SMALL BUSINESS ENVIRONMENTAL ASSISTANCE PROGRAM

The Small Business Environmental Assistance Program (SBEAP) is a separate non-regulatory program within the Department of Environmental Quality. The mission of the SBEAP is to assist Montana businesses in understanding and complying with environmental regulations and to go beyond the regulations to prevent pollution and improve environmental quality

In addition, SBEAP also:

- Assists with understanding and complying with environmental regulations that cover air, water, and land
- Advocates on behalf of small businesses
- Assists with communication with DEQ
- Offers permitting assistance and on-site compliance assessments
- Provides workshops, trainings, resources, and networking
- Works in collaboration with other public and private entities to assist small businesses
- Mails out informational and informative printings upon request
- Assistance from the SBEAP is free and imposes no obligation on Montana businesses.
