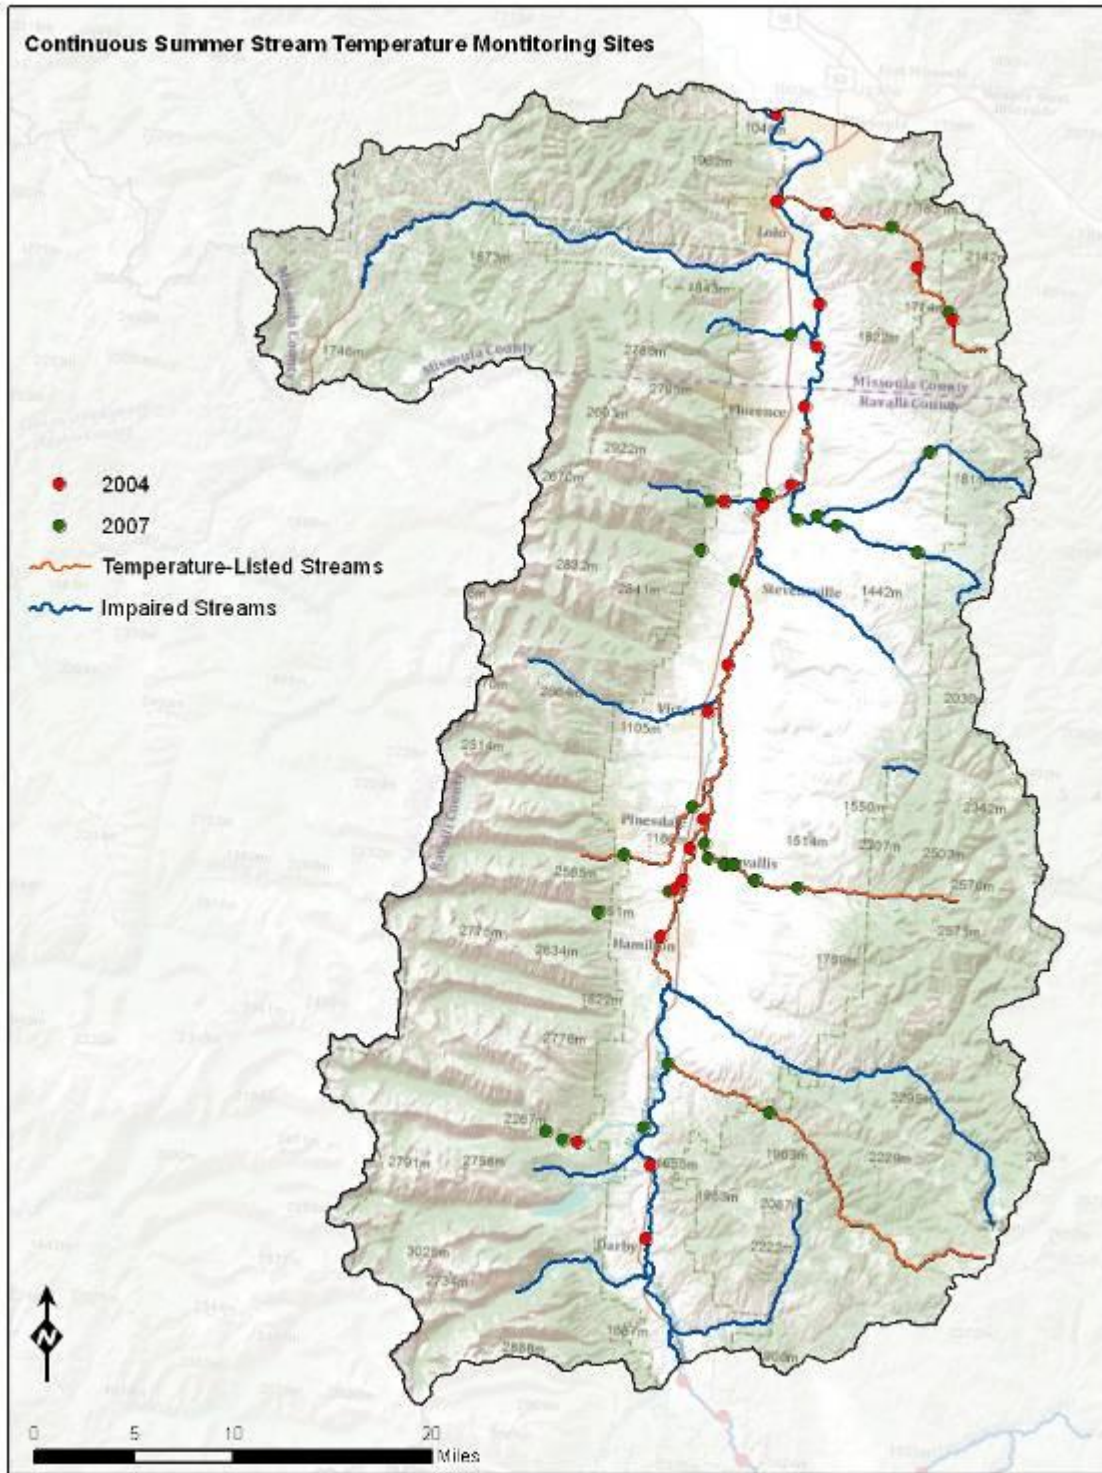

Map A-21. Areas where timber harvests have occurred in the Bitterroot TMDL Planning Area

