

BLOWER DOOR AND DUCT TIGHTNESS TESTING

This list is comprised of individuals and organizations available to perform blower door and/or duct tightness testing. The Montana Department of Environmental Quality (DEQ) makes no endorsement, expressed or implied to any person or organization on this list. The list has been compiled by Paul Tschida (406-444-6464) with Montana DEQ. Please contact Paul at ptschida@mt.gov if additional qualified people should be included on this list.

Blower door, duct tightness, and infrared camera equipment is available at the following Montana Builders Association offices. Unless otherwise noted the equipment is only available to members of that local Builders Association. A fee may be charged to use the equipment and other restrictions may apply. Training maybe required before equipment can be checked out.
