Portable Facility Registration Notification
Attachment A – Location Notice & Update Form

1. The owner/operator must submit notice of estimated dates of operation and proposed location(s) for each source
category at least 15 calendar days before commencing operation at the location.

2. DEQ will publish location after receiving a complete notification at https://deq.mt.gov/Air/Resources under Public
Notification – Emission Source Location.

3. The owner/operator must contact DEQ to confirm that the location is active within 10 days of commencing
operation at the new location.

4. The owner/operator must notify DEQ within 10 days after removing all equipment of a single source category from
a location, DEQ will then remove the source category from the above website.

*Note: This form will be submitted to DEQ 3 times per source category: estimated date, confirmed operation date,
and removal date.

(Administrative Rules of Montana Title 17, chapter 8, subchapter 18.)

Owner/Operator Certification.
I hereby certify that, to the best of my knowledge, information, and belief, formed after reasonable inquiry, the information
provided in the notification is true, accurate and complete.