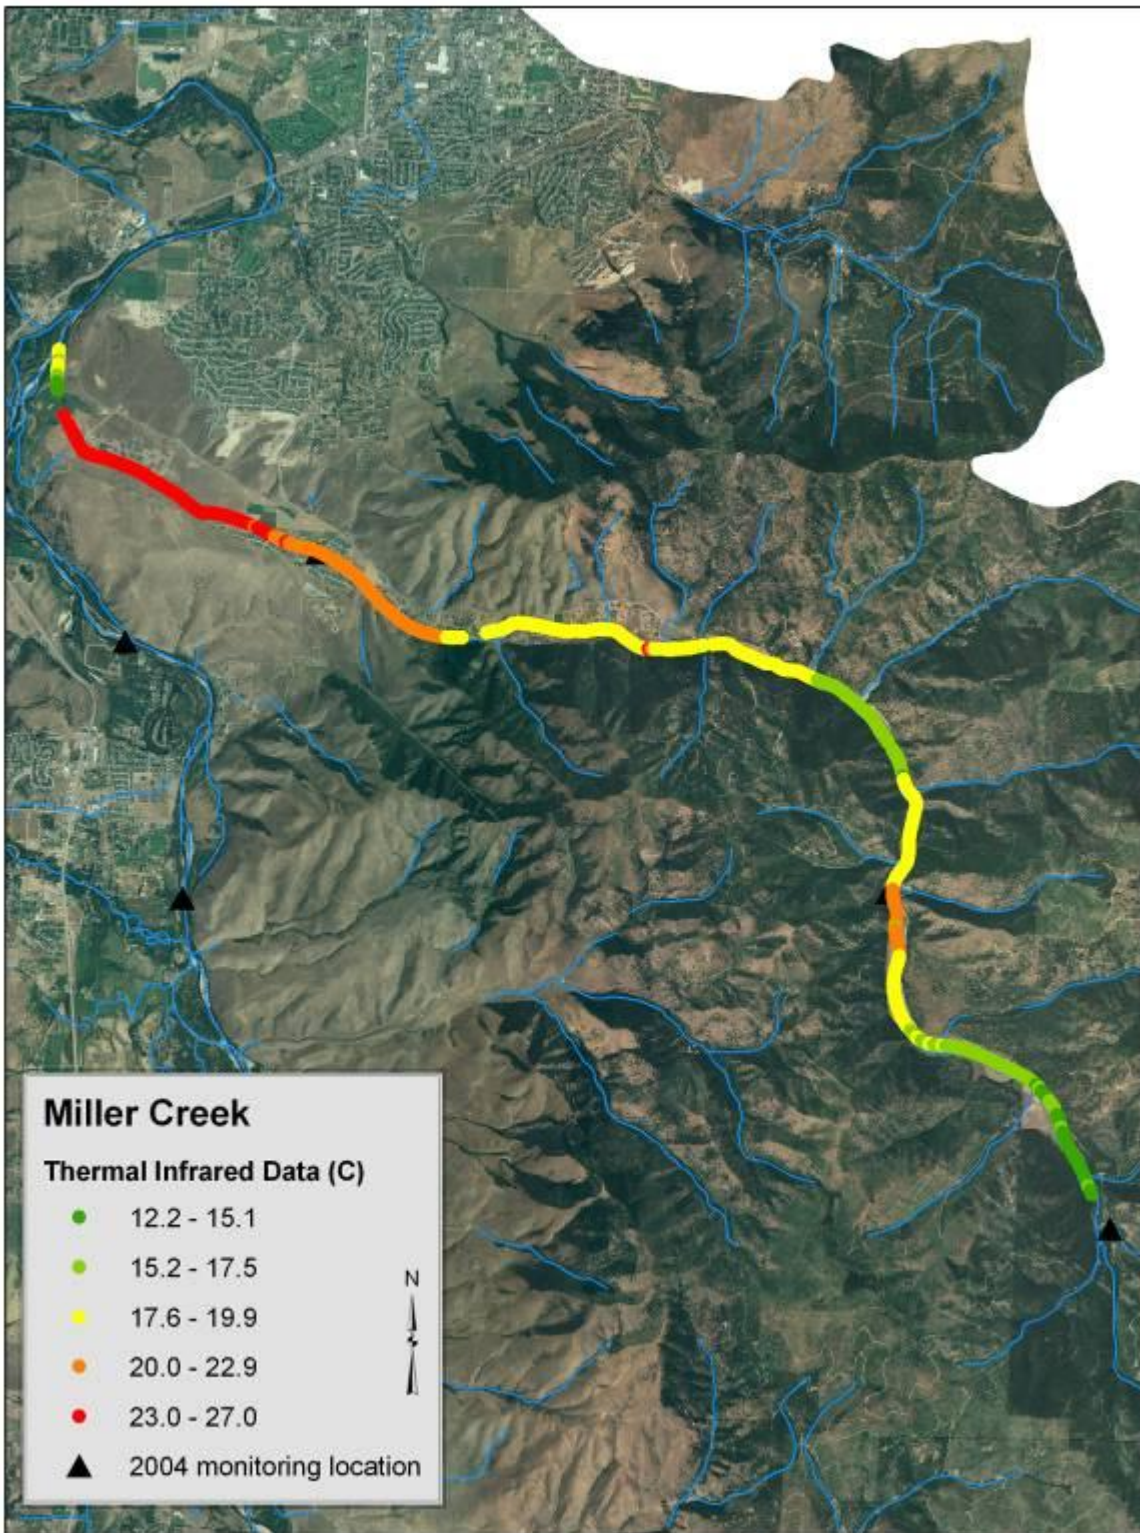

Map A-22. Septic system density and permitted wastewater discharge locations in the Bitterroot TMDL Planning Area

