Authorized Signature Date

The estimated time for DEQ to process a correctly completed application form is 35 days from the date of publication of the public notice. The Department decision is not final unless 15 days have elapsed from the date of permit issuance and there is no request for a hearing before the Board of Environmental Review. Please refer to the Administrative Rules of Montana 17.8.610.

**MONTANA MAJOR OPEN BURNING PERMIT APPLICATION**

**Instructions to Applicants:**

The notice below must be published no earlier than 10 days prior to the date your application will be submitted to the department, and no later than 10 days following the date of submittal. The notice is to be published in the legal notice section of a newspaper of general circulation in the area affected. Questions regarding an appropriate newspaper should be addressed to the Air, Energy & Mining Division (division). Please submit a copy of the published notice(s) to the division with the application, if possible, or as soon thereafter as possible.

This notice is required by ARM Title 17, Chapter 8, Subchapter 6, Rule 17.8.610 Major Open Burning Source Restrictions.

**PUBLIC NOTICE**

*has filed/will file* *date*  
 burning permit from the Air, Energy & Mining Division of the Montana Department of Environmental Quality (Department). Applicant(s) seeks approval of its/their application to open burn

*brief description of type of material to be burned*

at \_\_\_\_\_

*county(ies) in which the open burning is to take place*

Any member of the public with questions or who wishes to receive notice of the Department's determination, and the location where a copy of the application and the Department's analysis of it can be reviewed, or to submit comments on the application, must contact the Department at 1520 East Sixth Ave., P.O. Box 200901, Helena, Montana 59620-0901, phone (406) 444-3490.

Any comments on the application must be submitted to the Department within 20 days after publication of this notice or filing of the application, whichever is later. The Department's decision to approve or deny an application for a major open burning permit may be reviewed by the Board of Environmental Review (Board) according to the following procedure:

When the Department approves or denies the application for a major open burning permit under this section, a person who is jointly or severally adversely affected by the Department's decision may request, within 15 days after the Department renders its decision, upon affidavit setting forth the grounds therefor, a hearing before the Board. A hearing shall be held under the provisions of the Montana Administrative Procedures Act.

The Department's decision on the application is not final unless 15 days have elapsed and there is no request for a hearing under this section. The filing of a request for a hearing postpones the effective date of the Department's decision until the conclusion of the hearing and issuance of a final decision by the Board.
