

**GSD GENERAL SERVICES** | **RECYCLING PROGRAM**

## Quarterly Recycling Drive

**Friday, October 10, 2025 | 7:30 AM–3:00 PM | 111 N Sanders Avenue**

## Update:

**Yellowstone E-waste now requires a \$25 fee for each flat screen LCD/LED TV turned in. This cost covers recycling fees, and freight and handling costs. Cash and card accepted as form of payment.**

**Helena Recycling cannot accept any batteries at this time. Please remove lids, neck rings, corks, and flow-control plastics from any glass bottles and jars.**

The State of Montana quarterly recycling drives are designed to encourage employees to bring items from home.

### **WHAT WILL BE ACCEPTED:**

- Glass
- Aluminum/tin
- Plastics – Type 1 and 2 only
- Cardboard
- Newspapers, office paper, and magazines
- **NO BATTERIES**  
until further notice

For more information, please contact Helena Recycling at 406-457-2437.

**Download the 2025 Quarterly Recycling Drive Calendar [Here!](#)**

### **E-WASTE RECYCLING**

- Computer
- Entertainment
- Office related electronics

**Yellowstone E-waste** is the State contractor for e-waste recycling. They will accept most electronics, with the exception of CRT TV's and monitors (tube-style). They accept TV's and monitors: flatscreen LCD/LED type (fee applies for flatscreen TV's).

PC's, laptops, tablets, phones, printers, stereo equipment, cords and cables, etc., will all be accepted for free (please no alkaline batteries or smoke detectors).

For more information, please contact Yellowstone E-Waste at 406-861-4920.

**NEXT RECYCLING DRIVE: January 9th, 2026**