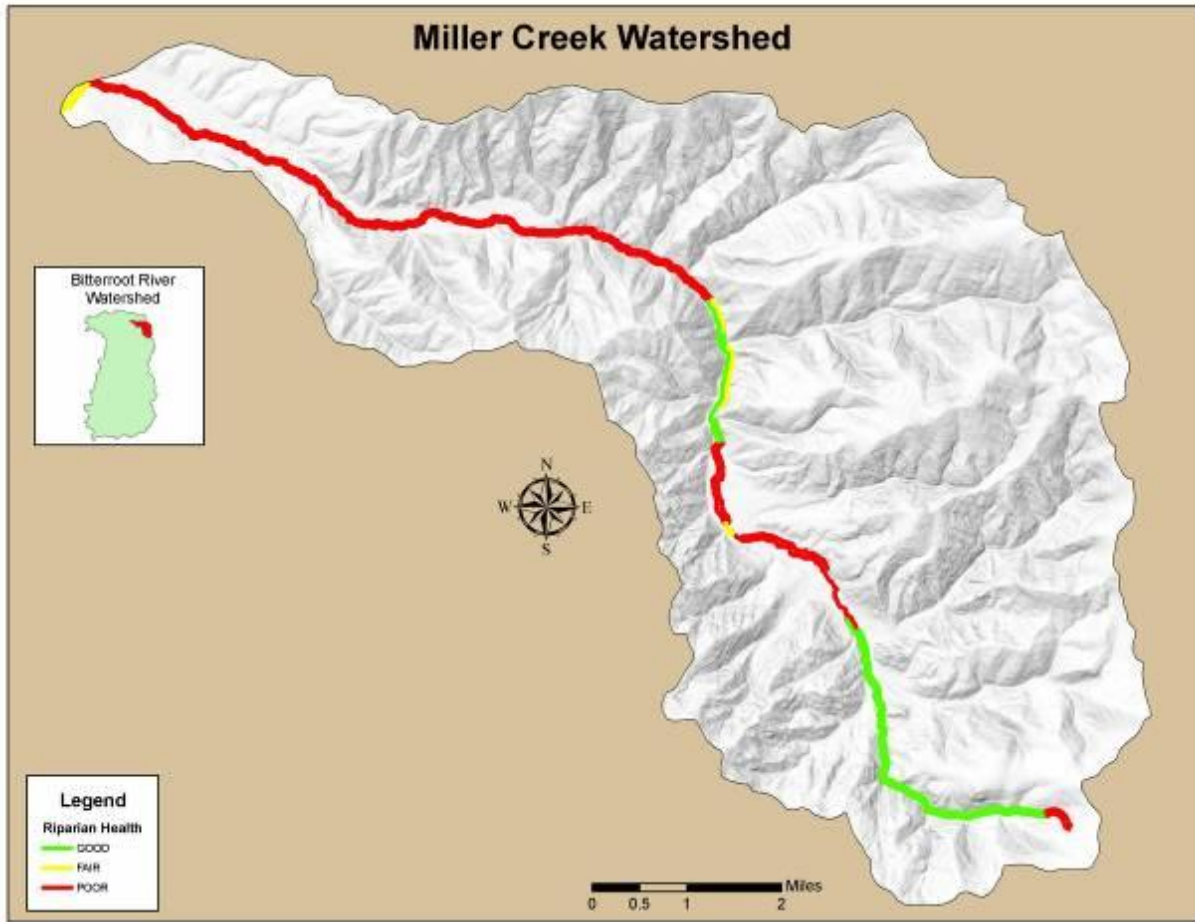

Map A-23. Reached assessed in 2007 to assist with sediment TMDL development

