

# ALTERNATIVE ENERGY REVOLVING LOAN PROGRAM

**FIXED INTEREST RATE: 3.5% FOR 2026**

4.023% APR<sup>†</sup>

The Alternative Energy Revolving Loan Program provides low interest loans to individuals, small businesses, nonprofit organizations and government entities to increase investments in alternative energy systems and energy conservation measures in Montana.

# ALTERNATIVE ENERGY REVOLVING LOAN PROGRAM

Eligible technologies include solar PV, solar thermal, geothermal, EPA certified low-emission pellet or wood stoves, wind, and micro-hydro. Energy conservation measures may be included in a loan when installed in conjunction with an alternative energy system.

Applications are accepted quarterly and will undergo technical and financial review. If program funds are insufficient to cover loan requests, application ranking criteria will be posted on the program website. Please visit the program website for application deadlines.
