

BLOWER DOOR AND DUCT TIGHTNESS TESTING

This list is comprised of individuals and organizations available to perform blower door and/or duct tightness testing. The Montana Department of Environmental Quality (DEQ) makes no endorsement, expressed or implied to any person or organization on this list. The list has been compiled by [Paul Tschida](#) (406-444-6464) with the Montana DEQ. Please contact Paul if additional qualified people should be included on this list.

Blower door, duct tightness, and infrared camera equipment is available at the following Montana Builders Association offices. Unless otherwise noted the equipment is only available to members of that local Builders Association. A fee may be charged to use the equipment and other restrictions may apply. Training may be required before equipment can be checked out.

- Helena Building Industry Association 406-449-3358
- Bitterroot Building Industry Association in Hamilton 406-375-9411 (Equipment is available at other Montana Builder Industry Association affiliates members.)
- Homebuilders Association of Great Falls 406-452-4663
- Missoula Building Industry Association 406-453-4423
- Flathead Builders Association in Kalispell 406-752-2422

At various times training is available from [National Center of Appropriate Technology](#) 406-494-8653 and the [Montana Weatherization Center](#) in Bozeman 406-586-0070.

ACRONYMS:

BPI – Building Performance Institute

HERS – Home Energy Rating System

HEP – Home Energy Partners