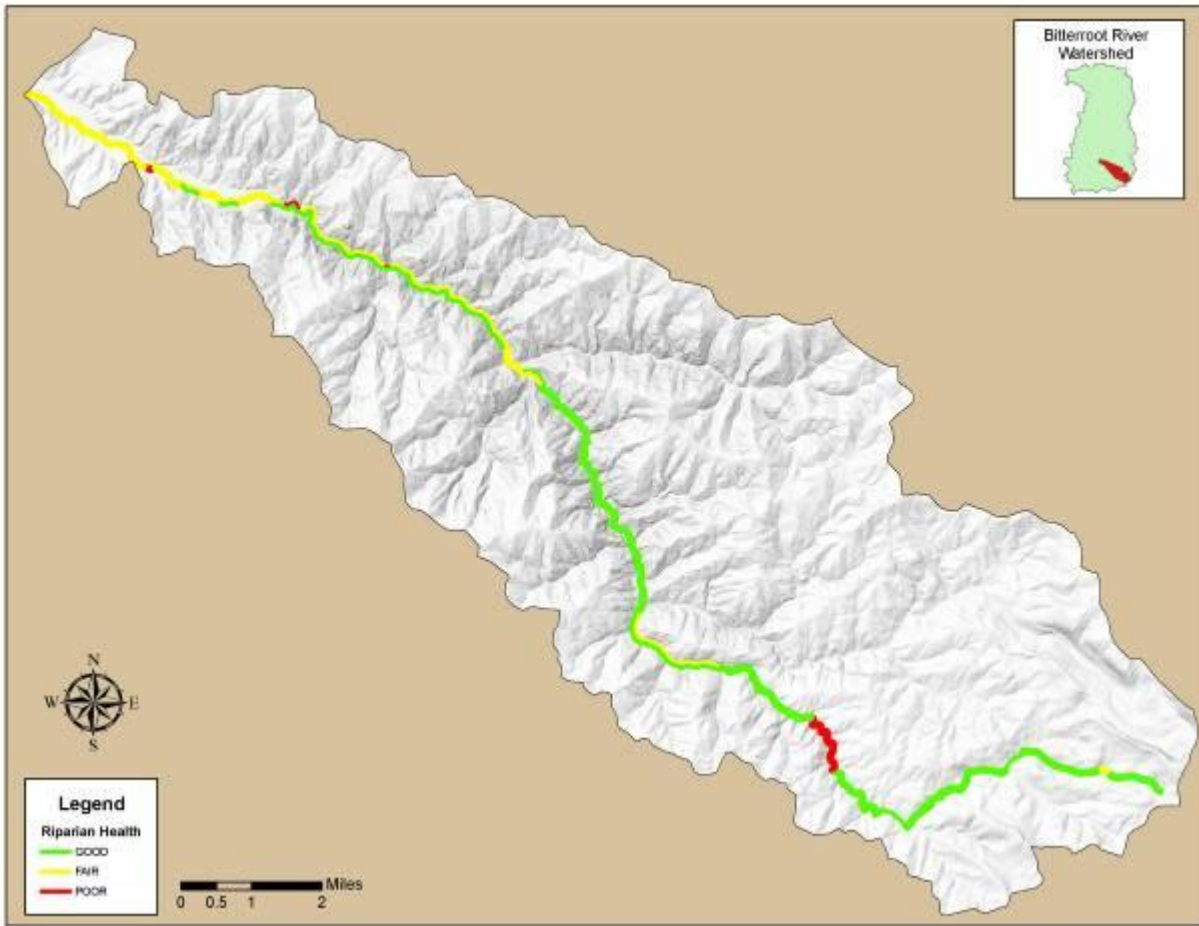

Map A-24. 2004 and 2007 stream temperature monitoring locations in the Bitterroot TPA

