

Date of Posting: January 21, 2026

Name of Applicant: Montana Renewables, LLC

Facility Name: Montana Renewables Production Facility

Physical Site Location: 1807 3rd Street NW, Great Falls, MT 59404

RE: DEQ Requests Comment on Eligibility of Montana Renewables, LLC for Property Tax Abatement

The Montana Department of Environmental Quality (DEQ) is accepting comments on the above-named Applicant's request for certification as a renewable diesel and sustainable aviation fuel production facility pursuant to 15-24-3111, Montana Code Annotated (MCA). In accordance with 15-24-3112, MCA DEQ must determine whether a facility or equipment qualifies for a tax abatement under 15-24-3111, MCA.

Public Comment: Any member of the public desiring to comment must submit comments to mtenergy@mt.gov or to the address below. Comments may address eligibility of the Applicant for the property tax abatement provided for in [15-24-3111, MCA](#) as a renewable diesel production facility (15-24-3111(3)(g)) and/or as a sustainable aviation fuel production facility (15-24-3111(3)(o), MCA). All comments are due by February 5, 2026. Copies of the application materials are available on DEQ's website, <https://deq.mt.gov/public/publiccomment> (select *ENERGY*).

Department Action: DEQ intends to issue a Decision on the application for a certification as a renewable diesel and sustainable aviation production facility following the public comment period. A copy of the Decision will be available on DEQ's website, <https://deq.mt.gov/public/publiccomment> (select *ENERGY*).

If you have any questions, contact Ben Brouwer as listed below.

Sincerely,

Ben Brouwer, Energy Bureau Chief
