

NOTICE OF LANDFILL

Montana Department of Environmental Quality
Waste & Underground Tank Management Bureau
Solid Waste Program

Please note that Underlines in this e-form are a guide...please type in the required info and delete all underlines and italics (including all instructions) before submittal to Solid Waste Program, Dept. of Environmental Quality, P.O. Box 200901, Helena, MT 59620-0901. Questions call Waste & Underground Tank Management Bureau 444-5300.

PLEASE TAKE NOTICE that the parcel described below has been used as a landfill facility for the licensed disposal of solid wastes and is now subject to certain restrictions as to the use of the land. Administrative Rules of Montana (ARM) 17.50.1113; Section 75-10-204, Montana Code Annotated (MCA). *Describe parcel location as below where appropriate choices in brackets [] are substituted as necessary (after removing brackets)*

Deeded Tract _____ [Lot # _____] of Certificate of Survey (COS) No. _____
[Platted Subdivision _____] on file in _____ County, Montana, located in the
_____ (quarter quarter) of Section ____, Township _____, Range _____, P.M.M.

If only a portion of property located within the parcel is affected upon final closure of the landfill facility, a copy of the survey exhibiting the perimeter of the area(s) affected by solid waste disposal is attached. The location of the perimeter surrounding the waste area(s) is more particularly described in reference to the COS monuments [subdivision plat monuments] as follows:

Two options: either (1) "ENTIRE PARCEL AFFECTED" or (2) Provide legal description of bearing and length of waste boundary segments and acreage contained from survey

Landfill contact during the post-closure period:

Two options: either (1) "ACTIVE LANDFILL" or (2) List name, affiliation, address, telephone number, and email upon final closure of facility

RESTRICTIONS:

Following closure of the above-described landfill facility (License No. _____), the owner's use of the described property must not disturb the integrity of the landfill systems, including but not limited to final cover, liners (if any), or any other components of the containment systems, leachate collection and removal systems (if any), methane gas control and removal systems (if any), or the functioning of the monitoring systems (if any) without the written approval of the Montana Department of Environmental Quality. The Department may approve a disturbance if it is necessary to comply with the requirements of the solid waste laws and rules or if the owner demonstrates in writing that it will not increase the potential threat to human health or the environment. ARM 17.50.1404(3)(c); § 75-10-204, MCA.