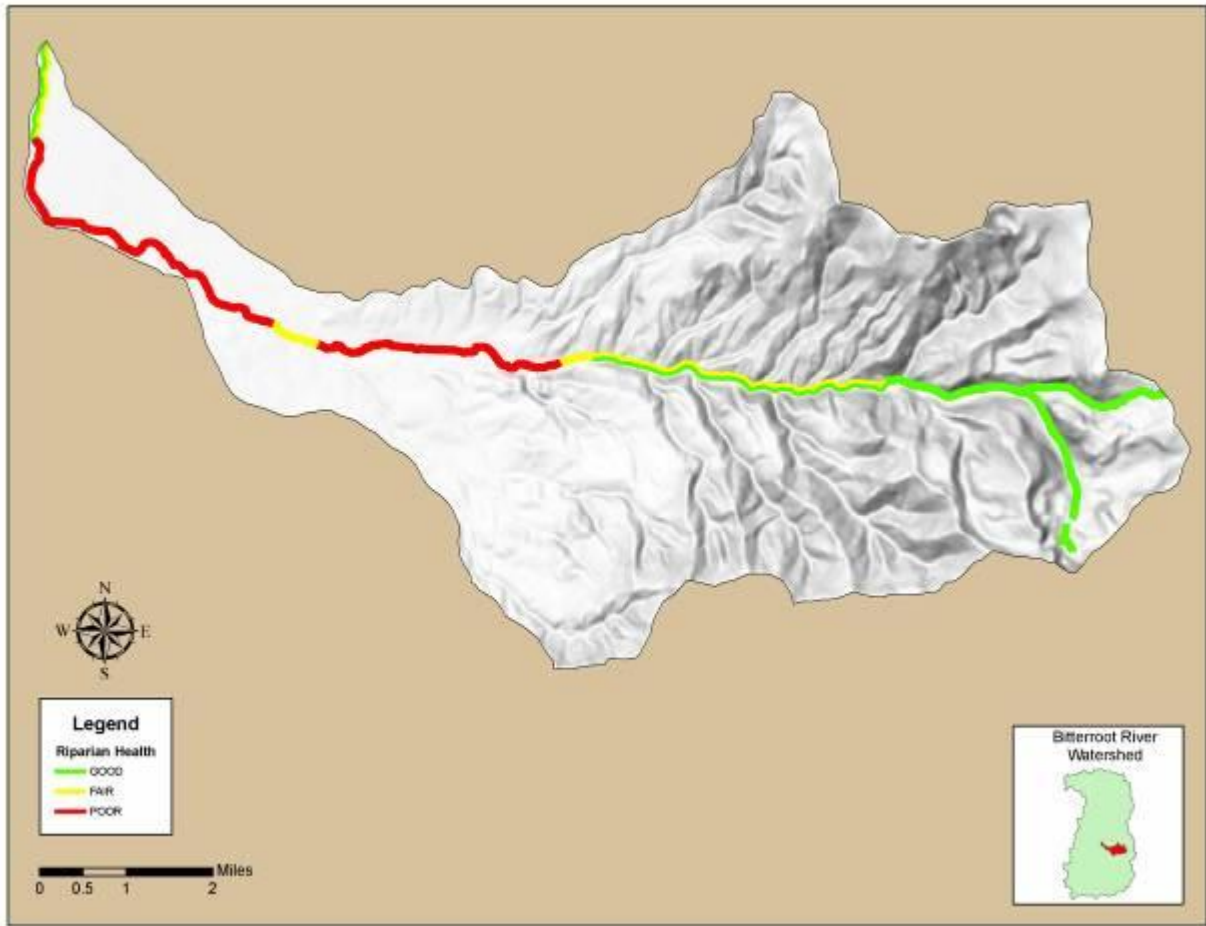

Map A-25. Temperature monitoring locations on Miller Creek in 2004

Map A-26. Riparian health conditions of Miller Creek

Map A-27. Riparian health conditions of Sleeping Child Creek

Map A-28. Riparian health conditions of Willow Creek
