Do you believe this Intent to Transfer would move into designated Sage Grouse Habitat as covered by the Governor’s Executive Order 21-2105? (circle or highlight one) YES NO

The Department also requests, that once the plant physically locates to the new site, that the source alerts the Department the move was completed. An email or phone call to the Department field services inspector assigned to your company is adequate or a phone call to the Air Quality Bureau main number at 406-444-3490. Just indicate the Air Quality Permit Number and that the equipment has moved to the planned latitude and longitude as indicated in the Intent to Transfer Notice. If more than one Intent to Transfer Notice was provided for the same equipment, please specify to which location the equipment relocated.
