# What are the focus areas of the Roadmap?

Over the next 12 months, the State of Montana will develop the Big Sky Emissions Reduction Roadmap, a comprehensive air pollution reduction plan.

It will focus on the following areas to reduce pollution and make a difference in our communities, our workforce and economy, and the state as a whole:

**FORESTS**

**AGRICULTURE**

**TRANSPORTATION**

**POWER**

**INDUSTRY**

**BUILDINGS**

**WASTE**
