

**Montana Department of Environmental Quality  
Waste and Underground Tank Management Bureau  
Underground Storage Tank Section – Leak Prevention Program**

**Cathodic Protection Testers**

*June 4, 2018*

NOTE: Montana law prohibits use of this information as a mailing list for unsolicited mass mailings, house calls or distributions or telephone calls. Section 2-6-109, MCA “Prohibition on distribution of mailing lists - - exceptions - - penalty,” provides in relevant part as follows: (1)(b) a list of persons prepared by the agency may not be used as a mailing list except by the agency or another agency without first securing the permission of those on the list. (9) a person violating the provisions of subsection (1)(b) is guilty of a misdemeanor.

**Disclaimer:** This list was prepared as an information source only. No endorsement of these firms or their services is given or implied. There may be other firms offering these services that at the date of this listing were not known by this agency.
