Dear Mr. Love,

On behalf of COSTCO Wholesale (COSTCO); Resource Technologies, Inc. (RTI), is submitting the following work plan for monitoring well abandonment at the COSTCO Gasoline Facility #69 located at 2290 King Avenue West in Billings, Montana (Figures 1 and 2).

This workplan was prepared by: Joe Laudon  
Resource Technologies, Inc.  
1050 East Main Street, Suite #4  
Bozeman, MT 59715

## **SCOPE OF PROPOSED WORK**

The scope of this proposed workplan includes the following tasks:

- Complete Well Abandonment Workplan and Well Abandonment Form for submission to Montana Department of Environmental Quality (MDEQ).
- Abandon five monitoring wells and two injection wells according to Montana Department of Natural Resources and Conservation (DNRC) regulations.
- Prepare a letter report that includes a description of the well abandonment method and a copy of the well abandonment form for each well abandoned.

## **Schedule**

Well abandonment will be scheduled following approval of this workplan by MDEQ. If you have any questions or comments regarding this workplan, please do not hesitate to call.

Respectfully Submitted,  
**Resource Technologies, Inc.**

Joe Laudon  
Hydrogeologist
