TO: HAZARDOUS WASTE GENERATORS

SUBJECT: LARGE AND SMALL QUANTITY HAZARDOUS WASTE GENERATOR ANNUAL REPORT FOR CALENDAR YEAR 2022

General Information

The Administrative Rules of Montana (ARM) 17.53.603 require large and small generators of hazardous waste to file an annual report by March 1 for the previous calendar year's activities. You are receiving this message because your site was registered as a large or small quantity generator or as a very small quantity generator that took part in an episodic generation event in 2022.

Please follow the links provided for detailed instructions and the appropriate forms required for completing your annual report for calendar year 2022. Please read the instructions carefully so that the report will accurately reflect the 2022 hazardous waste activities at your site. These forms and instructions are also located on the Montana Department of Environmental Quality (DEQ) Hazardous Waste Program website at: <https://deq.mt.gov/twr/assistance>.
